Benefit Changes for Current Year

The following is a summary of the most important coverage changes and clarifications that we have made to this Basic Plan 2023 *EOC*. Please read this *EOC* for the complete text of these changes, as well as changes not listed in the summary below.

Please refer to the "Benefits" section in this *EOC* for benefit descriptions. Please refer to the "Copayments or Coinsurance Summary" for the amount Members must pay for covered benefits. Benefits are also subject to the "Emergency Services and Urgent Care" and the "Exclusions, Limitations, Coordination of Benefits, and Reductions" sections in this *EOC*.

HRSA-related EOC Changes

We have made the following changes to align with guidance released by the United States Health Resources and Services Administration ("HRSA"):

Under "Breastfeeding Supplies" in the "Durable Medical Equipment "DME" for Home Use" section, we have clarified that we cover supplies associated with breastfeeding, as described on our website at kp.org/prevention

In the "Contraceptive drugs and devices" table under "Outpatient prescription drugs, supplies, and supplements" in the "Copayments or Coinsurance Summary," we have deleted the reference to "female condoms" and added "condoms" instead. Female and male condoms are both covered when prescribed for women, up to a 30-day supply.

Under "Preventive Services" in the "Copayments or Coinsurance Summary," we have clarified that postpartum follow-up visits are covered when Medically Necessary.

Mental Health Services and Substance Use Disorder Treatment Cost Share for Certain Plans

To meet Mental Health Parity and Addiction Equity Act ("MHPAEA") requirements, Copayments or Coinsurance for the following services will be "no charge":

- Behavioral health treatment for autism spectrum disorder
- Partial hospitalization and other intensive psychiatric treatment programs under "Mental health Services"
- Intensive outpatient and day-treatment programs under "Substance Use Disorder Treatment"

Timely Access to Care (SB 221)

In accordance with state law, under "Timely Access to Care" in the "How to Obtain Services" section, we have added a new access standard for follow-up (non-urgent) mental health care or substance use disorder treatment appointments with a practitioner other than a physician, for those undergoing a course of treatment for an ongoing mental health or substance use disorder condition. We have also reorganized this section for readability and to better align with the terminology in state law.

Dental Services for Transplants

Due to a change in policy, we now cover dental services that are Medically Necessary to free the mouth from infection to prepare for a covered transplant. Under "Dental and Orthodontic Services," we have added language to describe this coverage. We have also added a cross-reference to the "Dental and Orthodontic Services" section under "Transplant Services."

Copayments or Coinsurance Summary

This “Copayments or Coinsurance Summary” is part of your Evidence of Coverage (*EOC*) and is meant to explain the amount you will pay for covered Services under this plan. It does not provide a full description of your benefits. For a full description of your benefits, including any limitations and exclusions, please read this entire *EOC*, including any amendments, carefully.

Copayments or Coinsurance Summary Tables by Benefit

How to read the Copayments or Coinsurance summary tables

Each table below explains the Copayments or Coinsurance for a category of benefits. Specific Services related to the benefit are described in the first column of each table. For a detailed description of coverage for a particular benefit, refer to the same benefit heading in the “Benefits” section of this *EOC*.

- **Copayment / Coinsurance.** This column describes the Copayments or Coinsurance you will pay for Services after you have met your Plan Deductible or Drug Deductible, if applicable. (Please see the “Deductibles and Out-of-Pocket Maximums” section above to determine if your plan includes deductibles.) If the Services are not covered in your plan, this column will read “Not covered.” If we provide an Allowance that you can use toward the cost of the Services, this column will include the Allowance.
- **Subject to Deductible.** This column explains whether the Copayments or Coinsurance you pay for Services is subject to a Plan Deductible or Drug Deductible. If the Services are subject to a deductible, you will pay Charges for those Services until you have met your deductible. If the Services are subject to a deductible, there will be a “✓” or “D” in this column, depending on which deductible applies (“✓” for Plan Deductible, “D” for Drug Deductible). If the Services do not apply to a deductible, or if your plan does not include a deductible, this column will be blank. For a more detailed explanation of deductibles, refer to “Plan Deductible” and “Drug Deductible” in the “Benefits” section of this *EOC*.
- **Applies to OOPM.** This column explains whether the Copayments or Coinsurance you pay for Services counts toward the Plan Out-of-Pocket Maximum (“Plan OOPM”) or Drug Out-of-Pocket Maximum (“Drug OOPM”) after you have met any applicable deductible. If the Services count toward the Plan OOPM, there will be a “✓” in this column. If the Services count toward the Drug OOPM, there will be a “D” in this column. If the Services do not count toward the Plan OOPM or Drug OOPM, this column will be blank. For a more detailed explanation of the

(Health Plan), Northern California Region and Southern California Region, and CalPERS (your “Group”).

This *EOC*, the *Group Agreement (Agreement)*, and any amendments constitute the contract between Health Plan and CalPERS. The Agreement is on file and available for review in the office of the CalPERS Health Plan Research and Administration Division, 400 Q St, Sacramento, CA 95811. The *Agreement* contains additional terms such as Premiums, when coverage can change, the effective date of coverage, and the effective date of termination. The *Agreement* must be consulted to determine the exact terms of coverage. It is in your best interest to familiarize yourself with this *EOC*.

THERE IS NO VESTED RIGHT TO RECEIVE ANY PARTICULAR BENEFIT SET FORTH IN THE PLAN. PLAN BENEFITS MAY BE MODIFIED. ANY MODIFIED BENEFIT (SUCH AS THE ELIMINATION OF A PARTICULAR BENEFIT OR AN INCREASE IN THE MEMBER’S COPAYMENT) APPLIES TO SERVICES OR SUPPLIES FURNISHED ON OR AFTER THE EFFECTIVE DATE OF THE MODIFICATION.

Once enrolled in other coverage made available through Health Plan, that other plan’s evidence of coverage cannot be cancelled without cancelling coverage under this *EOC*, unless the change is made during open enrollment or a special enrollment period.

For benefits provided under any other program offered by your Group (for example, workers compensation benefits), refer to your Group’s materials.

In this *EOC*, Health Plan is sometimes referred to as “we” or “us.” Members are sometimes referred to as “you.” Some capitalized terms have special meaning in

this *EOC*; please see the “Definitions” section for terms you should know.

It is important to familiarize yourself with your coverage by reading this *EOC* completely, so that you can take full advantage of your Health Plan benefits. Also, if you have special health care needs, please carefully read the sections that apply to you.

For each ZIP code listed for a county, your Home Region Service Area includes only the part of that ZIP code that is in that county. When a ZIP code spans more than one county, the part of that ZIP code that is in another county is not inside your Home Region Service Area unless that other county is listed above and that ZIP code is also listed for that other county.

If you have a question about whether a ZIP code is in your Home Region Service Area, please call our Member Service Contact Center.

Note: We may expand your Home Region Service Area at any time by giving written notice to your Group. ZIP codes are subject to change by the U.S. Postal Service.

Services: Health care services or items (“health care” includes physical health care, mental health care, and substance use disorder treatment), and behavioral health treatment covered under “Behavioral Health Treatment for Autism Spectrum Disorder” in the “Benefits” section.

Skilled Nursing Facility: A facility that provides inpatient skilled nursing care, rehabilitation services, or

other related health services and is licensed by the state of California. The facility's primary business must be the provision of 24-hour-a-day licensed skilled nursing care. The term "Skilled Nursing Facility" does not include convalescent nursing homes, rest facilities, or facilities for the aged, if those facilities furnish primarily custodial care, including training in routines of daily living. A "Skilled Nursing Facility" may also be a unit or section within another facility (for example, a hospital) as long as it continues to meet this definition.

Stabilize: To provide the medical treatment of the Emergency Medical Condition that is necessary to assure, within reasonable medical probability, that no material deterioration of the condition is likely to result from or occur during the transfer of the person from the facility. With respect to a pregnant woman who is having contractions, when there is inadequate time to safely transfer her to another hospital before delivery (or the transfer may pose a threat to the health or safety of the woman or unborn child), "Stabilize" means to deliver (including the placenta).

Subscriber: A person enrolled who is responsible for payment of premiums to the plan, and whose employment or other status, except family dependency, is the basis for eligibility for enrollment under this plan.

Telehealth Visits: Interactive video visits and scheduled telephone visits between you and your provider.

Urgent Care: Medically Necessary Services for a condition that requires prompt medical attention but is not an Emergency Medical Condition.

Premiums, Eligibility, and Enrollment

Premiums

Your Group is responsible for paying Full Premiums, except that you are responsible for paying Full Premiums as described in the "Continuation of Membership" section if you have Cal-COBRA coverage under this *EOC*. If you are responsible for any contribution to the Premiums that your Group pays, your Group will tell you the amount, when Premiums are effective, and how to pay your Group (through payroll deduction, for example).

Eligibility

Information pertaining to eligibility, enrollment, termination of coverage, and conversion rights can be

obtained through the CalPERS website at www.calpers.ca.gov, or by calling CalPERS. Also, refer to the CalPERS Health Program Guide for additional information about eligibility. Your coverage begins on the date established by CalPERS.

It is your responsibility to stay informed about your coverage. For an explanation of specific enrollment and eligibility criteria, please consult your Health Benefits Officer or, if you are retired, the CalPERS Health Account Management Division at:

CalPERS
Health Account Management Division
P.O. Box 942714
Sacramento, CA 94229-2714

Or call:

888 CalPERS (or **888-225-7377**)
(916) 795-3240 (TDD)

Live/Work

If you are an active employee or a working CalPERS retiree, you may enroll in a plan using either your residential or work ZIP Code. When you retire from a CalPERS employer and are no longer working for any employer, you must select a health plan using your residential ZIP Code.

If you use your residential ZIP Code, all enrolled dependents must reside inside your Home Region Service Area. When you use your work ZIP Code, all enrolled dependents must receive all covered services (except emergency and urgent care) inside your Home Region Service Area, even if they do not reside in that Service Area.

How to Obtain Services

As a Member, you are selecting our medical care program to provide your health care. You must receive all covered care from Plan Providers inside your Home Region Service Area, except as described in the sections listed below for the following Services:

- Authorized referrals as described under "Getting a Referral" in this "How to Obtain Services" section
- Chiropractic and acupuncture services as described in the "ASH Plans Combined Chiropractic and Acupuncture Services" section
- Durable medical equipment as described under "Durable Medical Equipment ("DME") for Home Use" in the "Benefits" section

- Emergency ambulance Services as described under “Ambulance Services” in the “Benefits” section
- Emergency Services, Post-Stabilization Care, and Out-of-Area Urgent Care as described in the “Emergency Services and Urgent Care” section
- Home health care as described under “Home Health Care” in the “Benefits” section
- Hospice care as described under “Hospice Care” in the “Benefits” section
- Ostomy and urological supplies as described under “Ostomy and Urological Supplies” in the “Benefits” section
- Prosthetics and orthotics as described under “Prosthetic and Orthotic Devices” in the “Benefits” section
- Visiting Member Services as described under “Receiving Care Outside of Your Home Region” in this “How to Obtain Services” section

As a Member, you are enrolled in one of two Health Plan Regions in California (either our Northern California Region or Southern California Region), called your Home Region. The coverage information in this *EOC* applies when you obtain care in your Home Region.

Our medical care program gives you access to all of the covered Services you may need, such as routine care with your own personal Plan Physician, hospital care, laboratory and pharmacy Services, Emergency Services, Urgent Care, and other benefits described in this *EOC*.

Routine Care

If you need the following Services, you should schedule an appointment:

- Preventive Services
- Periodic follow-up care (regularly scheduled follow-up care, such as visits to monitor a chronic condition)
- Other care that is not Urgent Care

To request a non-urgent appointment, you can call your local Plan Facility or request the appointment online. For appointment phone numbers, refer to our Provider Directory or call our Member Service Contact Center. To request an appointment online, go to our website at kp.org.

Urgent Care

An Urgent Care need is one that requires prompt medical attention but is not an Emergency Medical Condition. If

you think you may need Urgent Care, call the appropriate appointment or advice phone number at a Plan Facility. For phone numbers, refer to our Provider Directory or call our Member Service Contact Center.

For information about Out-of-Area Urgent Care, refer to “Urgent Care” in the “Emergency Services and Urgent Care” section.

Not Sure What Kind of Care You Need?

Sometimes it’s difficult to know what kind of care you need, so we have licensed health care professionals available to assist you by phone 24 hours a day, seven days a week. Here are some of the ways they can help you:

- They can answer questions about a health concern, and instruct you on self-care at home if appropriate
- They can advise you about whether you should get medical care, and how and where to get care (for example, if you are not sure whether your condition is an Emergency Medical Condition, they can help you decide whether you need Emergency Services or Urgent Care, and how and where to get that care)
- They can tell you what to do if you need care and a Plan Medical Office is closed or you are outside your Home Region Service Area

You can reach one of these licensed health care professionals by calling the appointment or advice phone number (for phone numbers, refer to our Provider Directory or call our Member Service Contact Center). When you call, a trained support person may ask you questions to help determine how to direct your call.

Your Personal Plan Physician

Personal Plan Physicians provide primary care and play an important role in coordinating care, including hospital stays and referrals to specialists.

We encourage you to choose a personal Plan Physician. You may choose any available personal Plan Physician. Parents may choose a pediatrician as the personal Plan Physician for their child. Most personal Plan Physicians are Primary Care Physicians (generalists in internal medicine, pediatrics, or family practice, or specialists in obstetrics/gynecology whom the Medical Group designates as Primary Care Physicians). Some specialists who are not designated as Primary Care Physicians but who also provide primary care may be available as personal Plan Physicians. For example, some specialists in internal medicine and obstetrics/gynecology who are

not designated as Primary Care Physicians may be available as personal Plan Physicians. However, if you choose a specialist who is not designated as a Primary Care Physician as your personal Plan Physician, the Copayments or Coinsurance for a Physician Specialist Visit will apply to all visits with the specialist except for routine preventive visits listed under “Preventive Services” in the “Benefits” section.

To learn how to select or change to a different personal Plan Physician, visit our website at kp.org or call our Member Service Contact Center. Refer to our Provider Directory for a list of physicians that are available as Primary Care Physicians. The directory is updated periodically. The availability of Primary Care Physicians may change. If you have questions, please call our Member Service Contact Center. You can change your personal Plan Physician at any time for any reason.

Getting a Referral

Referrals to Plan Providers

A Plan Physician must refer you before you can receive care from specialists, such as specialists in surgery, orthopedics, cardiology, oncology, dermatology, and physical, occupational, and speech therapies. Also, a Plan Physician must refer you before you can get care from Qualified Autism Service Providers covered under “Behavioral Health Treatment for Autism Spectrum Disorder” in the “Benefits” section. However, you do not need a referral or prior authorization to receive most care from any of the following Plan Providers:

- Your personal Plan Physician
- Generalists in internal medicine, pediatrics, and family practice
- Specialists in optometry, mental health Services, substance use disorder treatment, and obstetrics/gynecology

A Plan Physician must refer you before you can get care from a specialist in urology except that you do not need a referral to receive Services related to sexual or reproductive health, such as a vasectomy.

A Plan Physician must refer you before you can receive certain transgender Services. In evaluating medical necessity for transgender Services, we take into account the Standards of Care of the World Professional Association for Transgender Health and other generally accepted clinical standards, as well as California Health and Safety Code Section 1367.63 relating to reconstructive surgery.

