RELEASE OF INFORMATION: I authorize any physician, health care practitioner, hospital or other health care facility, clinic, health care service plan, or any other person or entity to release to any health care plan provider of the County of Riverside, a health care service plan, a self-insurer, or any insurance company, or its designee, all medical or personal information related to myself or any covered dependent, including mental health medical records from drug and alcohol abuse treatment or prevention, for the following purposes: diagnosis or treatment; payment of health services rendered; billing, claims management, medical data processing, or other administrative function of the health plan in which I am enrolled through the County; peer review, including reviewing the competence or qualifications of health care professionals; utilization review and quality assurance, including reviewing health care services with respect to medical necessity, level of care, quality of care, or justification of charges; handling of member grievances or appeals, external independent review, or other health dispute resolution; coordination of care with providers of health care or other health care service plans; administering the health benefit plan; chronic disease management programs, to monitor or administer care of a covered benefit; and other uses specifically authorized by law. This authorization is effective immediately and remains in effect for the duration of coverage under my health plan provider through the County of Riverside.

BINDING ARBITRATION: I understand that the health plans sponsored by the County of Riverside use neutral binding arbitration to resolve disputes between Members, including but not limited to, claims of malpractice (that is, as to whether any medical services rendered under the health plan were unnecessary or unauthorized or were improperly, negligently or incompetently rendered), except for claims subject to ERISA, between myself and the health plan. Any such dispute will not be resolved by a lawsuit or resort to court process, except as California law provides for judicial review of arbitration proceeding. The health plan and myself (and/or any enrolled dependents member), the parties to this agreement, are giving up their constitutional right to have any such dispute decided in a court of law before a jury, and instead are accepting the use of binding arbitration. For additional information about each plan's arbitration provision, I may refer to the Disclosure and Evidence of Coverage, copies of which are available from each health plan.

AUTHORIZATION TO DEDUCT INSURANCE PREMIUM FROM RETIREMENT ALLOWANCE: I hereby apply for membership in the plan for myself and for any eligible dependents listed and authorize the Public Employees' Retirement System to deduct from my retirement allowance in accordance with rules of said system, premiums for the plan(s) in the amount certified to said system by the County of Riverside. I further authorize the County to certify to the Public Employees' Retirement System the amount of premiums to be deducted and any subsequent change in said amount. This deduction will continue until I file in the office of the County of Riverside Human Resources Department, Employee Benefits Division, a written request for termination and my premiums have been paid in full. I will notify the County of Riverside Human Resources Department, Employee Benefits Division of any qualifying event resulting in a change in family status.

DIRECT PAY: I understand that I will be placed on a direct pay plan if premiums cannot be collected in full from my retiree warrant (e.g. retiree warrant is insufficient to cover the full cost of the retiree premium). I hereby apply for membership in the plan for myself and for any eligible dependents listed. I will pay my premiums directly to the County of Riverside Human Resources Department. I understand that my premium payments must be received by the County of Riverside no later than the 25th of each month for the premium due the following month, and that coverage for myself and my enrolled dependents may be terminated if premiums are late.

Changes in Coverage: If you or your dependents experience a qualifying event resulting in a change in family status, you must contact Human Resources to request an enrollment change within 60 days from the date of the qualifying event. If you do not request enrollment within 60 days, you must wait until the next County Annual Enrollment period before you will be permitted to make a change.

Health Insurance Portability and Accountability – Special Enrollment Rights: If you are waiving enrollment for yourself and your dependents (including your spouse/domestic partner) because of other health insurance coverage, if you have a new dependent as a result of marriage, birth, adoption or placement for adoption, you may be eligible to enroll yourself and your dependents, provided that you request enrollment within 60 days after the qualifying event occurs.
