Except as modified herein or as otherwise required by law, existing wages, hours and other terms and conditions of employment set forth in the County Salary Ordinance and related resolutions and regulations shall continue in effect. The terms used in this MOU shall have the same meaning as like terms used in the County Salary Ordinance and related resolutions and regulations.

WORKWEEK, OVERTIME AND PREMIUM PAY

Section 1. Workweek

- A. Pay Period. The pay period shall be fourteen (14) calendar days which shall include two (2) Fair Labor Standards Act (“FLSA”) workweeks. Work weeks will comply with the FLSA.
- B. Work Schedule. Employees covered under this MOU shall report their availability to be scheduled to work, at a minimum, two (2) weekend shifts and two (2) weekday shifts per month. This minimum may be modified upon agreement of the employee and the department director, manager, supervisor or designee.

Prior to January 1 of each calendar year (or within 5 business days after the employee’s first start date during a calendar year), employees shall also report their availability to be scheduled to work on four dates from the following table. The employee should choose two dates from the list of Primary Dates and two dates from the list of Secondary Dates per calendar year.

If the employee is hired and starts work on or after July 1 of their first calendar year and before Thanksgiving of their first calendar year, the employee should choose one date from the list of Primary Dates and two dates from the list of Secondary Dates for the first calendar year of employment.

If the employee is hired and starts work on or after Thanksgiving of their first calendar year the employee does not need to identify any dates from this table for the remainder of the first calendar year of employment.

Nevertheless, employees may be required to work during such hours as necessary to carry out the duties of their positions, as designated by the department head or designee, and such hours may be varied so long as the work requirements and efficient operations of the County are assured. For the purposes of this provision, a weekend shift is defined as a single shift occurring on or after 3:00 p.m. Friday and ending on or before 7:00 a.m. Monday.

SEIU agrees that the County shall retain exclusive control to determine employee work schedules and hereby waives any right to grieve schedule assignments during the remaining term of this agreement.

- C. Posting of Work Schedule. The County shall post work schedules at least two (2) weeks in advance. Once posted, the schedule shall not be changed without prior mutual agreement of the unit supervisor and employee. Insofar as practicable, the County shall update posted work schedules as changes occur.

Section 2. Overtime

- A. Overtime. Overtime work is authorized work in excess of the forty (40) hours in the established FLSA work week unless otherwise specified in this MOU. Only actual hours performing work shall count towards the computation of overtime. Overtime shall be paid for FLSA non-exempt employees at one and one-half (1½) times their regular rate of pay for all hours approved and actually worked over forty (40) hours in a FLSA workweek.
- B. Authorization for Overtime Work. No employee shall work overtime unless authorized by the department head or designee. Overtime shall not exceed sixteen (16) hours in any work day for any employee without prior approval of the County Executive Officer, except in case of public emergency.
- C. Departmental Records. Each department head or designee shall keep complete and detailed records as to the attendance and pay status of each employee. This shall include actual hours of overtime work for each employee in each workweek.

The initial record, any secondary records, such as a summary of the workweek or of the pay period, or other compilation from the initial record, and the departmental copy of the attendance report for each pay period together with any subsequent correcting reports, shall be preserved and retained in accordance with the County's applicable records retention schedule.

- D. Reporting and Calculation. Actual hours of overtime work shall be reported on each attendance report. The County Auditor Controller shall maintain the record of overtime at one and one-half (1½) times such actual hours.

Section 3. Premium Pay

All premium pay provided under this Section shall be compensated only for time actually worked in the assigned premium capacity.