Although a referral or prior authorization is not required to receive most care from these providers, a referral may be required in the following situations:

- The provider may have to get prior authorization for certain Services in accord with “Medical Group authorization procedure for certain referrals” in this “Getting a Referral” section
- The provider may have to refer you to a specialist who has a clinical background related to your illness or condition

Standing referrals

If a Plan Physician refers you to a specialist, the referral will be for a specific treatment plan. Your treatment plan may include a standing referral if ongoing care from the specialist is prescribed. For example, if you have a life-threatening, degenerative, or disabling condition, you can get a standing referral to a specialist if ongoing care from the specialist is required.

Medical Group authorization procedure for certain referrals

The following are examples of Services that require prior authorization by the Medical Group for the Services to be covered (“prior authorization” means that the Medical Group must approve the Services in advance):

- Durable medical equipment
- Ostomy and urological supplies
- Services not available from Plan Providers
- Transplants

Utilization Management (“UM”) is a process that determines whether a Service recommended by your treating provider is Medically Necessary for you. Prior authorization is a UM process that determines whether the requested services are Medically Necessary before care is provided. If it is Medically Necessary, then you will receive authorization to obtain that care in a clinically appropriate place consistent with the terms of your health coverage. Decisions regarding requests for authorization will be made only by licensed physicians or other appropriately licensed medical professionals.

For the complete list of Services that require prior authorization, and the criteria that are used to make authorization decisions, please visit our website at kp.org/UM or call our Member Service Contact Center to request a printed copy.

Refer to “Post-Stabilization Care” under “Emergency Services” in the “Emergency Services and Urgent Care” section for authorization requirements that apply to Post-Stabilization Care from Non-Plan Providers.

Additional information about prior authorization for durable medical equipment and ostomy and urological supplies

The prior authorization process for durable medical equipment and ostomy and urological supplies includes the use of formulary guidelines. These guidelines were developed by a multidisciplinary clinical and operational work group with review and input from Plan Physicians and medical professionals with clinical expertise. The formulary guidelines are periodically updated to keep pace with changes in medical technology and clinical practice.

If your Plan Physician prescribes one of these items, they will submit a written referral in accord with the UM process described in this “Medical Group authorization procedure for certain referrals” section. If the formulary guidelines do not specify that the prescribed item is appropriate for your medical condition, the referral will be submitted to the Medical Group’s designee Plan Physician, who will make an authorization decision as described under “Medical Group’s decision time frames” in this “Medical Group authorization procedure for certain referrals” section.

Medical Group’s decision time frames

The applicable Medical Group designee will make the authorization decision within the time frame appropriate for your condition, but no later than five business days after receiving all of the information (including additional examination and test results) reasonably necessary to make the decision, except that decisions about urgent Services will be made no later than 72 hours after receipt of the information reasonably necessary to make the decision. If the Medical Group needs more time to make the decision because it doesn’t have information reasonably necessary to make the decision, or because it has requested consultation by a particular specialist, you and your treating physician will be informed about the additional information, testing, or specialist that is needed, and the date that the Medical Group expects to make a decision.

Your treating physician will be informed of the decision within 24 hours after the decision is made. If the Services are authorized, your physician will be informed of the scope of the authorized Services. If the Medical Group does not authorize all of the Services, Health Plan will send you a written decision and explanation within two business days after the decision is made. Any written criteria that the Medical Group uses to make the decision to authorize, modify, delay, or deny the request for authorization will be made available to you upon request.

If the Medical Group does not authorize all of the Services requested and you want to appeal the decision, you can file a grievance as described under “Grievances” in the “Dispute Resolution” section.

For these referral Services, you pay the Copayments or Coinsurance required for Services provided by a Plan Provider as described in this *EOC*.

Travel and lodging for certain referrals

The following are examples of when we will arrange or provide reimbursement for certain travel and lodging expenses in accord with our Travel and Lodging Program Description:

- If Medical Group refers you to a provider that is more than 50 miles from where you live for certain specialty Services such as bariatric surgery, complex thoracic surgery, transplant nephrectomy, or inpatient chemotherapy for leukemia and lymphoma
- If Medical Group refers you to a provider that is outside your Home Region Service Area for certain specialty Services such as a transplant or transgender surgery

For the complete list of specialty Services for which we will arrange or provide reimbursement for travel and lodging expenses, the amount of reimbursement, limitations and exclusions, and how to request reimbursement, refer to the Travel and Lodging Program Description. The Travel and Lodging Program Description is available online at kp.org/specialty-care/travel-reimbursements or by calling our Member Service Contact Center.

Completion of Services from Non-Plan Providers

New Member

If you are currently receiving Services from a Non-Plan Provider in one of the cases listed below under “Eligibility” and your prior plan’s coverage of the provider’s Services has ended or will end when your coverage with us becomes effective, you may be eligible for limited coverage of that Non-Plan Provider’s Services.

Terminated provider

If you are currently receiving covered Services in one of the cases listed below under “Eligibility” from a Plan Hospital or a Plan Physician (or certain other providers) when our contract with the provider ends (for reasons other than medical disciplinary cause or criminal activity), you may be eligible for limited coverage of that terminated provider’s Services.

Eligibility

The cases that are subject to this completion of Services provision are:

- Acute conditions, which are medical conditions that involve a sudden onset of symptoms due to an illness, injury, or other medical problem that requires prompt medical attention and has a limited duration. We may cover these Services until the acute condition ends
- Serious chronic conditions until the earlier of (1) 12 months from your effective date of coverage if you are a new Member, (2) 12 months from the termination date of the terminated provider, or (3) the first day after a course of treatment is complete when it would be safe to transfer your care to a Plan Provider, as determined by Kaiser Permanente after consultation with the Member and Non-Plan Provider and consistent with good professional practice. Serious chronic conditions are illnesses or other medical conditions that are serious, if one of the following is true about the condition:
 - ◆ it persists without full cure
 - ◆ it worsens over an extended period of time
 - ◆ it requires ongoing treatment to maintain remission or prevent deterioration
- Pregnancy and immediate postpartum care. We may cover these Services for the duration of the pregnancy and immediate postpartum care
- Mental health conditions in pregnant Members that occur, or can impact the Member, during pregnancy or during the postpartum period including, but not limited to, postpartum depression. We may cover completion of these Services for up to 12 months from the mental health diagnosis or from the end of pregnancy, whichever occurs later
- Terminal illnesses, which are incurable or irreversible illnesses that have a high probability of causing death within a year or less. We may cover completion of these Services for the duration of the illness
- Children under age 3. We may cover completion of these Services until the earlier of (1) 12 months from the child's effective date of coverage if the child is a new Member, (2) 12 months from the termination date of the terminated provider, or (3) the child's third birthday
- Surgery or another procedure that is documented as part of a course of treatment and has been recommended and documented by the provider to occur within 180 days of your effective date of coverage if you are a new Member or within 180 days of the termination date of the terminated provider

To qualify for this completion of Services coverage, all of the following requirements must be met:

- Your Health Plan coverage is in effect on the date you receive the Services
- For new Members, your prior plan's coverage of the provider's Services has ended or will end when your coverage with us becomes effective
- You are receiving Services in one of the cases listed above from a Non-Plan Provider on your effective date of coverage if you are a new Member, or from the terminated Plan Provider on the provider's termination date
- For new Members, when you enrolled in Health Plan, you did not have the option to continue with your previous health plan or to choose another plan (including an out-of-network option) that would cover the Services of your current Non-Plan Provider
- The provider agrees to our standard contractual terms and conditions, such as conditions pertaining to payment and to providing Services inside your Home Region Service Area (the requirement that the provider agree to providing Services inside your Home Region Service Area doesn't apply if you were receiving covered Services from the provider outside the Service Area when the provider's contract terminated)
- The Services to be provided to you would be covered Services under this *EOC* if provided by a Plan Provider
- You request completion of Services within 30 days (or as soon as reasonably possible) from your effective date of coverage if you are a new Member or from the termination date of the Plan Provider

For completion of Services, you pay the Copayments or Coinsurance required for Services provided by a Plan Provider as described in this *EOC*.

More information

For more information about this provision, or to request the Services or a copy of our "Completion of Covered Services" policy, please call our Member Service Contact Center.

Second Opinions

If you want a second opinion, you can ask Member Services to help you arrange one with a Plan Physician who is an appropriately qualified medical professional for your condition. If there isn't a Plan Physician who is an appropriately qualified medical professional for your condition, Member Services will help you arrange a

consultation with a Non-Plan Physician for a second opinion. For purposes of this “Second Opinions” provision, an “appropriately qualified medical professional” is a physician who is acting within their scope of practice and who possesses a clinical background, including training and expertise, related to the illness or condition associated with the request for a second medical opinion.

Here are some examples of when a second opinion may be provided or authorized:

- Your Plan Physician has recommended a procedure and you are unsure about whether the procedure is reasonable or necessary
- You question a diagnosis or plan of care for a condition that threatens substantial impairment or loss of life, limb, or bodily functions
- The clinical indications are not clear or are complex and confusing
- A diagnosis is in doubt due to conflicting test results
- The Plan Physician is unable to diagnose the condition
- The treatment plan in progress is not improving your medical condition within an appropriate period of time, given the diagnosis and plan of care
- You have concerns about the diagnosis or plan of care

An authorization or denial of your request for a second opinion will be provided in an expeditious manner, as appropriate for your condition. If your request for a second opinion is denied, you will be notified in writing of the reasons for the denial and of your right to file a grievance as described under “Grievances” in the “Dispute Resolution” section.

For these referral Services, you pay the Copayments or Coinsurance required for Services provided by a Plan Provider as described in this *EOC*.

Contracts with Plan Providers

How Plan Providers are paid

Health Plan and Plan Providers are independent contractors. Plan Providers are paid in a number of ways, such as salary, capitation, per diem rates, case rates, fee for service, and incentive payments. To learn more about how Plan Physicians are paid to provide or arrange medical and hospital care for Members, please visit our website at kp.org or call our Member Service Contact Center.

Financial liability

Our contracts with Plan Providers provide that you are not liable for any amounts we owe. However, you may have to pay the full price of noncovered Services you obtain from Plan Providers or Non-Plan Providers.

When you are referred to a Plan Provider for covered Services, you pay the Copayments or Coinsurance required for Services from that provider as described in this *EOC*.

Termination of a Plan Provider’s contract

If our contract with any Plan Provider terminates while you are under the care of that provider, we will retain financial responsibility for the covered Services you receive from that provider until we make arrangements for the Services to be provided by another Plan Provider and notify you of the arrangements. You may be eligible to receive Services from a terminated provider; refer to “Completion of Services from Non-Plan Providers” under “Getting a Referral” in this “How to Obtain Services” section.

Provider groups and hospitals

If you are assigned to a provider group or hospital whose contract with us terminates, or if you live within 15 miles of a hospital whose contract with us terminates, we will give you written notice at least 60 days before the termination (or as soon as reasonably possible).

Receiving Care Outside of Your Home Region

If you have questions about your coverage when you are away from home, call the Away from Home Travel Line at **1-951-268-3900** 24 hours a day, seven days a week (except closed holidays). For example, call this number for the following concerns:

- What you should do to prepare for your trip
- What Services are covered when you are outside your Home Region Service Area
- How to get care in another Region
- How to request reimbursement if you paid for covered Services outside your Home Region Service Area

You can also get information on our website at kp.org/travel.

Receiving care in the Service Area of another Region

If you are visiting in the service area of another Region, you may receive Visiting Member Services from

designated providers in that Region. “Visiting Member Services” are Services that are covered under your Home Region plan that you receive in another Region, subject to exclusions, limitations, prior authorization or approval requirements, and reductions described in this *EOC* or the Visiting Member Brochure, which is available online at kp.org. Certain Services are not covered as Visiting Member Services. For more information about receiving Visiting Member Services in another Region, including provider and facility locations, or to obtain a copy of the Visiting Member Brochure, please call our Away from Home Travel Line at **1-951-268-3900** 24 hours a day, seven days a week (except closed holidays). Information is also available online at kp.org/travel.

For Visiting Member Services, you pay the Copayments or Coinsurance required for Services provided by a Plan Provider inside your Home Region Service Area as described in this *EOC*.

Receiving care outside of any Region

If you are traveling outside of a Kaiser Permanente Region, we cover Emergency Services and Urgent Care as described in the “Emergency Services and Urgent Care” section.

Your ID Card

Each Member’s Kaiser Permanente ID card has a medical record number on it, which you will need when you call for advice, make an appointment, or go to a provider for covered care. When you get care, please bring your ID card and a photo ID. Your medical record number is used to identify your medical records and membership information. Your medical record number should never change. Please call our Member Service Contact Center if we ever inadvertently issue you more than one medical record number or if you need to replace your ID card.

Your ID card is for identification only. To receive covered Services, you must be a current Member. Anyone who is not a Member will be billed as a non-Member for any Services they receive. If you let someone else use your ID card, we will submit the matter to CalPERS for appropriate action as described under “Termination for Cause” in the “Termination of Membership” section.

Timely Access to Care

Standards for appointment availability

The California Department of Managed Health Care (“DMHC”) developed the following standards for

appointment availability. This information can help you know what to expect when you request an appointment.

- Urgent care appointment: within 48 hours
- Routine (non-urgent) primary care appointment (including adult/internal medicine, pediatrics, and family medicine): within 10 business days
- Routine (non-urgent) specialty care appointment with a physician: within 15 business days
- Routine (non-urgent) mental health care or substance use disorder treatment appointment with a practitioner other than a physician: within 10 business days
- Follow-up (non-urgent) mental health care or substance use disorder treatment appointment with a practitioner other than a physician, for those undergoing a course of treatment for an ongoing mental health or substance use disorder condition: within 10 business days

If you prefer to wait for a later appointment that will better fit your schedule or to see the Plan Provider of your choice, we will respect your preference. In some cases, your wait may be longer than the time listed if a licensed health care professional decides that a later appointment won’t have a negative effect on your health.

The standards for appointment availability do not apply to Preventive Services. Your Plan Provider may recommend a specific schedule for Preventive Services, depending on your needs. Except as specified above for mental health care and substance use disorder treatment, the standards also do not apply to periodic follow-up care for ongoing conditions or standing referrals to specialists.

Timely access to telephone assistance

DMHC developed the following standards for answering telephone questions:

- For telephone advice about whether you need to get care and where to get care: within 30 minutes, 24 hours a day, seven days a week
- For general questions: within 10 minutes during normal business hours

Interpreter services

If you need interpreter services when you call us or when you get covered Services, please let us know. Interpreter services, including sign language, are available during all business hours at no cost to you. For more information on the interpreter services we offer, please call our Member Service Contact Center.

Getting Assistance

We want you to be satisfied with the health care you receive from Kaiser Permanente. If you have any questions or concerns, please discuss them with your personal Plan Physician or with other Plan Providers who are treating you. They are committed to your satisfaction and want to help you with your questions.

Copayments or Coinsurance estimates

For information about estimates, see “Getting an estimate of your Copayments or Coinsurance” under “Your Copayments or Coinsurance” in the “Benefits” section.

Plan Facilities

Plan Medical Offices and Plan Hospitals are listed in the Provider Directory for your Home Region. The directory describes the types of covered Services that are available from each Plan Facility, because some facilities provide only specific types of covered Services. This directory is available on our website at kp.org/facilities. To obtain a

printed copy, call our Member Service Contact Center. The directory is updated periodically. The availability of Plan Facilities may change. If you have questions, please call our Member Service Contact Center.

