| Policy Number: | 641685-F |
| Effective Date: | January 1, 2016 |

A Group Policy has been issued to the Policyholder. We certify that you will be insured as provided by the terms of the Group Policy. If your coverage is changed by an amendment to the Group Policy, we will provide the Policyholder with a revised Certificate or other notice to be given to you.

This policy includes an Accelerated Benefit. Death benefits will be reduced if an Accelerated Benefit is paid. The receipt of this benefit may be taxable and may affect your eligibility for Medicaid or other government benefits or entitlements. However, if you meet the definition of "terminally ill individual" according to the Internal Revenue Code Section 101, your Accelerated Benefit may be non-taxable. You should consult your personal tax and/or legal advisor before you apply for an Accelerated Benefit.

Possession of this Certificate does not necessarily mean you are insured. You are insured only if you meet the requirements set out in this Certificate. If the terms of the Certificate differ from the Group Policy, the terms stated in the Group Policy will govern.

"We", "us" and "our" mean Standard Insurance Company. "You" and "your" mean the Member. All other defined terms appear with the initial letter capitalized. Section headings, and references to them, appear in boldface type.

COVERAGE

- **Persons Covered**

Generally, an individual is covered by the Association if the insurer was a member of the Association *and* the individual lives in California at the time the insurer is determined by a court to be insolvent. Coverage is also provided to policy beneficiaries, payees or assignees, whether or not they live in California.

- **Amounts of Coverage**

The basic coverage protections provided by the Association are as follows.

- **Life Insurance, Annuities and Structured Settlement Annuities**

For life insurance policies, annuities and structured settlement annuities, the Association will provide the following:

- **Life Insurance**

80% of death benefits but not to exceed \$300,000

80% of cash surrender or withdrawal values but not to exceed \$100,000

- **Annuities and Structured Settlement Annuities**

80% of the present value of annuity benefits, including net cash withdrawal and net cash surrender values but not to exceed \$250,000

The maximum amount of protection provided by the Association to an individual, for *all* life insurance, annuities and structured settlement annuities is \$300,000, regardless of the number of policies or contracts covering the individual.

- **Health Insurance**

The maximum amount of protection provided by the Association to an individual, as of April 1, 2011, is \$470,125. This amount will increase or decrease based upon changes in the health care cost component of the consumer price index to the date on which an insurer becomes an insolvent insurer.