- A. Standby Duty — General. When placed by the department head or designee specifically on standby duty, an employee shall be paid one-eighth (1/8) of the employees' base rate of pay for each hour of standby duty in addition to the regular salary standby assignment. Standby compensation shall cease when the employee physically reports to a worksite and shall resume at the completion of the call-back work. Worksite, for the purposes of this Section, shall mean the location an employee is required to physically report to in order to complete the work assigned. The standby duty shall not cease if an employee is able to complete the required work remotely without having to physically report to a worksite. All standby duty premium shall cease at the end of the standby duty shift. Employees placed on standby duty are subject to the following requirements:

If an employee should complete the work required, and subsequently be recalled during the minimum credit period, no additional compensation shall be paid for until the minimum time has been worked by the employee. Call-back pay does not include time commuting to and from work.

If the employee may perform call-back work remotely, without the employee being required to physically report to a County site, then the employee will be paid in quarter-hour increments for all time worked while remotely responding to the call. For example, if the employee remotely completes the performance of work in twenty-five (25) minutes, the employee will be paid thirty (30) minutes for the remote call-back.

Notwithstanding any other provision, time actually worked on call-back shall be counted toward the calculation of overtime requirement.

A. Dues Deduction

Each pay period, the County shall send to the Union a list of all employees in the bargaining unit including: each employee's first name, middle initial, last name; employee identification number; employee hire date; employee job classification; employment status (ex: active, on leave of absence, etc.); work status (ex: full time, part time, hourly, seasonal, etc.); annual base salary amount; gross earnings per pay period; hourly rate; salary step (if applicable); and total hours worked in the pay period. This information shall be sent to dues@seiu721.org within five (5) business days of each payday in a CSV or fixed file format that will enable SEIU to download the data in an Excel format.

Each pay period, the Union shall provide the County with an "authorized deduction report" which includes bargaining unit members who have authorized the deduction of Union dues, COPE and other deductions and the deduction amounts.

The County shall make the dues and other applicable deductions from the employees' paychecks and remit such itemized deductions to the Union via Electronic Funds Transfer (EFT) within five (5) business days of each payday. The County shall also provide the breakdown of each amount remitted (i.e. Dues, COPE, Supplementary Benefits, etc.) in the same format as the employee data above to dues@seiu721.org within five (5) business days of each payday.

B. Committee on Political Education (COPE)

Employees may make voluntary contributions to the Union's registered political action committees. The County shall make the deduction of the voluntary contributions in the same manner as the dues deduction process.

Every pay period the Union will notify the County with a list of employees and the appropriate deduction amount on the "authorized deduction report" of the employees who have signed an authorization for the COPE deduction.

Employees may discontinue voluntary political deductions by providing notice of cancellation to the Union and the Union shall transmit such notice of cancellation to the County by the next full pay period cycle.

C. Indemnification

Service Employees International Union Local 721 shall indemnify and hold the County, its elected officials, officers and employees, harmless from any and all claims, demands, suits, or any other action arising from the provisions herein.

ARTICLE 9
UNION RIGHTS

Section 1. Bulletin Boards

Space will be made available to SEIU on a reasonable number of departmental bulletin boards designated for such purpose, provided such use is reasonable. Notices shall be dated and signed by a SEIU representative. The privilege does not extend to the individual members of SEIU. The posting and removal of bulletin board material must be maintained in a timely fashion. The County, through the Human Resources Director, or designee, reserves the right to suspend or cancel bulletin board privileges for abuse. Bulletin board space will be visible and accessible to all SEIU represented employees at the worksite.

Section 2. Time Reporting Code

- A. Release Time. The County agrees to provide SEIU with one (1) payroll code for union related release time.
- B. All requests for release time by the union shall be processed by the County within a reasonable time from receipt of the request.
- C. Employees granted release time under this article shall not suffer any loss in the base rate of pay for actual hours released that the employee would have otherwise reported to work. Compensation for release time shall not include payment of shift differentials or any premium pay provided under Article 6. No employee shall receive paid release time for any hours or any day for which the employee was not otherwise required to work.
- D. The County shall provide the union with a total count of SEIU represented employees, for all bargaining units covered under this MOU, calculated from the first full pay period in January and July of each year. The aggregate total of the time bank for each calendar year shall be established from the average of these two (2) total employee counts.
- E. Release time under this Article shall be granted upon reasonable advance notice to the County. For the purposes of this Article, reasonable notice is considered at least four (4) weeks prior to the date of the planned activity.