At most of our Plan Facilities, you can usually receive all of the covered Services you need, including specialty care, pharmacy, and lab work. You are not restricted to a particular Plan Facility, and we encourage you to use the facility that will be most convenient for you:

- All Plan Hospitals provide inpatient Services and are open 24 hours a day, seven days a week
- Emergency Services are available from Plan Hospital Emergency Departments (for Emergency Department locations, refer to our Provider Directory or call our Member Service Contact Center)
- Same-day Urgent Care appointments are available at many locations (for Urgent Care locations, refer to our Provider Directory or call our Member Service Contact Center)
- Many Plan Medical Offices have evening and weekend appointments
- Many Plan Facilities have a Member Services Department (for locations, refer to our Provider Directory or call our Member Service Contact Center)

Note: State law requires evidence of coverage documents to include the following notice:

Some hospitals and other providers do not provide one or more of the following services that may be covered under your plan contract and that you or your family member might need: family planning; contraceptive services, including emergency contraception; sterilization, including tubal ligation at the time of labor and delivery; infertility treatments; or abortion. You should obtain more information before you enroll. Call your prospective doctor, medical group, independent practice association, or clinic, or call the Kaiser Permanente Member Service Contact Center, to ensure that you can obtain the health care services that you need.

Please be aware that if a Service is covered but not available at a particular Plan Facility, we will make it available to you at another facility.

Emergency Services and Urgent Care

Emergency Services

If you have an Emergency Medical Condition, call 911 (where available) or go to the nearest hospital Emergency Department. You do not need prior authorization for Emergency Services. When you have an Emergency Medical Condition, we cover Emergency Services you receive from Plan Providers or Non-Plan Providers anywhere in the world.

Emergency Services are available from Plan Hospital Emergency Departments 24 hours a day, seven days a week.

Post-Stabilization Care

Post-Stabilization Care is Medically Necessary Services related to your Emergency Medical Condition that you receive in a hospital (including the Emergency Department) after your treating physician determines that this condition is Stabilized. Post-Stabilization Care also includes durable medical equipment covered under this *EOC*, if it is Medically Necessary after discharge from a hospital, and related to the same Emergency Medical Condition. For more information about durable medical equipment covered under this *EOC*, see “Durable Medical Equipment (“DME”) for Home Use” in the “Benefits” section. We cover Post-Stabilization Care from a Non-Plan Provider only if we provide prior authorization for the care or if otherwise required by applicable law (“prior authorization” means that we must approve the Services in advance).

To request prior authorization, the Non-Plan Provider must call **1-800-225-8883** or the notification phone number on your Kaiser Permanente ID card *before* you receive the care. We will discuss your condition with the Non-Plan Provider. If we determine that you require Post-Stabilization Care and that this care is part of your covered benefits, we will authorize your care from the Non-Plan Provider or arrange to have a Plan Provider (or other designated provider) provide the care. If we decide to have a Plan Hospital, Plan Skilled Nursing Facility, or designated Non-Plan Provider provide your care, we may authorize special transportation services that are medically required to get you to the provider. This may include transportation that is otherwise not covered.

Be sure to ask the Non-Plan Provider to tell you what care (including any transportation) we have authorized because we will not cover Post-Stabilization Care or related transportation provided by Non-Plan Providers

that has not been authorized. If you receive care from a Non-Plan Provider that we have not authorized, you may have to pay the full cost of that care. If you are admitted to a Non-Plan Hospital, please notify us as soon as possible by calling **1-800-225-8883** or the notification phone number on your ID card.

Your Copayments or Coinsurance

Your Copayments or Coinsurance for covered Emergency Services and Post-Stabilization Care is described in the “Copayments or Coinsurance Summary” section of this *EOC*. Your Copayments or Coinsurance is the same whether you receive the Services from a Plan Provider or a Non-Plan Provider. For example:

- If you receive Emergency Services in the Emergency Department of a Non-Plan Hospital, you pay the Copayments or Coinsurance for an Emergency Department visit as described in the “Copayments or Coinsurance Summary” under “Emergency and Urgent Care visits”
- If we gave prior authorization for inpatient Post-Stabilization Care in a Non-Plan Hospital, you pay the Copayments or Coinsurance for hospital inpatient care as described in the “Copayments or Coinsurance Summary” under “Hospital inpatient care”
- If we gave prior authorization for durable medical equipment after discharge from a Non-Plan Hospital, you pay the Copayments or Coinsurance for durable medical equipment as described in the “Copayments or Coinsurance Summary” under “Durable Medical Equipment (“DME”) for home use”

Urgent Care

Inside the Service Area

An Urgent Care need is one that requires prompt medical attention but is not an Emergency Medical Condition. If you think you may need Urgent Care, call the appropriate appointment or advice phone number at a Plan Facility. For appointment and advice phone numbers, refer to our Provider Directory or call our Member Service Contact Center.

Out-of-Area Urgent Care

If you need Urgent Care due to an unforeseen illness, unforeseen injury, or unforeseen complication of an existing condition (including pregnancy), we cover Medically Necessary Services to prevent serious deterioration of your (or your unborn child’s) health from a Non-Plan Provider if all of the following are true:

- You receive the Services from Non-Plan Providers while you are temporarily outside your Home Region Service Area

- A reasonable person would have believed that your (or your unborn child’s) health would seriously deteriorate if you delayed treatment until you returned to your Home Region Service Area

You do not need prior authorization for Out-of-Area Urgent Care. We cover Out-of-Area Urgent Care you receive from Non-Plan Providers if the Services would have been covered under this *EOC* if you had received them from Plan Providers.

To obtain follow-up care from a Plan Provider, call the appointment or advice phone number at a Plan Facility. For phone numbers, refer to our Provider Directory or call our Member Service Contact Center. We do not cover follow-up care from Non-Plan Providers after you no longer need Urgent Care, except for durable medical equipment covered under this *EOC*. For more information about durable medical equipment covered under this *EOC*, see “Durable Medical Equipment (“DME”) for Home Use” in the “Benefits” section. If you require durable medical equipment related to your Urgent Care after receiving Out-of-Area Urgent Care, your provider must obtain prior authorization as described under “Getting a Referral” in the “How to Obtain Services” section.

Your Copayments or Coinsurance

Your Copayments or Coinsurance for covered Urgent Care is the Copayments or Coinsurance required for Services provided by Plan Providers as described in the “Copayments or Coinsurance Summary” section of this *EOC*. For example:

- If you receive an Urgent Care evaluation as part of covered Out-of-Area Urgent Care from a Non-Plan Provider, you pay the Copayments or Coinsurance for Urgent Care consultations, evaluations, and treatment as described in the “Copayments or Coinsurance Summary” under “Emergency and Urgent Care visits”
- If the Out-of-Area Urgent Care you receive includes an X-ray, you pay the Copayments or Coinsurance for an X-ray as described in the “Copayments or Coinsurance Summary” under “Outpatient imaging, laboratory, and other diagnostic and treatment Services,” in addition to the Copayments or Coinsurance for the Urgent Care evaluation
- If we gave prior authorization for durable medical equipment provided as part of Out-of-Area Urgent Care, you pay the Copayments or Coinsurance for durable medical equipment as described in the “Copayments or Coinsurance Summary” under “Durable Medical Equipment (“DME”) for home use”

Note: If you receive Urgent Care in an Emergency Department, you pay the Copayments or Coinsurance for an Emergency Department visit as described in the “Copayments or Coinsurance Summary” under “Emergency and Urgent Care visits.”

Payment and Reimbursement

If you receive Emergency Services, Post-Stabilization Care, or Out-of-Area Urgent Care from a Non-Plan Provider as described in this “Emergency Services and Urgent Care” section, or emergency ambulance Services described under “Ambulance Services” in the “Benefits” section, you are not responsible for any amounts beyond your Copayments or Coinsurance for covered Emergency Services. However, if the provider does not agree to bill us, you may have to pay for the Services and file a claim for reimbursement. Also, you may be required to pay and file a claim for any Services prescribed by a Non-Plan Provider as part of covered Emergency Services, Post-Stabilization Care, and Out-of-Area Urgent Care even if you receive the Services from a Plan Provider, such as a Plan Pharmacy.

For information on how to file a claim, please see the “Post-Service Claims and Appeals” section.

- The Medical Group has given prior authorization for the Services, if required, as described under “Medical Group authorization procedure for certain referrals” in the “How to Obtain Services” section

Please also refer to:

- The “Emergency Services and Urgent Care” section for information about how to obtain covered Emergency Services, Post-Stabilization Care, and Out-of-Area Urgent Care
- Our Provider Directory for the types of covered Services that are available from each Plan Facility, because some facilities provide only specific types of covered Services

Your Copayments and Coinsurance

Copayments and Coinsurance are the amount you are required to pay for covered Services.

Refer to the “Copayments or Coinsurance Summary” section of this *EOC* for the amount you will pay for Services.

General rules, examples, and exceptions

Your Copayments or Coinsurance for covered Services will be the Copayments or Coinsurance in effect on the date you receive the Services, except as follows:

- If you are receiving covered inpatient hospital or Skilled Nursing Facility Services on the effective date of this *EOC*, you pay the Copayments or Coinsurance in effect on your admission date until you are discharged if the Services were covered under your prior Health Plan evidence of coverage and there has been no break in coverage. However, if the Services were not covered under your prior Health Plan evidence of coverage, or if there has been a break in coverage, you pay the Copayments or Coinsurance in effect on the date you receive the Services
- For items ordered in advance, you pay the Copayments or Coinsurance in effect on the order date (although we will not cover the item unless you still have coverage for it on the date you receive it) and you may be required to pay the Copayments or Coinsurance when the item is ordered. For outpatient prescription drugs, the order date is the date that the pharmacy processes the order after receiving all of the information they need to fill the prescription

Copayments or Coinsurance for Services received by newborn children of a Member

During the 31 days of automatic coverage for newborn children, the parent or guardian of the newborn must pay

the Copayments or Coinsurance indicated in the “Copayments or Coinsurance Summary” section for any Services that the newborn receives, whether or not the newborn is enrolled.

Payment toward your Copayments or Coinsurance (and when you may be billed)

In most cases, your provider will ask you to make a payment toward your Copayments or Coinsurance at the time you receive Services. If you receive more than one type of Services (such as a routine physical maintenance exam and laboratory tests), you may be required to pay separate Copayments or Coinsurance for each of those Services. Keep in mind that your payment toward your Copayments or Coinsurance may cover only a portion of your total Copayments or Coinsurance for the Services you receive, and you will be billed for any additional amounts that are due. The following are examples of when you may be asked to pay (or you may be billed for) Copayments or Coinsurance amounts in addition to the amount you pay at check-in:

- You receive non-preventive Services during a preventive visit. For example, you go in for a routine physical maintenance exam, and at check-in you pay your Copayments or Coinsurance for the preventive exam (your Copayments or Coinsurance may be “no charge”). However, during your preventive exam your provider finds a problem with your health and orders non-preventive Services to diagnose your problem (such as laboratory tests). You may be asked to pay (or you will be billed for) your Copayments or Coinsurance for these additional non-preventive diagnostic Services
- You receive diagnostic Services during a treatment visit. For example, you go in for treatment of an existing health condition, and at check-in you pay your Copayments or Coinsurance for a treatment visit. However, during the visit your provider finds a new problem with your health and performs or orders diagnostic Services (such as laboratory tests). You may be asked to pay (or you will be billed for) your Copayments or Coinsurance for these additional diagnostic Services
- You receive treatment Services during a diagnostic visit. For example, you go in for a diagnostic exam, and at check-in you pay your Copayments or Coinsurance for a diagnostic exam. However, during the diagnostic exam your provider confirms a problem with your health and performs treatment Services (such as an outpatient procedure). You may be asked to pay (or you will be billed for) your Copayments or Coinsurance for these additional treatment Services

- You receive Services from a second provider during your visit. For example, you go in for a diagnostic exam, and at check-in you pay your Copayments or Coinsurance for a diagnostic exam. However, during the diagnostic exam your provider requests a consultation with a specialist. You may be asked to pay (or you will be billed for) your Copayments or Coinsurance for the consultation with the specialist

In some cases, your provider will not ask you to make a payment at the time you receive Services, and you will be billed for your Copayments or Coinsurance (for example, some Laboratory Departments are not able to collect Copayments or Coinsurance, or your Plan Provider is not able to collect Copayments or Coinsurance, if any, for Telehealth Visits you receive at home).

When we send you a bill, it will list Charges for the Services you received, payments and credits applied to your account, and any amounts you still owe. Your current bill may not always reflect your most recent Charges and payments. Any Charges and payments that are not on the current bill will appear on a future bill. Sometimes, you may see a payment but not the related Charges for Services. That could be because your payment was recorded before the Charges for the Services were processed. If so, the Charges will appear on a future bill. Also, you may receive more than one bill for a single outpatient visit or inpatient stay. For example, you may receive a bill for physician services and a separate bill for hospital services. If you don’t see all the Charges for Services on one bill, they will appear on a future bill. If we determine that you overpaid and are due a refund, then we will send a refund to you within four weeks after we make that determination. If you have questions about a bill, please call the phone number on the bill.

In some cases, a Non-Plan Provider may be involved in the provision of covered Services at a Plan Facility or a contracted facility where we have authorized you to receive care. You are not responsible for any amounts beyond your Copayments or Coinsurance for the covered Services you receive at Plan Facilities or at contracted facilities where we have authorized you to receive care. However, if the provider does not agree to bill us, you may have to pay for the Services and file a claim for reimbursement. For information on how to file a claim, please see the “Post-Service Claims and Appeals” section.

Primary Care Visits, Non-Physician Specialist Visits, and Physician Specialist Visits

The Copayments or Coinsurance for a Primary Care Visit applies to evaluations and treatment provided by generalists in internal medicine, pediatrics, or family practice, and by specialists in obstetrics/gynecology whom the Medical Group designates as Primary Care Physicians. Some physician specialists provide primary care in addition to specialty care but are not designated as Primary Care Physicians. If you receive Services from one of these specialists, the Copayments or Coinsurance for a Physician Specialist Visit will apply to all consultations, evaluations, and treatment provided by the specialist except for routine preventive counseling and exams listed under “Preventive Services” in this “Benefits” section. For example, if your personal Plan Physician is a specialist in internal medicine or obstetrics/gynecology who is not a Primary Care Physician, you will pay the Copayments or Coinsurance for a Physician Specialist Visit for all consultations, evaluations, and treatment by the specialist except routine preventive counseling and exams listed under “Preventive Services” in this “Benefits” section. The Non-Physician Specialist Visit Copayments or Coinsurance applies to consultations, evaluations, and treatment provided by non-physician specialists (such as nurse practitioners, physician assistants, optometrists, podiatrists, and audiologists).

Noncovered Services

If you receive Services that are not covered under this *EOC*, you may have to pay the full price of those Services. Payments you make for noncovered Services do not apply to any deductible or out-of-pocket maximum.

Benefit limits

Some benefits may include a limit on the number of visits, days, or dollar amount that will be covered under your plan during a specified time period. If a benefit includes a limit, this will be indicated in the “Copayments or Coinsurance Summary” section of this *EOC*. The time period associated with a benefit limit may not be the same as the term of this *EOC*. We will count all Services you receive during the benefit limit period toward the benefit limit, including Services you received under a prior Health Plan *EOC* (as long as you have continuous coverage with Health Plan). Note: We will not count Services you received under a prior Health Plan *EOC* when you first enroll in individual plan coverage or a new employer group’s plan, when you move from group to individual plan coverage (or vice versa), or when you received Services under a Kaiser Permanente Senior Advantage evidence of coverage. If you are enrolled in the Kaiser Permanente POS Plan,

refer to your KPIC *Certificate of Insurance* and *Schedule of Coverage* for benefit limits that apply to your separate indemnity coverage provided by the Kaiser Permanente Insurance Company (“KPIC”).

Getting an estimate of your Copayments or Coinsurance

If you have questions about the Copayments or Coinsurance for specific Services that you expect to receive or that your provider orders during a visit or procedure, please visit our website at kp.org/memberestimates to use our cost estimate tool or call our Member Service Contact Center.

Copayments or Coinsurance estimates are based on your benefits and the Services you expect to receive. They are a prediction of cost and not a guarantee of the final cost of Services. Your final cost may be higher or lower than the estimate since not everything about your care can be known in advance.

Copayments and Coinsurance

The Copayment or Coinsurance you must pay for each covered Service, after you meet any applicable deductible, is described in this *EOC*.

Note: If Charges for Services are less than the Copayment described in this *EOC*, you will pay the lesser amount, subject to any applicable deductible or out-of-pocket maximum.

Drug out-of-Pocket Maximum

Refer to the “Copayments or Coinsurance Summary” section for Services that are subject to the outpatient prescription drug maximum and the applicable Drug Out-of-Pocket Maximum amounts.

Plan Out-of-Pocket Maximum

There is a limit to the total amount of Copayments or Coinsurance you must pay under this *EOC* in the Accumulation Period for covered Services that you receive in the same Accumulation Period. The Services that apply to the Plan Out-of-Pocket Maximum are described under the “Payments that count toward the Plan Out-of-Pocket Maximum” section below. Refer to the “Copayments or Coinsurance Summary” section of this *EOC* for your applicable Plan Out-of-Pocket Maximum amounts.

If you are a Member in a Family of two or more Members, you reach the Plan Out-of-Pocket Maximum either when you reach the maximum for any one Member, or when your Family reaches the Family maximum. For example, suppose you have reached the Plan Out-of-Pocket Maximum for any one Member. For

Services subject to the Plan Out-of-Pocket Maximum, you will not pay any more Copayments or Coinsurance during the remainder of the Accumulation Period, but every other Member in your Family must continue to pay Copayments or Coinsurance during the remainder of the Accumulation Period until either they reach the maximum for any one Member or your Family reaches the Family maximum.

Payments that count toward the Plan Out-of-Pocket Maximum

Most Copayments and Coinsurance you pay for covered Services apply to the maximum, however some may not. To find out whether Copayments or Coinsurance for a covered Service will apply to the maximum refer to the “Copayments or Coinsurance Summary” section of this *EOC*.

If your plan includes pediatric dental Services described in a Pediatric Dental Services Amendment to this *EOC*, those Services will apply toward the maximum. If your plan has a Pediatric Dental Services Amendment, it will be attached to this *EOC*, and it will be listed in the *EOC’s* Table of Contents.

Keeping track of the Plan Out-of-Pocket Maximum

When you receive Services, we will give you a receipt that shows how much you paid. To see how close you are to reaching your Plan Out-of-Pocket Maximum, use our online Out-of-Pocket Summary tool at kp.org/outofpocket or call our Member Service Contact Center.

If you receive emergency ambulance Services that are not ordered by a Plan Provider, you are not responsible for any amounts beyond your Copayments or Coinsurance for covered emergency ambulance Services. However, if the provider does not agree to bill us, you may have to pay for the Services and file a claim for reimbursement. For information on how to file a claim, please see the “Post-Service Claims and Appeals” section.

Inside your Home Region Service Area, we cover nonemergency ambulance and psychiatric transport van Services if a Plan Physician determines that your condition requires the use of Services that only a licensed ambulance (or psychiatric transport van) can provide and that the use of other means of transportation would endanger your health. These Services are covered only when the vehicle transports you to or from covered Services.

We cover outpatient drugs, supplies, and supplements specified in this “Outpatient Prescription Drugs, Supplies, and Supplements” section, in accord with our drug formulary guidelines, subject to any applicable exclusions or limitations under this *EOC*. We cover items described in this section when prescribed as follows:

- Items prescribed by Plan Providers, within the scope of their licensure and practice
- Items prescribed by the following Non–Plan Providers:

 - ◆ Non–Plan Physicians if the prescription was obtained as part of covered Emergency Services, Post-Stabilization Care, or Out-of-Area Urgent Care described in the “Emergency Services and Urgent Care” section (if you fill the prescription at a Plan Pharmacy, you may have to pay Charges for the item and file a claim for reimbursement as described under “Payment and Reimbursement” in the “Emergency Services and Urgent Care” section)

How to obtain covered items

You must obtain covered items at a Plan Pharmacy or through our mail-order service unless you obtain the item as part of covered Emergency Services, Post-Stabilization Care, or Out-of-Area Urgent Care described in the “Emergency Services and Urgent Care” section.

For the locations of Plan Pharmacies, refer to our Provider Directory or call our Member Service Contact Center.

Refills

You may be able to order refills at a Plan Pharmacy, through our mail-order service, or through our website at kp.org/rxrefill. A Plan Pharmacy can give you more information about obtaining refills, including the options available to you for obtaining refills. For example, a few Plan Pharmacies don’t dispense refills and not all drugs can be mailed through our mail-order service. Please check with a Plan Pharmacy if you have a question about whether your prescription can be mailed or obtained at a Plan Pharmacy. Items available through our mail-order service are subject to change at any time without notice.

Day supply limit

The prescribing physician or dentist determines how much of a drug, supply, item or supplement to prescribe. For purposes of day supply coverage limits, Plan Physicians determine the amount of an item that constitutes a Medically Necessary 30- or 100-day supply (or 365-day supply if the item is a hormonal contraceptive) for you. Upon payment of the Copayments or Coinsurance specified in the “Outpatient prescription drugs, supplies, and supplements” section of the “Copayments or Coinsurance Summary,” you will receive the supply prescribed up to the day supply limit also specified in this section. The maximum you may receive at one time of a covered item, other than a hormonal contraceptive, is either one 30-day supply in a 30-day period or one 100-day supply in a 100-day period. If you wish to receive more than the covered day supply limit, then you must pay Charges for any prescribed quantities that exceed the day supply limit.

If your plan includes coverage for hormonal contraceptives, the maximum you may receive at one time of contraceptive drugs is a 365-day supply. Refer to the “Copayments or Coinsurance Summary” section of this *EOC* to find out if your plan includes coverage for hormonal contraceptives.

If your plan includes coverage for sexual dysfunction drugs, the maximum you may receive at one time of episodic drugs prescribed for the treatment of sexual dysfunction disorders is eight doses in any 30-day period or up to 27 doses in any 100-day period. Refer to the “Copayments or Coinsurance Summary” section of this *EOC* to find out if your plan includes coverage for sexual dysfunction drugs.

The pharmacy may reduce the day supply dispensed at the Copayments or Coinsurance specified in the “Outpatient prescription drugs, supplies, and supplements” section of the “Copayments or Coinsurance Summary” to a 30-day supply in any 30-day period if the pharmacy determines that the item is in

limited supply in the market or for specific drugs (your Plan Pharmacy can tell you if a drug you take is one of these drugs).

About the drug formulary

The drug formulary includes a list of drugs that our Pharmacy and Therapeutics Committee has approved for our Members. Our Pharmacy and Therapeutics Committee, which is primarily composed of Plan Physicians and pharmacists, selects drugs for the drug formulary based on several factors, including safety and effectiveness as determined from a review of medical literature. The drug formulary is updated monthly based on new information or new drugs that become available. To find out which drugs are on the formulary for your plan, please visit our website at kp.org/formulary. If you would like to request a copy of the drug formulary for your plan, please call our Member Service Contact Center. Note: The presence of a drug on the drug formulary does not necessarily mean that it will be prescribed for a particular medical condition.

Formulary exception process

Drug formulary guidelines allow you to obtain a non-formulary prescription drug (those not listed on our drug formulary for your condition) if it would otherwise be covered by your plan, as described above, and it is Medically Necessary. If you disagree with a Health Plan determination that a non-formulary prescription drug is not covered, you may file a grievance as described in the “Dispute Resolution” section.

Continuity drugs

If this EOC is amended to exclude a drug that we have been covering and providing to you under this EOC, we will continue to provide the drug if a prescription is required by law and a Plan Physician continues to prescribe the drug for the same condition and for a use approved by the Federal Food and Drug Administration.

About drug tiers

Drugs on the drug formulary are categorized into one of three tiers, as described in the table below. Your Copayments or Coinsurance for covered items may vary based on the tier. Refer to “Outpatient prescription drugs, supplies, and supplements” in the “Copayments or Coinsurance Summary” section of this EOC for Copayments or Coinsurance for items covered under this section.

Drug Tier	Description
Generic drugs (Tier 1)	Generic drugs, supplies and supplements, and some low-cost brand-name drugs, supplies, and supplements
Brand drugs (Tier 2)*	Most brand-name drugs, supplies, and supplements
Specialty drugs (Tier 4)	Specialty drugs (see “About specialty drugs”)

*Note: This plan does not have a tier for non-formulary drugs (“Tier 3”). You will pay the same Copayments or Coinsurance for non-formulary drugs as you would for formulary drugs, when approved through the formulary exception process described above (the generic drugs, brand drugs, or specialty drugs Copayments or Coinsurance will apply, as applicable).

About specialty drugs

Specialty drugs (Tier 4) are high-cost drugs that are on our specialty drug list. To obtain a list of specialty drugs that are on our formulary, or to find out if a non-formulary drug is on the specialty drugs tier, please call our Member Service Contact Center. If your Plan Physician prescribes more than a 30-day supply for an outpatient drug, you may be able to obtain more than a 30-day supply at one time, up to the day supply limit for that drug. However, most specialty drugs are limited to a 30-day supply in any 30-day period. Your Plan Pharmacy can tell you if a drug you take is one of these drugs.

General rules about coverage and your Copayments or Coinsurance

We cover the following outpatient drugs, supplies, and supplements as described in this “Outpatient Prescription Drugs, Supplies, and Supplements” section:

- Drugs for which a prescription is required by law. We also cover certain drugs that do not require a prescription by law if they are listed on our drug formulary
- Disposable needles and syringes needed for injecting covered drugs and supplements
- Inhaler spacers needed to inhale covered drugs

Note:

- If Charges for the drug, supply, or supplement are less than the Copayment, you will pay the lesser amount,

subject to any applicable deductible or out-of-pocket maximum

- Items can change tier at any time, in accord with formulary guidelines, which may impact your Copayments or Coinsurance (for example, if a brand-name drug is added to the specialty drug list, you will pay the Copayments or Coinsurance that applies to drugs on the specialty drugs tier (Tier 4), not the Copayments or Coinsurance for drugs on the brand drugs tier (Tier 2))

Schedule II drugs

You or the prescribing provider can request that the pharmacy dispense less than the prescribed amount of a covered oral, solid dosage form of a Schedule II drug (your Plan Pharmacy can tell you if a drug you take is one of these drugs). Your Copayments or Coinsurance will be prorated based on the amount of the drug that is dispensed. If the pharmacy does not prorate your Copayments or Coinsurance, we will send you a refund for the difference.

Mail-order service

Prescription refills can be mailed within 7 to 10 days at no extra cost for standard U.S. postage. The appropriate Copayments or Coinsurance (according to your drug coverage) will apply and must be charged to a valid credit card.

You may request mail-order service in the following ways:

- To order online, visit kp.org/rxrefill (you can register for a secure account at kp.org/registernow) or use the KP app from your smartphone or other mobile device
- Call the pharmacy phone number highlighted on your prescription label and select the mail delivery option
- On your next visit to a Kaiser Permanente pharmacy, ask our staff how you can have your prescriptions mailed to you

Note: Not all drugs can be mailed; restrictions and limitations apply.

Manufacturer coupon program

For outpatient prescription drugs or items that are covered under this "Outpatient Prescription Drugs, Supplies, and Supplements" section and obtained at a Plan Pharmacy, you may be able to use approved manufacturer coupons as payment for the Cost Share that you owe, as allowed under Health Plan's coupon program. You will owe any additional amount if the coupon does not cover the entire amount of your Cost

Share for your prescription. When you use an approved coupon for payment of your Cost Share, the coupon amount and any additional payment that you make will accumulate to your out-of-pocket maximum. Refer to the "Cost Share Summary" section of this *EOC* to find your applicable out-of-pocket maximum amount and to learn which drugs and items apply to the maximum. Certain health plan coverages are not eligible for coupons. You can get more information regarding the Kaiser Permanente coupon program rules and limitations at kp.org/rxcoupons.

Drug Out-of-Pocket Maximum

There is a limit to the total amount of Copayments and Coinsurance you must pay under this *EOC* in any Accumulation Period for certain outpatient prescription drugs, supplies, and supplements that you receive in the same Accumulation Period. Refer to the "Copayments or Coinsurance Summary" section to find your Drug Out-of-Pocket Maximum amount and to learn which Services apply to the Drug Out-of-Pocket Maximum.

If you are a Member in a Family of two or more Members, you reach the Drug Out-of-Pocket Maximum either when you meet the maximum for any one Member, or when your Family reaches the Family maximum. For example, suppose you have reached the maximum for any one Member. For Services subject to the maximum, you will not pay any more Copayments or Coinsurance during the rest of the Accumulation Period, but every other Member in your Family must continue to pay Copayments or Coinsurance during the Accumulation Period until your Family reaches the maximum for the entire Family.

Payments that count toward the Drug Out-of-Pocket Maximum

Any Copayments and Coinsurance you pay for covered items under this "Outpatient Prescription Drugs, Supplies, and Supplements" section apply toward the drug maximum, except for the following:

- Drugs when prescribed for the treatment of infertility
- Insulin administration devices covered under "Diabetes urine-testing supplies and insulin-administration devices." These items apply to the Plan Out-of-Pocket Maximum.
- Amino acid-modified products used to treat congenital errors of amino acid metabolism. These items apply to the Plan Out-of-Pocket Maximum.

Keeping track of the Drug Out-of-Pocket Maximum

When you meet your Drug Out-of-Pocket Maximum, you will not have to pay any more Copayments or Coinsurance for covered outpatient prescription drugs,

supplies, and supplements that apply to the Drug Out-of-Pocket Maximum for the rest of the Accumulation Period.

If you receive any other covered Services that are not Preventive Services before, during, or after a visit that includes Preventive Services, you will pay the applicable Copayments or Coinsurance for those other Services. For example, if laboratory tests or imaging Services ordered during a preventive office visit are not Preventive Services, you will pay the applicable Copayments or Coinsurance for those Services.

When a Service is not covered, all Services related to the noncovered Service are excluded, except for Services we would otherwise cover to treat complications of the noncovered Service. For example, if you have a noncovered cosmetic surgery, we would not cover Services you receive in preparation for the surgery or for follow-up care. If you later suffer a life-threatening complication such as a serious infection, this exclusion would not apply and we would cover any Services that we would otherwise cover to treat that complication.

Surrogacy

Services for anyone in connection with a Surrogacy Arrangement, except for otherwise-covered Services provided to a Member who is a surrogate. A “Surrogacy Arrangement” is one in which a woman (the surrogate) agrees to become pregnant and to surrender the baby (or babies) to another person or persons who intend to raise

the child (or children), whether or not the woman receives payment for being a surrogate. Refer to “Surrogacy arrangements” under “Reductions” in this “Exclusions, Limitations, Coordination of Benefits, and Reductions” section for information about your obligations to us in connection with a Surrogacy Arrangement, including your obligations to reimburse us for any Services we cover and to provide information about anyone who may be financially responsible for Services the baby (or babies) receive.