Employees agree to make a good faith effort to have their shifts covered in order to attend planned activities without impairing County services or operations. The County may deny the request if the employee's absence would negatively affect County services or operations. In such cases, the union agrees to waive the right to grieve the denial of release time.

- F. The County will not unreasonably withhold permission to release employees for planned union activity.

Section 3. Worksite Access

The Union will maintain its existing rights to enforce their rights to worksite access.

The Union shall also be provided, upon request, a meeting room at all work locations, to conduct meetings with represented employees before and after work and during lunch periods (non-working time). Where facilities like the RUHS exist and make impracticable the ability of employees on other floors to be able to attend a meeting due to limited lunch breaks, the County agrees to make every effort to provide additional meeting rooms to address this issue. All meetings will be scheduled through Human Resources, and, at the time the request is made the request will be granted, provided that the meeting room requested has not been previously scheduled.

Section 4. Stewards

Except as set out below, SEIU may elect or appoint two (2) Stewards in the Per Diem unit. The Stewards must be a representative from RUHS-MC and the Department of Mental Health, exclusively.

The Stewards are recognized as representatives of SEIU in their department with the power to bind SEIU in all matters pertaining to this MOU. SEIU agrees to notify the County Human Resources Department in writing of the names of its Stewards and the effective dates of their election or appointment.

There shall be no union activity on County time or premises except as provided for in this MOU. A Steward is permitted to represent SEIU in grievances, collective bargaining, administrative interviews, and other duties consistent with the representational rights granted by the *Meyers-Milias-Brown Act*. Stewards shall not be permitted to request preparation time pursuant to this Article. A Steward will not absent him/herself from his/her work without first obtaining the permission of the Department. To obtain permission the Union shall identify the following in the release time request to Human Resources: a) the specific reason for requesting permission, b) the employee(s) to be represented, and c) the general issue involved. SEIU agrees that the provision of County services is not to be negatively affected by any Steward activity permitted by this Article. Subject to the foregoing, the County will not unreasonably withhold permission.

Section 5. New Employee Orientation

The County shall provide SEIU written notice to the Worksite Organizer (WSO) at the email address SEIU provides to the County, and to membership@seiu721.org of both County-wide and department-level new employee orientations, no matter how few participants, and whether in person or online, every pay period, except if there is an urgent need that is critical to the County's operations that was not reasonably foreseeable.

SEIU will be allowed to participate and present for no more than 20 minutes during new employee orientation. Alternatively, in the event that a new employee participates in orientation that is self-service (i.e. individual review of policies on-line, etc.), then SEIU will be provided with the employee's cell phone number and e-mail provided to the County, and be allowed time within the first sixty days of their employment to have a union orientation discussion not to exceed 15 minutes during the employee's work time.

No representative of management shall be present during the Union's presentation. Release time shall be granted for one steward to participate in the new employee orientations.

For purposes of this section "new hires" shall be defined to include any employee new to SEIU 721 per diem unit.

Section 6. No Retaliation

The parties agree that there will be no retaliation, reprisals, discharge, harassment of any kind, or discipline issued or pursued against bargaining unit employees as a result of participating in or supporting the parties' collective bargaining, the Joint Labor Management Committee, unfair labor practice charges or procedures, and/or other concerted activities.

ARTICLE 10 ANTI-STRIKE CLAUSE

It is hereby agreed that SEIU shall not take part in, nor call, sanction, foster, nor support any strike (including sympathy strikes), work stoppage, slow-down, sick- in nor any other interference with the County's services or operations during the term of this MOU.

Should a strike, sick-in, picketing, boycott or any other interruption of work occur, the County shall notify SEIU of the existence of such activity and SEIU will take all reasonable steps to terminate such activity and induce the employees to return to work.