Travel and lodging expenses

Travel and lodging expenses, except as described in our Travel and Lodging Program Description. The Travel and Lodging Program Description is available online at kp.org/specialty-care/travel-reimbursements or by calling our Member Service Contact Center.

Limitations

We will make a good faith effort to provide or arrange for covered Services within the remaining availability of facilities or personnel in the event of unusual circumstances that delay or render impractical the provision of Services under this *EOC*, such as a major disaster, epidemic, war, riot, civil insurrection, disability of a large share of personnel at a Plan Facility, complete or partial destruction of facilities, and labor dispute. Under these circumstances, if you have an Emergency Medical Condition, call 911 or go to the nearest hospital as described under “Emergency Services” in the “Emergency Services and Urgent Care” section, and we will provide coverage and reimbursement as described in that section.

Coordination of Benefits

The Services covered under this *EOC* are subject to coordination of benefits rules.

Coverage other than Medicare coverage

If you have medical or dental coverage under another plan that is subject to coordination of benefits, we will coordinate benefits with the other coverage under the coordination of benefits rules of the California Department of Managed Health Care. Those rules are incorporated into this *EOC*.

If both the other coverage and we cover the same Service, the other coverage and we will see that up to 100 percent of your covered medical expenses are paid for that Service. The coordination of benefits rules determine which coverage pays first, or is “primary,” and which coverage pays second, or is “secondary.” The

secondary coverage may reduce its payment to take into account payment by the primary coverage. You must give us any information we request to help us coordinate benefits.

If your coverage under this *EOC* is secondary, we may be able to establish a Benefit Reserve Account for you. You may draw on the Benefit Reserve Account during a calendar year to pay for your out-of-pocket expenses for Services that are partially covered by either your other coverage or us during that calendar year. If you are entitled to a Benefit Reserve Account, we will provide you with detailed information about this account.

If you have any questions about coordination of benefits, please call our Member Service Contact Center.

Medicare coverage

If you have Medicare coverage, we will coordinate benefits with the Medicare coverage under Medicare rules. Medicare rules determine which coverage pays first, or is “primary,” and which coverage pays second, or is “secondary.” You must give us any information we request to help us coordinate benefits. Please call our Member Service Contact Center to find out which Medicare rules apply to your situation, and how payment will be handled.

Reductions

Employer responsibility

For any Services that the law requires an employer to provide, we will not pay the employer, and when we cover any such Services we may recover the value of the Services from the employer.

Government agency responsibility

For any Services that the law requires be provided only by or received only from a government agency, we will not pay the government agency, and when we cover any such Services we may recover the value of the Services from the government agency.

Injuries or illnesses alleged to be caused by other parties

If you obtain a judgment or settlement from or on behalf of another party who allegedly caused an injury or illness for which you received covered Services, you must reimburse us to the maximum extent allowed under California Civil Code Section 3040. The reimbursement due to us is not limited by or subject to the Plan Out-of-Pocket Maximum. Note: This “Injuries or illnesses alleged to be caused by other parties” section does not

affect your obligation to pay your Copayments or Coinsurance for these Services.

To the extent permitted or required by law, we have the option of becoming subrogated to all claims, causes of action, and other rights you may have against another party or an insurer, government program, or other source of coverage for monetary damages, compensation, or indemnification on account of the injury or illness allegedly caused by the other party. We will be so subrogated as of the time we mail or deliver a written notice of our exercise of this option to you or your attorney.

To secure our rights, we will have a lien on the proceeds of any judgment or settlement you or we obtain against another party. The proceeds of any judgment or settlement that you or we obtain shall first be applied to satisfy our lien, regardless of whether the total amount of the proceeds is less than the actual losses and damages you incurred.

Within 30 days after submitting or filing a claim or legal action against another party, you must send written notice of the claim or legal action to:

For Northern California Home Region Members:

Equian
Kaiser Permanente - Northern California Region
Subrogation Mailbox
P.O. Box 36380
Louisville, KY 40233
Fax: 1-502-214-1137

For Southern California Home Region Members:

The Rawlings Group
Subrogation Mailbox
P.O. Box 2000
LaGrange, KY 40031
Fax: 1-502-753-7064

In order for us to determine the existence of any rights we may have and to satisfy those rights, you must complete and send us all consents, releases, authorizations, assignments, and other documents, including lien forms directing your attorney, the other party, and the other party’s liability insurer to pay us directly. You may not agree to waive, release, or reduce our rights under this provision without our prior, written consent.

If your estate, parent, guardian, or conservator asserts a claim against another party based on your injury or illness, your estate, parent, guardian, or conservator and any settlement or judgment recovered by the estate, parent, guardian, or conservator shall be subject to our

liens and other rights to the same extent as if you had asserted the claim against the other party. We may assign our rights to enforce our liens and other rights.

If you have Medicare, Medicare law may apply with respect to Services covered by Medicare.

Some providers have contracted with Kaiser Permanente to provide certain Services to Members at rates that are typically less than the fees that the providers ordinarily charge to the general public (“General Fees”). However, these contracts may allow the providers to recover all or a portion of the difference between the fees paid by Kaiser Permanente and their General Fees by means of a lien claim under California Civil Code Sections 3045.1-3045.6 against a judgment or settlement that you receive from or on behalf of another party. For Services the provider furnished, our recovery and the provider’s recovery together will not exceed the provider’s General Fees.

Surrogacy arrangements

This “Surrogacy arrangements” section applies to all types of Surrogacy Arrangements, including traditional Surrogacy Arrangements and gestational Surrogacy Arrangements. If you enter into a Surrogacy Arrangement and you or any other payee are entitled to receive payments or other compensation under the Surrogacy Arrangement, you must reimburse us for covered Services you receive related to conception, pregnancy, delivery, or postpartum care in connection with that arrangement (“Surrogacy Health Services”) to the maximum extent allowed under California Civil Code Section 3040. A “Surrogacy Arrangement” is one in which a woman agrees to become pregnant and to surrender the baby (or babies) to another person or persons who intend to raise the child (or children), whether or not the woman receives payment for being a surrogate. Note: This “Surrogacy arrangements” section does not affect your obligation to pay your Copayments or Coinsurance for these Services. After you surrender a baby to the legal parents, you are not obligated to reimburse us for any Services that the baby receives (the legal parents are financially responsible for any Services that the baby receives).

By accepting Surrogacy Health Services, you automatically assign to us your right to receive payments that are payable to you or any other payee under the Surrogacy Arrangement, regardless of whether those payments are characterized as being for medical expenses. To secure our rights, we will also have a lien on those payments and on any escrow account, trust, or any other account that holds those payments. Those payments (and amounts in any escrow account, trust, or

other account that holds those payments) shall first be applied to satisfy our lien. The assignment and our lien will not exceed the total amount of your obligation to us under the preceding paragraph.

Within 30 days after entering into a Surrogacy Arrangement, you must send written notice of the arrangement, including all of the following information:

- Names, addresses, and phone numbers of the other parties to the arrangement
- Names, addresses, and phone numbers of any escrow agent or trustee
- Names, addresses, and phone numbers of the intended parents and any other parties who are financially responsible for Services the baby (or babies) receive, including names, addresses, and phone numbers for any health insurance that will cover Services that the baby (or babies) receive
- A signed copy of any contracts and other documents explaining the arrangement
- Any other information we request in order to satisfy our rights

You must send this information to:

For Northern California Home Region Members:

Equian
Kaiser Permanente - Northern California Region
Surrogacy Mailbox
P.O. Box 36380
Louisville, KY 40233
Fax: 1-502-214-1137

For Southern California Home Region Members:

The Rawlings Group
Surrogacy Mailbox
P.O. Box 2000
LaGrange, KY 40031
Fax: 1-502-753-7064

You must complete and send us all consents, releases, authorizations, lien forms, and other documents that are reasonably necessary for us to determine the existence of any rights we may have under this “Surrogacy arrangements” section and to satisfy those rights. You may not agree to waive, release, or reduce our rights under this “Surrogacy arrangements” section without our prior, written consent.

If your estate, parent, guardian, or conservator asserts a claim against another party based on the surrogacy arrangement, your estate, parent, guardian, or conservator and any settlement or judgment recovered by the estate, parent, guardian, or conservator shall be

subject to our liens and other rights to the same extent as if you had asserted the claim against the other party. We may assign our rights to enforce our liens and other rights.

If you have questions about your obligations under this provision, please call our Member Service Contact Center.

U.S. Department of Veterans Affairs

For any Services for conditions arising from military service that the law requires the Department of Veterans Affairs to provide, we will not pay the Department of Veterans Affairs, and when we cover any such Services we may recover the value of the Services from the Department of Veterans Affairs.

You may be eligible for payments or other benefits, including amounts received as a settlement (collectively referred to as "Financial Benefit"), under workers' compensation or employer's liability law. We will provide covered Services even if it is unclear whether you are entitled to a Financial Benefit, but we may recover the value of any covered Services from the following sources:

- From any source providing a Financial Benefit or from whom a Financial Benefit is due
- From you, to the extent that a Financial Benefit is provided or payable or would have been required to be provided or payable if you had diligently sought to establish your rights to the Financial Benefit under any workers' compensation or employer's liability law

Other supporting information

When you file a claim, please include any information that clarifies or supports your position. For example, if you have paid for Services, please include any bills and receipts that support your claim. To request that we pay a Non-Plan Provider for Services, include any bills from the Non-Plan Provider. If the Non-Plan Provider states that they will file the claim, you are still responsible for making sure that we receive everything we need to process the request for payment. When appropriate, we will request medical records from Plan Providers on your behalf. If you tell us that you have consulted with a Non-Plan Provider and are unable to provide copies of relevant medical records, we will contact the provider to request a copy of your relevant medical records. We will ask you to provide us a written authorization so that we can request your records.

If you want to review the information that we have collected regarding your claim, you may request, and we will provide without charge, copies of all relevant documents, records, and other information. You also have the right to request any diagnosis and treatment codes and their meanings that are the subject of your

claim. To make a request, you should follow the steps in the written notice sent to you about your claim.

Initial Claims

To request that we pay a provider (or reimburse you) for Services that you have already received, you must file a claim. If you have any questions about the claims process, please call our Member Service Contact Center.

After we receive your claim

We will send you an acknowledgment letter within five days after we receive your claim.

After we review your claim, we will respond as follows:

- If we have all the information we need we will send you a written decision within 30 days after we receive your claim. We may extend the time for making a decision for an additional 15 days if circumstances beyond our control delay our decision, if we notify you within 30 days after we receive your claim
- If we need more information, we will ask you for the information before the end of the initial 30-day decision period. We will send our written decision no later than 15 days after the date we receive the additional information. If we do not receive the necessary information within the timeframe specified in our letter, we will make our decision based on the information we have within 15 days after the end of that timeframe

If we pay any part of your claim, we will subtract applicable Copayments or Coinsurance from any payment we make to you or the Non–Plan Provider. You are not responsible for any amounts beyond your Copayments or Coinsurance for covered Emergency Services. If we deny your claim (if we do not agree to pay for all the Services you requested other than the applicable Copayments or Coinsurance), our letter will explain why we denied your claim and how you can appeal.

If you later receive any bills from the Non–Plan Provider for covered Services (other than bills for your Copayments or Coinsurance), please call our Member Service Contact Center for assistance.

Additional information regarding a claim for Services from a Non–Plan Provider that we did not authorize (other than Emergency Services, Post-Stabilization Care, Out-of-Area Urgent Care, or emergency ambulance Services)

If we initially denied your request, you must file your appeal within 180 days after the date you received our denial letter. You may send us information including comments, documents, and medical records that you believe support your claim. If we asked for additional information and you did not provide it before we made our initial decision about your claim, then you may still send us the additional information so that we may include it as part of our review of your appeal. Please send all additional information to the address or fax mentioned in your denial letter.

Also, you may give testimony in writing or by phone. Please send your written testimony to the address mentioned in our acknowledgment letter, sent to you

within five days after we receive your appeal. To arrange to give testimony by phone, you should call the phone number mentioned in our acknowledgment letter.

We will add the information that you provide through testimony or other means to your appeal file and we will review it without regard to whether this information was filed or considered in our initial decision regarding your request for Services. You have the right to request any diagnosis and treatment codes and their meanings that are the subject of your claim.

We will share any additional information that we collect in the course of our review and we will send it to you. If we believe that your request should not be granted, before we issue our final decision letter, we will also share with you any new or additional reasons for that decision. We will send you a letter explaining the additional information and/or reasons. We will send you a resolution letter within 30 days after we receive your appeal. If we do not decide in your favor, our letter will explain why and describe your further appeal rights.

External Review

You must exhaust our internal claims and appeals procedures before you may request external review unless we have failed to comply with the claims and appeals procedures described in this “Post-Service Claims and Appeals” section. For information about external review process, see “Independent Medical Review (“IMR”)” in the “Dispute Resolution” section.

Additional Review

You may have certain additional rights if you remain dissatisfied after you have exhausted our internal claims and appeals procedure, and if applicable, external review:

- If your Group’s benefit plan is subject to the Employee Retirement Income Security Act (“ERISA”), you may file a civil action under section 502(a) of ERISA. To understand these rights, you should check with your Group or contact the Employee Benefits Security Administration (part of

the U.S. Department of Labor) at **1-866-444-EBSA (1-866-444-3272)**

- If your Group’s benefit plan is not subject to ERISA (for example, most state or local government plans and church plans), you may have a right to request review in state court

Dispute Resolution

We are committed to providing you with quality care and with a timely response to your concerns. You can discuss your concerns with our Member Services representatives at most Plan Facilities, or you can call our Member Service Contact Center.

Grievances

This “Grievances” section describes our grievance procedure. A grievance is any expression of dissatisfaction expressed by you or your authorized representative through the grievance process. If you want to make a claim for payment or reimbursement for Services that you have already received from a Non-Plan Provider, please follow the procedure in the “Post-Service Claims and Appeals” section.

Here are some examples of reasons you might file a grievance:

- You are not satisfied with the quality of care you received
- You received a written denial of Services that require prior authorization from the Medical Group and you want us to cover the Services
- You received a written denial for a second opinion or we did not respond to your request for a second opinion in an expeditious manner, as appropriate for your condition
- Your treating physician has said that Services are not Medically Necessary and you want us to cover the Services
- You were told that Services are not covered and you believe that the Services should be covered
- You want us to continue to cover an ongoing course of covered treatment
- You are dissatisfied with how long it took to get Services, including getting an appointment, in the waiting room, or in the exam room
- You want to report unsatisfactory behavior by providers or staff, or dissatisfaction with the condition of a facility

- You believe you have faced discrimination from providers, staff, or Health Plan
- We terminated your membership and you disagree with that termination

Who may file

The following people may file a grievance:

- You may file for yourself
- You can ask a friend, relative, attorney, or any other individual to file a grievance for you by appointing them in writing as your authorized representative
- A parent may file for their child under age 18, except that the child must appoint the parent as authorized representative if the child has the legal right to control release of information that is relevant to the grievance
- A court-appointed guardian may file for their ward, except that the ward must appoint the court-appointed guardian as authorized representative if the ward has the legal right to control release of information that is relevant to the grievance

Authorized representatives must be appointed in writing using either our authorization form or some other form of written notification. The authorization form is available from the Member Services Department at a Plan Facility, on our website at kp.org, or by calling our Member Service Contact Center. Your written authorization must accompany the grievance. You must pay the cost of anyone you hire to represent or help you.

How to file

You can file a grievance orally or in writing. Your grievance must explain your issue, such as the reasons why you believe a decision was in error or why you are dissatisfied with the Services you received.

Urgent procedure

If you want us to consider your grievance on an urgent basis, please tell us that when you file your grievance. Note: Urgent is sometimes referred to as “exigent.” If exigent circumstances exist, your grievance may be reviewed using the urgent procedure described in this section.

You must file your urgent grievance in one of the following ways:

- By calling our Expedited Review Unit toll free at **1-888-987-7247** (TTY users call **711**)
- By mailing a written request to:

Expedited Review Unit
P.O. Box 23170

We will decide whether your grievance is urgent or non-urgent unless your attending health care provider tells us your grievance is urgent. If we determine that your grievance is not urgent, we will use the procedure described under “Standard procedure” in this “Grievances” section. Generally, a grievance is urgent only if one of the following is true:

- Using the standard procedure could seriously jeopardize your life, health, or ability to regain maximum function
- Using the standard procedure would, in the opinion of a physician with knowledge of your medical condition, subject you to severe pain that cannot be adequately managed without extending your course of covered treatment
- A physician with knowledge of your medical condition determines that your grievance is urgent

- You have received Emergency Services but have not been discharged from a facility and your request involves admissions, continued stay, or other health care Services
- You are undergoing a current course of treatment using a non-formulary prescription drug and your grievance involves a request to refill a non-formulary prescription drug

For most grievances that we respond to on an urgent basis, we will give you oral notice of our decision as soon as your clinical condition requires, but not later than 72 hours after we received your grievance. We will send you a written confirmation of our decision within three days after we received your grievance.

If your grievance involves a request to obtain a non-formulary prescription drug and we respond to your request on an urgent basis, we will notify you of our decision within 24 hours of your request. For information on how to request a review by an independent review organization, see “Independent Review Organization for Non-Formulary Prescription Drug Requests” in this “Dispute Resolution” section.

If we do not decide in your favor, our letter will explain why and describe your further appeal rights.

For urgent IRO reviews, we will forward to you the independent reviewer’s decision within 24 hours. For non-urgent requests, we will forward the independent reviewer’s decision to you within 72 hours. If the independent reviewer does not decide in your favor, you may submit a complaint to the Department of Managed Health Care, as described under “Department of Managed Health Care Complaints” in this “Dispute Resolution” section. You may also submit a request for an Independent Medical Review as described under “Independent Medical Review” in this “Dispute Resolution” section.

Department of Managed Health Care Complaints

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone your health plan toll free at **1-800-464-4000** (TTY users call **711**) and use your health plan’s grievance process before contacting the department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may

be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30 days, you may call the department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The department also has a toll-free telephone number **(1-888-466-2219)** and a TDD line **(1-877-688-9891)** for the hearing and speech impaired. The department's Internet website www.dmhc.ca.gov has complaint forms, IMR application forms and instructions online.

Independent Medical Review (“IMR”)

Except as described in this “Independent Medical Review (“IMR”)” section, you must exhaust our internal grievance procedure before you may request independent medical review unless we have failed to comply with the grievance procedure described under “Grievances” in this “Dispute Resolution” section. If you qualify, you or your authorized representative may have your issue reviewed through the IMR process managed by the California Department of Managed Health Care (“DMHC”). The DMHC determines which cases qualify for IMR. This review is at no cost to you. If you decide not to request an IMR, you may give up the right to pursue some legal actions against us.

You may qualify for IMR if all of the following are true:

- One of these situations applies to you:
 - ◆ you have a recommendation from a provider requesting Medically Necessary Services
 - ◆ you have received Emergency Services, emergency ambulance Services, or Urgent Care from a provider who determined the Services to be Medically Necessary
 - ◆ you have been seen by a Plan Provider for the diagnosis or treatment of your medical condition
- Your request for payment or Services has been denied, modified, or delayed based in whole or in part on a decision that the Services are not Medically Necessary
- You have filed a grievance and we have denied it or we haven't made a decision about your grievance within 30 days (or three days for urgent grievances).

The DMHC may waive the requirement that you first file a grievance with us in extraordinary and compelling cases, such as severe pain or potential loss of life, limb, or major bodily function. If we have denied your grievance, you must submit your request for an IMR within six months of the date of our written denial. However, the DMHC may accept your request after six months if they determine that circumstances prevented timely submission

You may also qualify for IMR if the Service you requested has been denied on the basis that it is experimental or investigational as described under “Experimental or investigational denials.”

If the DMHC determines that your case is eligible for IMR, it will ask us to send your case to the DMHC's IMR organization. The DMHC will promptly notify you of its decision after it receives the IMR organization's determination. If the decision is in your favor, we will contact you to arrange for the Service or payment.

Experimental or investigational denials

If we deny a Service because it is experimental or investigational, we will send you our written explanation within three days after we received your request. We will explain why we denied the Service and provide additional dispute resolution options. Also, we will provide information about your right to request Independent Medical Review if we had the following information when we made our decision:

- Your treating physician provided us a written statement that you have a life-threatening or seriously debilitating condition and that standard therapies have not been effective in improving your condition, or that standard therapies would not be appropriate, or that there is no more beneficial standard therapy we cover than the therapy being requested. “Life-threatening” means diseases or conditions where the likelihood of death is high unless the course of the disease is interrupted, or diseases or conditions with potentially fatal outcomes where the end point of clinical intervention is survival. “Seriously debilitating” means diseases or conditions that cause major irreversible morbidity
- If your treating physician is a Plan Physician, they recommended a treatment, drug, device, procedure, or other therapy and certified that the requested therapy is likely to be more beneficial to you than any available standard therapies and included a statement of the evidence relied upon by the Plan Physician in certifying their recommendation
- You (or your Non-Plan Physician who is a licensed, and either a board-certified or board-eligible,

physician qualified in the area of practice appropriate to treat your condition) requested a therapy that, based on two documents from the medical and scientific evidence, as defined in California Health and Safety Code Section 1370.4(d), is likely to be more beneficial for you than any available standard therapy. The physician's certification included a statement of the evidence relied upon by the physician in certifying their recommendation. We do not cover the Services of the Non-Plan Provider

Note: You can request IMR for experimental or investigational denials at any time without first filing a grievance with us.

Appeal Procedure Following Disposition of Health Plan's Grievance Process

If you do not achieve resolution of your complaint through the grievance process described under "Grievances," "Independent Review Organization for Non-formulary Prescription Drug Request," Department of Managed Health Care Complaints," or "Independent Medical Review (IMR)," you have additional dispute resolution options, depending on the nature of the complaint.

Eligibility issues

Issues of eligibility must be referred directly to CalPERS at:

CalPERS
Health Account Management Division
Attn: Enrollment Administration
P.O. Box 942714
Sacramento, CA 94229-2714

Fax: (916)795-1277, or telephone the CalPERS Customer Service and Outreach Division toll free at **888 CalPERS** (or **888-225-7377**).

Coverage issues

If you have a coverage issue and are dissatisfied with the outcome of our grievance process or if you have been in the process for 30 days or more, you may request review by the Department of Managed Health Care (as described under "Department of Managed Health Care Complaints"), or you may submit the matter to binding arbitration (or Small Claims Court if applicable). A coverage issue concerns the denial of Services substantially based on a finding that a Service is excluded as a covered benefit under this *EOC*. Coverage issues do not include a Plan Provider's decision about a disputed Service. However, you must choose between the Department of Managed Health Care and binding

arbitration. If you choose to submit the issue to binding arbitration (or Small Claims Court if applicable), you may not request a CalPERS Administrative Review of your dispute.

Independent Medical Review (IMR)

If you are dissatisfied with the outcome of the independent medical review process described under the "Independent Medical Review (IMR)" section, you may request an Administrative Review through CalPERS, or you may submit the matter to binding arbitration (or Small Claims Court if applicable). If you choose to submit the issue to binding arbitration (or Small Claims Court if applicable), you may not request a CalPERS Administrative Review of your dispute.

CalPERS Administrative Review process

If you remain dissatisfied with the DMHC's determination or the IMR's determination, you may request an Administrative Review. You must exhaust our internal grievance process, the DMHC's process and the IMR process, when applicable, prior to submitting a request for CalPERS Administrative Review.

The request for an Administrative Review must be submitted in writing to CalPERS within thirty (30) days from the date of the DMHC's determination or, the IMR determination letter, in cases involving a Disputed Health Care Service, or Experimental or Investigational determination.

The request must be mailed to:

CalPERS Strategic Health Operations Division
Health Appeals Coordinator
P.O. Box 1953
Sacramento, CA 95812-1953

If you are planning to submit information we may have regarding your dispute with your request for Administrative Review, please note that we may require you to sign an authorization form to release this information. In addition, if CalPERS determines that additional information is needed after we submit the information we have regarding your dispute, CalPERS may ask you sign an Authorization to Release Health Information (ARHI) form.

If you have additional medical records from Providers or scientific studies that you believe are relevant to CalPERS review, those records should be included with the written request. You should send copies of documents, not originals, as CalPERS will retain the documents for its files. You are responsible for the cost of copying and mailing medical records required for the Administrative Review. Providing supporting

information to CalPERS is voluntary. However, failure to provide such information may delay or preclude CalPERS in providing a final Administrative Review determination.

CalPERS cannot review claims of medical malpractice, i.e. quality of care, or quality of service disputes.

CalPERS will attempt to provide a written determination within 60 days from the date all pertinent information is received by CalPERS. For claims involving urgent care, CalPERS will make a decision as soon as possible, taking into account the medical exigencies, but no later than three (3) business days from the date all pertinent information is received by CalPERS.

Note: In urgent situations, if you request an IMR at the same time you submit a request for CalPERS Administrative Review, but before a determination has been made by the IMR, CalPERS will not begin its review or issue a determination until the IMR determination is issued.

CalPERS Administrative Hearing process

You must complete the CalPERS Administrative Review process prior to being offered the opportunity for an Administrative Hearing. Only claims involving covered benefits are eligible for an Administrative Hearing.

During the hearing, evidence and testimony will be presented to an Administrative Law Judge. As an alternative to this hearing, you may have recourse through binding arbitration (or Small Claims Court if applicable). However, you must choose between the Administrative Hearing and binding arbitration (or Small Claims Court if applicable). You may not take the same issue through both procedures. You may withdraw your request from CalPERS at any time, and proceed to binding arbitration (or Small Claims Court if applicable).

You must request an Administrative Hearing in writing within 30 days of the date of the Administrative Review determination. Upon satisfactorily showing good cause, CalPERS may grant additional time to file a request for an Administrative Hearing, not to exceed 30 days.

The request for an Administrative Hearing must set forth the facts and the law upon which the request is based. The request should include any additional arguments and evidence favorable to a member's case not previously submitted for Administrative Review, DMHC and IMR.

If CalPERS accepts the request for an Administrative Hearing, it shall be conducted in accordance with the Administrative Procedure Act (Government Code section

11500 et seq.). An Administrative Hearing is a formal legal proceeding held before an Administrative Law Judge (ALJ); you may, but are not required to, be represented by an attorney. After taking testimony and receiving evidence, the ALJ will issue a Proposed Decision. The CalPERS Board of Administration (Board) will vote regarding whether to adopt the Proposed Decision as its own decision at an open (public) meeting. The Board's final decision will be provided in writing to you within two weeks of the Board's open meeting.

Appeal Beyond Administrative Review and Administrative Hearing

If you are dissatisfied with the Board's decision, you may petition the Board for reconsideration of its decision, or may appeal to the Superior Court.

You may not begin civil legal remedies until after exhausting these administrative procedures.

Office of Civil Rights Complaints

If you believe that you have been discriminated against by a Plan Provider or by us because of your race, color, national origin, disability, age, sex (including sex stereotyping and gender identity), or religion, you may file a complaint with the Office of Civil Rights in the United States Department of Health and Human Services (“OCR”).

You may file your complaint with the OCR within 180 days of when you believe the act of discrimination occurred. However, the OCR may accept your request after six months if they determine that circumstances prevented timely submission. For more information on the OCR and how to file a complaint with the OCR, go to hhs.gov/civil-rights.

Additional Review

You may have certain additional rights if you remain dissatisfied after you have exhausted our internal claims and appeals procedure, and if applicable, external review:

- If your Group’s benefit plan is subject to the Employee Retirement Income Security Act (“ERISA”), you may file a civil action under section 502(a) of ERISA. To understand these rights, you should check with your Group or contact the Employee Benefits Security Administration (part of the U.S. Department of Labor) at **1-866-444-EBSA (1-866-444-3272)**
- If your Group’s benefit plan is not subject to ERISA (for example, most state or local government plans and church plans), you may have a right to request review in state court

Binding Arbitration

For all claims subject to this “Binding Arbitration” section, both Claimants and Respondents give up the right to a jury or court trial and accept the use of binding arbitration. Insofar as this “Binding Arbitration” section applies to claims asserted by Kaiser Permanente Parties, it shall apply retroactively to all unresolved claims that accrued before the effective date of this *EOC*. Such retroactive application shall be binding only on the Kaiser Permanente Parties.

Scope of arbitration

Any dispute shall be submitted to binding arbitration if all of the following requirements are met:

- The claim arises from or is related to an alleged violation of any duty incident to or arising out of or relating to this *EOC* or a Member Party’s relationship to Kaiser Foundation Health Plan, Inc. (“Health Plan”), including any claim for medical or hospital malpractice (a claim that medical services or items were unnecessary or unauthorized or were improperly, negligently, or incompetently rendered), for premises liability, or relating to the coverage for, or delivery of, services or items, irrespective of the legal theories upon which the claim is asserted
- The claim is asserted by one or more Member Parties against one or more Kaiser Permanente Parties or by one or more Kaiser Permanente Parties against one or more Member Parties
- Governing law does not prevent the use of binding arbitration to resolve the claim

Members enrolled under this *EOC* thus give up their right to a court or jury trial, and instead accept the use of binding arbitration except that the following types of claims are not subject to binding arbitration:

- Claims within the jurisdiction of the Small Claims Court
- Claims subject to a Medicare appeal procedure as applicable to Kaiser Permanente Senior Advantage Members
- Claims that cannot be subject to binding arbitration under governing law

As referred to in this “Binding Arbitration” section, “Member Parties” include:

- A Member
- A Member’s heir, relative, or personal representative
- Any person claiming that a duty to them arises from a Member’s relationship to one or more Kaiser Permanente Parties

“Kaiser Permanente Parties” include:

- Kaiser Foundation Health Plan, Inc.
- Kaiser Foundation Hospitals
- The Permanente Medical Group, Inc.
- Southern California Permanente Medical Group
- The Permanente Federation, LLC
- The Permanente Company, LLC

- Any Southern California Permanente Medical Group or The Permanente Medical Group physician
- Any individual or organization whose contract with any of the organizations identified above requires arbitration of claims brought by one or more Member Parties
- Any employee or agent of any of the foregoing

“Claimant” refers to a Member Party or a Kaiser Permanente Party who asserts a claim as described above. “Respondent” refers to a Member Party or a Kaiser Permanente Party against whom a claim is asserted.

Rules of Procedure

Arbitrations shall be conducted according to the *Rules for Kaiser Permanente Member Arbitrations Overseen by the Office of the Independent Administrator* (“Rules of Procedure”) developed by the Office of the Independent Administrator in consultation with Kaiser Permanente and the Arbitration Oversight Board. Copies of the Rules of Procedure may be obtained from our Member Service Contact Center.

Initiating arbitration

Claimants shall initiate arbitration by serving a Demand for Arbitration. The Demand for Arbitration shall include the basis of the claim against the Respondents; the amount of damages the Claimants seek in the arbitration; the names, addresses, and phone numbers of the Claimants and their attorney, if any; and the names of all Respondents. Claimants shall include in the Demand for Arbitration all claims against Respondents that are based on the same incident, transaction, or related circumstances.

Serving Demand for Arbitration

Health Plan, Kaiser Foundation Hospitals, The Permanente Medical Group, Inc., Southern California Permanente Medical Group, The Permanente Federation, LLC, and The Permanente Company, LLC, shall be served with a Demand for Arbitration by mailing the Demand for Arbitration addressed to that Respondent in care of:

For Northern California Home Region Members:
Kaiser Foundation Health Plan, Inc.
Legal Department
1950 Franklin St., 17th Floor
Oakland, CA 94612

For Southern California Home Region Members:
Kaiser Foundation Health Plan, Inc.
Legal Department
393 E. Walnut St.
Pasadena, CA 91188

Service on that Respondent shall be deemed completed when received. All other Respondents, including individuals, must be served as required by the California Code of Civil Procedure for a civil action.

Filing fee

The Claimants shall pay a single, nonrefundable filing fee of \$150 per arbitration payable to “Arbitration Account” regardless of the number of claims asserted in the Demand for Arbitration or the number of Claimants or Respondents named in the Demand for Arbitration.

Any Claimant who claims extreme hardship may request that the Office of the Independent Administrator waive the filing fee and the neutral arbitrator’s fees and expenses. A Claimant who seeks such waivers shall complete the Fee Waiver Form and submit it to the Office of the Independent Administrator and simultaneously serve it upon the Respondents. The Fee Waiver Form sets forth the criteria for waiving fees and is available by calling our Member Service Contact Center.

Number of arbitrators

The number of arbitrators may affect the Claimants’ responsibility for paying the neutral arbitrator’s fees and expenses (see the Rules of Procedure).

If the Demand for Arbitration seeks total damages of \$200,000 or less, the dispute shall be heard and determined by one neutral arbitrator, unless the parties otherwise agree in writing after a dispute has arisen and a request for binding arbitration has been submitted that the arbitration shall be heard by two party arbitrators and one neutral arbitrator. The neutral arbitrator shall not have authority to award monetary damages that are greater than \$200,000.

If the Demand for Arbitration seeks total damages of more than \$200,000, the dispute shall be heard and determined by one neutral arbitrator and two party arbitrators, one jointly appointed by all Claimants and one jointly appointed by all Respondents. Parties who are

entitled to select a party arbitrator may agree to waive this right. If all parties agree, these arbitrations will be heard by a single neutral arbitrator.

Payment of arbitrators' fees and expenses

Health Plan will pay the fees and expenses of the neutral arbitrator under certain conditions as set forth in the Rules of Procedure. In all other arbitrations, the fees and expenses of the neutral arbitrator shall be paid one-half by the Claimants and one-half by the Respondents.

If the parties select party arbitrators, Claimants shall be responsible for paying the fees and expenses of their party arbitrator and Respondents shall be responsible for paying the fees and expenses of their party arbitrator.

Costs

Except for the aforementioned fees and expenses of the neutral arbitrator, and except as otherwise mandated by laws that apply to arbitrations under this "Binding Arbitration" section, each party shall bear the party's own attorneys' fees, witness fees, and other expenses incurred in prosecuting or defending against a claim regardless of the nature of the claim or outcome of the arbitration.

General provisions

A claim shall be waived and forever barred if (1) on the date the Demand for Arbitration of the claim is served, the claim, if asserted in a civil action, would be barred as to the Respondent served by the applicable statute of limitations, (2) Claimants fail to pursue the arbitration claim in accord with the Rules of Procedure with reasonable diligence, or (3) the arbitration hearing is not commenced within five years after the earlier of (a) the date the Demand for Arbitration was served in accord with the procedures prescribed herein, or (b) the date of filing of a civil action based upon the same incident, transaction, or related circumstances involved in the claim. A claim may be dismissed on other grounds by the neutral arbitrator based on a showing of a good cause. If a party fails to attend the arbitration hearing after being given due notice thereof, the neutral arbitrator may proceed to determine the controversy in the party's absence.

The California Medical Injury Compensation Reform Act of 1975 (including any amendments thereto), including sections establishing the right to introduce evidence of any insurance or disability benefit payment to the patient, the limitation on recovery for non-economic losses, and the right to have an award for future damages conformed to periodic payments, shall apply to any claims for professional negligence or any other claims as permitted or required by law.

Arbitrations shall be governed by this "Binding Arbitration" section, Section 2 of the Federal Arbitration Act, and the California Code of Civil Procedure provisions relating to arbitration that are in effect at the time the statute is applied, together with the Rules of Procedure, to the extent not inconsistent with this "Binding Arbitration" section. In accord with the rule that applies under Sections 3 and 4 of the Federal Arbitration Act, the right to arbitration under this "Binding Arbitration" section shall not be denied, stayed, or otherwise impeded because a dispute between a Member Party and a Kaiser Permanente Party involves both arbitrable and nonarbitrable claims or because one or more parties to the arbitration is also a party to a pending court action with another party that arises out of the same or related transactions and presents a possibility of conflicting rulings or findings.

Termination of Membership

Your Group is required to inform the Subscriber of the date your membership terminates. The guidelines that determine the termination of coverage from the CalPERS Health Program are governed in accord with the Public Employees' Medical & Hospital Care Act (PEMHCA). For an explanation of specific eligibility criteria and termination requirements, please consult your Health Benefits Officer (or, if you are retired, the CalPERS Health Account Management Division). Your CalPERS Health Program Guide also includes eligibility and termination information and can be ordered through the CalPERS website or by calling CalPERS.

Your membership termination date is the first day you are not covered (for example, if your termination date is January 1, 2023, your last minute of coverage was at 11:59 p.m. on December 31, 2022). When a Subscriber's membership ends, the memberships of any Dependents end at the same time. You will be billed as a non-Member for any Services you receive after your membership terminates. Health Plan and Plan Providers have no further liability or responsibility under this *EOC* after your membership terminates, except as follows:

- As provided under "Payments after Termination" in this "Termination of Membership" section
- If your coverage terminates for one of the reasons listed below and you are receiving covered Services as an acute care hospital inpatient on the termination date, we will continue to cover your hospital Services until you are discharged. We will cover only 91 days of continuous hospitalization after the termination date if one of the following is true:

- ◆ Your membership terminated due to a change from one CalPERS-sponsored plan to another (if you are still hospitalized on the 92nd day, your coverage under the newly chosen CalPERS-sponsored plan will take effect)
- ◆ Your membership terminated for a reason other than termination of your Group’s Agreement with us or voluntary termination by the Subscriber

Termination Due to Loss of Eligibility

If you no longer meet the eligibility requirements described under “Eligibility” in the “Premiums, Eligibility, and Enrollment” section, CalPERS will notify you of the date that your membership will end. Your membership termination date is the first day you are not covered. For example, if your termination date is January 1, 2023, your last minute of coverage was at 11:59 p.m. on December 31, 2022.

Termination of Agreement

If your Group’s *Agreement* with us terminates for any reason, your membership ends on the same date. Your Group is required to notify Subscribers in writing if its *Agreement* with us terminates.

Termination for Cause

If you intentionally commit fraud in connection with membership, Health Plan, or a Plan Provider, we will ask CalPERS to approve termination of your membership in accord with Section 22841 of the California Government Code. Some examples of fraud include:

- Misrepresenting eligibility information about you or a Dependent
- Presenting an invalid prescription or physician order
- Misusing a Kaiser Permanente ID card (or letting someone else use it)
- Giving us incorrect or incomplete material information. For example, you have entered into a Surrogacy Arrangement and you fail to send us the information we require under “Surrogacy arrangements” under “Reductions” in the “Exclusions, Limitations, Coordination of Benefits, and Reductions” section
- Failing to notify us of changes in family status or Medicare coverage that may affect your eligibility or benefits

If CalPERS approves termination of your membership, CalPERS will send written notice to the Subscriber.

If we terminate your membership for cause, you will not be allowed to enroll in Health Plan in the future. We may also report criminal fraud and other illegal acts to the authorities for prosecution.

Termination of a Product or all Products

We may terminate a particular product or all products offered in the group market as permitted or required by law. If we discontinue offering a particular product in the group market, we will terminate just the particular product by sending you written notice at least 90 days before the product terminates. If we discontinue offering all products in the group market, we may terminate your Group’s *Agreement* by sending you written notice at least 180 days before the *Agreement* terminates.

Payments after Termination

If we terminate your membership for cause or for nonpayment, we will:

- Refund any amounts we owe your Group for Premiums paid after the termination date
- Pay you any amounts we have determined that we owe you for claims during your membership in accord with the “Emergency Services and Urgent Care” and “Dispute Resolution” sections

We will deduct any amounts you owe Health Plan or Plan Providers from any payment we make to you.

State Review of Membership Termination

If you believe that we have terminated your membership because of your ill health or your need for care, you may request a review of the termination by the California Department of Managed Health Care (please see “Department of Managed Health Care Complaints” in the “Dispute Resolution” section).

Continuation of Membership

If your membership under this *EOC* ends, you may be eligible to continue Health Plan membership without a break in coverage. You may be able to continue Group coverage under this *EOC* as described under “Continuation of Group Coverage.” Also, you may be

able to continue membership under an individual plan as described under “Continuation of Coverage under an Individual Plan.” If at any time you become entitled to continuation of Group coverage, please examine your coverage options carefully before declining this coverage. Individual plan premiums and coverage will be different from the premiums and coverage under your Group plan.

Continuation of Group Coverage

COBRA

You may be able to continue your coverage under this *EOC* for a limited time after you would otherwise lose eligibility, if required by the federal Consolidated Omnibus Budget Reconciliation Act (“COBRA”). COBRA applies to most employees (and most of their covered family Dependents) of most employers with 20 or more employees.

If your Group is subject to COBRA and you are eligible for COBRA coverage, in order to enroll you must submit a COBRA election form to your Group within the COBRA election period. Please ask your Health Benefits Officer (or, if you are retired, the CalPERS Health Account Management Division) for details about COBRA coverage, such as how to elect coverage, how much you must pay for coverage, when coverage and Premiums may change, and where to send your Premium payments.

If you enroll in COBRA and exhaust the time limit for COBRA coverage, you may be able to continue Group coverage under state law as described under “Cal-COBRA” in this “Continuation of Group Coverage” section.

Cal-COBRA

If you are eligible for coverage under the California Continuation Benefits Replacement Act (“Cal-COBRA”), you can continue coverage as described in this “Cal-COBRA” section if you apply for coverage in compliance with Cal-COBRA law and pay applicable Premiums.

Eligibility and effective date of coverage for Cal-COBRA after COBRA

If your group is subject to COBRA and your COBRA coverage ends, you may be able to continue Group coverage effective the date your COBRA coverage ends if all of the following are true:

- Your effective date of COBRA coverage was on or after January 1, 2003
- You have exhausted the time limit for COBRA coverage and that time limit was 18 or 29 months

- You do not have Medicare

You must request an enrollment application by calling our Member Service Contact Center within 60 days of the date of when your COBRA coverage ends.

Cal-COBRA enrollment and Premiums

Within 10 days of your request for an enrollment application, we will send you our application, which will include Premium and billing information. You must return your completed application within 63 days of the date of our termination letter or of your membership termination date (whichever date is later).

If we approve your enrollment application, we will send you billing information within 30 days after we receive your application. You must pay Full Premiums within 45 days after the date we issue the bill. The first Premium payment will include coverage from your Cal-COBRA effective date through our current billing cycle. You must send us the Premium payment by the due date on the bill to be enrolled in Cal-COBRA.

After that first payment, your Premium payment for the upcoming coverage month is due on first day of that month. The Premiums will not exceed 110 percent of the applicable Premiums charged to a similarly situated individual under the Group benefit plan except that Premiums for disabled individuals after 18 months of COBRA coverage will not exceed 150 percent instead of 110 percent. Returned checks or insufficient funds on electronic payments will be subject to a \$25 fee.

If you have selected Ancillary Coverage provided under any other program, the Premium for that Ancillary Coverage will be billed together with required Premiums for coverage under this *EOC*. Full Premiums will then also include Premium for Ancillary Coverage. This means if you do not pay the Full Premiums owed by the due date, we may terminate your membership under this *EOC* and any Ancillary Coverage, as described in the “Termination for nonpayment of Cal-COBRA Premiums” section.

Changes to Cal-COBRA coverage and Premiums

Your Cal-COBRA coverage is the same as for any similarly situated individual under your Group’s Agreement, and your Cal-COBRA coverage and Premiums will change at the same time that coverage or Premiums change in your Group’s Agreement. Your Group’s coverage and Premiums will change on the renewal date of its Agreement (January 1), and may also change at other times if your Group’s Agreement is amended. Your monthly invoice will reflect the current Premiums that are due for Cal-COBRA coverage,

including any changes. For example, if your Group makes a change that affects Premiums retroactively, the amount we bill you will be adjusted to reflect the retroactive adjustment in Premiums. Your Health Benefits Officer (or, if you are retired, the CalPERS Health Account Management Division) can tell you whether this *EOC* is still in effect and give you a current one if this *EOC* has expired or been amended. You can also request one from our Member Service Contact Center.

Cal-COBRA open enrollment or termination of another health plan

If you previously elected Cal-COBRA coverage through another health plan available through your Group, you may be eligible to enroll in Kaiser Permanente during your Group’s annual open enrollment period, or if your Group terminates its agreement with the health plan you are enrolled in. You will be entitled to Cal-COBRA coverage only for the remainder, if any, of the coverage period prescribed by Cal-COBRA. Please ask your Group for information about health plans available to you either at open enrollment or if your Group terminates a health plan’s agreement, please contact the CalPERS Member Account Management Division, Attn: Enrollment Administration, P.O. Box 942714, Sacramento, CA 94229-2714, fax number 916-795-1277, or telephone the CalPERS Customer Service and Outreach Division toll free at **888 CalPERS** (or **888-225-7377**).

In order for you to switch from another health plan and continue your Cal-COBRA coverage with us, we must receive your enrollment application during your Group’s open enrollment period, or within 63 days of receiving the Group’s termination notice described under “Group responsibilities.” To request an application, please call our Member Service Contact Center. We will send you our enrollment application and you must return your completed application before open enrollment ends or within 63 days of receiving the termination notice described under “Group responsibilities.” If we approve your enrollment application, we will send you billing information within 30 days after we receive your application. You must pay the bill within 45 days after the date we issue the bill. You must send us the Premium payment by the due date on the bill to be enrolled in Cal-COBRA.

How you may terminate your Cal-COBRA coverage

You may terminate your Cal-COBRA coverage by sending written notice, signed by the Subscriber, to the address below. Your membership will terminate at 11:59 p.m. on the last day of the month in which we receive your notice. Also, you must include with your notice all

amounts payable related to your Cal-COBRA coverage, including Premiums, for the period prior to your termination date.

Kaiser Foundation Health Plan, Inc.
California Service Center
P.O. Box 23127
San Diego, CA 92193-3127

Termination for nonpayment of Cal-COBRA Premiums

If you do not pay Full Premiums by the due date, we may terminate your membership as described in this “Termination for nonpayment of Cal-COBRA Premiums” section. If you intend to terminate your membership, be sure to notify us as described under “How you may terminate your Cal-COBRA coverage” in this “Cal-COBRA” section, as you will be responsible for any Premiums billed to you unless you let us know before the first of the coverage month that you want us to terminate your coverage.

Your Premium payment for the upcoming coverage month is due on the first day of that month. If we do not receive full Premium payment on or before the first day of the coverage month, we will send a notice of nonreceipt of payment (a “Late Notice”) to the Subscriber’s address of record. This Late Notice will include the following information:

- A statement that we have not received full Premium payment and that we will terminate the memberships of everyone in your Family for nonpayment if we do not receive the required Premiums within 30 days after the date of the Late Notice
- The amount of Premiums that are due
- The specific date and time when the memberships of everyone in your Family will end if we do not receive the Premiums

If we terminate your Cal-COBRA coverage because we did not receive Full Premiums when due, your membership will end at 11:59 p.m. on the 30th day after the date of the Late Notice. Your coverage will continue during this 30-day grace period, but upon termination you will be responsible for paying all past due Premiums, including the Premiums for this grace period.

We will mail a Termination Notice to the Subscriber’s address of record if we do not receive full Premium payment within 30 days after the date of the Late Notice. The Termination Notice will include the following information:

- A statement that we have terminated the memberships of everyone in your Family for nonpayment of Premiums

- The specific date and time when the memberships of everyone in your Family ended
- The amount of Premiums that are due
- Information explaining whether or not you can reinstate your memberships
- Your appeal rights

If we terminate your membership, you are still responsible for paying all amounts due.

Reinstatement of your membership after termination for nonpayment of Cal-COBRA Premiums

If we terminate your membership for nonpayment of Premiums, we will permit reinstatement of your membership three times during any 12-month period if we receive the amounts owed within 15 days of the date of the Termination Notice. We will not reinstate your membership if you do not obtain reinstatement of your terminated membership within the required 15 days, or if we terminate your membership for nonpayment of Premiums more than three times in a 12-month period.

Termination of Cal-COBRA coverage

Cal-COBRA coverage continues only upon payment of applicable monthly Premiums to us at the time we specify, and terminates on the earliest of:

- The date your Group’s *Agreement* with us terminates (you may still be eligible for Cal-COBRA through another Group health plan)
- The date you get Medicare
- The date your coverage begins under any other group health plan that does not contain any exclusion or limitation with respect to any pre-existing condition you may have (or that does contain such an exclusion or limitation, but it has been satisfied)
- The date that is 36 months after your original COBRA effective date (under this or any other plan)
- The date your membership is terminated for nonpayment of Premiums as described under “Termination for nonpayment of Cal-COBRA Premiums” in this “Continuation of Membership” section

Note: If the Social Security Administration determined that you were disabled at any time during the first 60 days of COBRA coverage, you must notify your Group within 60 days of receiving the determination from Social Security. Also, if Social Security issues a final determination that you are no longer disabled in the 35th or 36th month of Group continuation coverage, your Cal-COBRA coverage will end the later of: (1) expiration of 36 months after your original COBRA effective date, or

(2) the first day of the first month following 31 days after Social Security issued its final determination. You must notify us within 30 days after you receive Social Security’s final determination that you are no longer disabled.

Group responsibilities

If your Group’s agreement with a health plan is terminated, your Group is required to provide written notice at least 30 days before the termination date to the persons whose Cal-COBRA coverage is terminating. This notice must inform Cal-COBRA beneficiaries that they can continue Cal-COBRA coverage by enrolling in any health benefit plan offered by your Group. It must also include information about benefits, premiums, payment instructions, and enrollment forms (including instructions on how to continue Cal-COBRA coverage under the new health plan). Your Group is required to send this information to the person’s last known address, as provided by the prior health plan. Health Plan is not obligated to provide this information to qualified beneficiaries if your Group fails to provide the notice. These persons will be entitled to Cal-COBRA coverage only for the remainder, if any, of the coverage period prescribed by Cal-COBRA.

USERRA

If you are called to active duty in the uniformed services, you may be able to continue your coverage under this *EOC* for a limited time after you would otherwise lose eligibility, if required by the federal Uniformed Services Employment and Reemployment Rights Act (“USERRA”). You must submit a USERRA election form to your Group within 60 days after your call to active duty. Please contact your Group to find out how to elect USERRA coverage and how much you must pay your Group.

Coverage for a Disabling Condition

If you became Totally Disabled while you were a Member under your Group’s *Agreement* with us and while the Subscriber was employed by your Group, and your Group’s *Agreement* with us terminates and is not renewed, we will cover Services for your totally disabling condition until the earliest of the following events occurs:

- 12 months have elapsed since your Group’s *Agreement* with us terminated
- You are no longer Totally Disabled
- Your Group’s *Agreement* with us is replaced by another group health plan without limitation as to the disabling condition

Your coverage will be subject to the terms of this *EOC*, including Copayments or Coinsurance, but we will not cover Services for any condition other than your totally disabling condition.

For Subscribers and adult Dependents, “Totally Disabled” means that, in the judgment of a Medical Group physician, an illness or injury is expected to result in death or has lasted or is expected to last for a continuous period of at least 12 months, and makes the person unable to engage in any employment or occupation, even with training, education, and experience.

For Dependent children, “Totally Disabled” means that, in the judgment of a Medical Group physician, an illness or injury is expected to result in death or has lasted or is expected to last for a continuous period of at least 12 months and the illness or injury makes the child unable to substantially engage in any of the normal activities of children in good health of like age.

To request continuation of coverage for your disabling condition, you must call our Member Service Contact Center within 30 days after your Group’s *Agreement* with us terminates.

Leave of Absence

If you qualify for continuing group membership by completion of HBD Form 21, you should contact your Health Benefits Officer who will help you make the necessary changes in your enrollment while you are on a leave of absence.

If you are paying your monthly premiums using the coupon payment book, please send your payment to the following address:

Kaiser Permanente
P.O. Box 7004
Anaheim, CA 92850-7004

If you receive a billing statement for your monthly premiums, please send your payment to the following address:

Kaiser Permanente
P.O. Box 7027
Anaheim, CA 92850-7027

Please note that it is very important to make the necessary enrollment changes and establish your account before you begin making monthly payments. Contact your Health Benefits Officer to make the necessary enrollment changes prior to your leave of absence.

Continuation of Coverage under an Individual Plan

If you want to remain a Health Plan member when your Group coverage ends, you might be able to enroll in one of our Kaiser Permanente for Individuals and Families plans. The premiums and coverage under our individual plan coverage are different from those under this *EOC*.

If you want your individual plan coverage to be effective when your Group coverage ends, you must submit your application within the special enrollment period for enrolling in an individual plan due to loss of other coverage. Otherwise, you will have to wait until the next annual open enrollment period.

To request an application to enroll directly with us, please go to buykp.org or call our Member Service Contact Center. For information about plans that are available through Covered California, see “Covered California” below.

Covered California

U.S. citizens or legal residents of the U.S. can buy health care coverage from Covered California. This is California’s health benefit exchange (“the Exchange”). You may apply for help to pay for premiums and copayments but only if you buy coverage through Covered California. This financial assistance may be available if you meet certain income guidelines. To learn more about coverage that is available through Covered California, visit CoveredCA.com or call Covered California at 1-800-300-1506 (TTY users call 711).

Miscellaneous Provisions

Administration of Agreement

We may adopt reasonable policies, procedures, and interpretations to promote orderly and efficient administration of your Group’s *Agreement*, including this *EOC*.

Advance Directives

The California Health Care Decision Law offers several ways for you to control the kind of health care you will receive if you become very ill or unconscious, including the following:

- A *Power of Attorney for Health Care* lets you name someone to make health care decisions for you when you cannot speak for yourself. It also lets you write

down your own views on life support and other treatments

- *Individual health care instructions* let you express your wishes about receiving life support and other treatment. You can express these wishes to your doctor and have them documented in your medical chart, or you can put them in writing and have that included in your medical chart

To learn more about advance directives, including how to obtain forms and instructions, contact the Member Services Department at a Plan Facility. For more information about advance directives, refer to our website at kp.org or call our Member Service Contact Center.

Amendment of Agreement

Your Group's *Agreement* with us will change periodically. If these changes affect this *EOC*, your Group is required to inform you in accord with applicable law and your Group's *Agreement*.

Applications and Statements

You must complete any applications, forms, or statements that we request in our normal course of business or as specified in this *EOC*.

Assignment

You may not assign this *EOC* or any of the rights, interests, claims for money due, benefits, or obligations hereunder without our prior written consent.

Attorney and Advocate Fees and Expenses

In any dispute between a Member and Health Plan, the Medical Group, or Kaiser Foundation Hospitals, each party will bear its own fees and expenses, including attorneys' fees, advocates' fees, and other expenses.

Claims Review Authority

We are responsible for determining whether you are entitled to benefits under this *EOC* and we have the discretionary authority to review and evaluate claims that arise under this *EOC*. We conduct this evaluation independently by interpreting the provisions of this *EOC*. We may use medical experts to help us review claims. If coverage under this *EOC* is subject to the Employee

Retirement Income Security Act ("ERISA") claims procedure regulation (29 CFR 2560.503-1), then we are a "named claims fiduciary" to review claims under this *EOC*.

ASH Participating Providers

PLEASE READ THE FOLLOWING INFORMATION SO YOU WILL KNOW FROM

WHOM OR WHAT GROUP OF PROVIDERS HEALTH CARE MAY BE OBTAINED.

ASH Plans contracts with ASH Participating Providers and other licensed providers to provide the Services covered under this Amendment (including laboratory tests, X-rays, and chiropractic supports and appliances). You must receive Services covered under this Amendment from an ASH Participating Provider or another licensed provider with which ASH contracts to provide covered care, except for Services covered under “Emergency and Urgent Services Covered Under this Amendment” in the “Covered Services” section and Services that are not available from contracted providers and that are authorized in advance by ASH Plans.

How to Obtain Services

To obtain Services covered under this Amendment call an ASH Participating Provider to schedule an initial examination. If additional Services are required after the initial examination, verification that the Services are Medically Necessary may be required, as described under “Decision time frames” below. Your ASH Participating Provider will request any required medical necessity determinations. An ASH Plans clinician in the same or similar specialty as the provider of Services under review will determine whether the Services are or were Medically Necessary Services.

Decision time frames

The ASH Plans’ clinician will make the authorization decision within the time frame appropriate for your condition, but no later than five business days after receiving all of the information (including additional examination and test results) reasonably necessary to make the decision, except that decisions about urgent Services will be made no later than 72 hours after receipt of the information reasonably necessary to make the decision. If ASH Plans needs more time to make the decision because it doesn’t have information reasonably necessary to make the decision, or because it has requested consultation by a particular specialist, you and your ASH Participating Provider will be informed in writing about the additional information, testing, or specialist that is needed, and the date that ASH Plans expects to make a decision.

Your ASH Participating Provider will be informed of the decision within 24 hours after the decision is made. If the Services are authorized, your ASH Participating Provider will be informed of the scope of the authorized Services. If ASH Plans does not authorize all of the Services, ASH Plans will send you a written decision and explanation, including the rationale for the decision and the criteria

used to make the decision, within two business days after the decision is made. The letter will also include information about your appeal rights, which are described in the “Coverage Decisions, Appeals, and Complaints” section of your Health Plan *EOC* for Kaiser Permanente Senior Advantage Members, and “Dispute Resolution” section of your Health Plan *EOC* for all other Members. Any written criteria that ASH Plans uses to make the decision to authorize, modify, delay, or deny the request for authorization will be made available to you upon request. If you have questions or concerns, please contact ASH Plans or Kaiser Permanente as described under “Customer Service” in this Amendment.

Covered Services

We cover the Services listed in this “Covered Services” section, subject to exclusions described in the “Exclusions” section, only if all of the following conditions are satisfied:

- You are a Member on the date that you receive the Services
- ASH Plans has determined that the Services are Medically Necessary, except for:
 - ◆ the initial examination described under “Office Visits” in this “Covered Services” section
 - ◆ Services covered under “Emergency and Urgent Services Covered Under this Amendment” in this “Covered Services” section
- You receive the Services from ASH Participating Providers or other licensed providers with which ASH contracts to provide covered care, except for:
 - ◆ Services covered under “Emergency and Urgent Services Covered Under this Amendment” in this “Covered Services” section
 - ◆ Services that are not available from ASH Participating Providers or other licensed providers with which ASH contracts to provide covered care and that are authorized in advance by ASH Plans

When you receive covered Services, you must pay the Copayments or Coinsurance listed in this “Covered Services” section. If you receive Services that are not covered under this Amendment, you may be liable for the full price of those Services.

Note: If Charges for Services are less than the Copayment described in this “Covered Services” section, you will pay the lesser amount.

The Copayments or Coinsurance you pay for Services covered under this Amendment does not apply toward

any Plan Deductible or Plan Out-of-Pocket Maximum described in your Health Plan *EOC*.

If you have questions about your Copayments or Coinsurance for specific Services that you are scheduled to receive or that your provider orders during a visit or procedure, please call the ASH Plans Customer Service Department toll free at **1-800-678-9133** (TTY users call **711**) weekdays from 5 a.m. to 6 p.m.

Coverage of Acupuncture Services under this Amendment is different from the coverage of acupuncture Services under your Health Plan *EOC*. You do not need a referral to get covered Services under this Amendment, but covered Services and your Copayments or Coinsurance may differ from those under your Health Plan *EOC*. If you receive acupuncture Services for which you have a referral (as described under “Getting a Referral” in the “How to Obtain Services” section of the *EOC*), then unless you tell us otherwise, we will assume that you are using your coverage under your Health Plan *EOC*.

If you are a Kaiser Permanente Senior Advantage Member, refer to your Health Plan *EOC* for information about the chiropractic Services that we cover in accord with Medicare guidelines, which are separate from the Services covered under this Amendment.

Office Visits

We cover up to a combined total of 20 of the following types of office visits per 12-month period at a **\$15 Copayment per visit:**

- **Initial chiropractic examination:** An examination performed by an ASH Participating Provider to determine the nature of your problem (and, if appropriate, to prepare a Treatment Plan), and to provide Medically Necessary Chiropractic Services, which may include an adjustment and adjunctive therapy. We cover an initial examination only if you have not already received covered Chiropractic Services from an ASH Participating Provider in the same 12-month period for your Musculoskeletal and Related Disorder
- **Subsequent chiropractic office visits:** Subsequent ASH Participating Provider office visits for Chiropractic Services that are determined to be Medically Necessary by an ASH Plans clinician. These subsequent office visits may include an adjustment, adjunctive therapy, and a re-examination to assess the need to continue, extend, or change a Treatment Plan

- **Initial acupuncture examination:** An examination performed by an ASH Participating Provider to determine the nature of your problem (and, if appropriate, to prepare a Treatment Plan), and to provide Medically Necessary Acupuncture Services. We cover an initial examination only if you have not already received covered Acupuncture Services from an ASH Participating Provider in the same 12-month period for your Musculoskeletal and Related Disorder, nausea, or pain
- **Subsequent acupuncture office visits:** Subsequent ASH Participating Provider office visits for Acupuncture Services that are determined to be Medically Necessary by an ASH Plans clinician, which may include a re-examination to assess the need to continue, extend, or change a Treatment Plan

Each office visit counts toward any visit limit, if applicable.

Laboratory Tests and X-rays

We cover Medically Necessary laboratory tests and X-rays when prescribed as part of covered chiropractic care described under “Office Visits” in this “Covered Services” section at **no charge** when an ASH Participating Provider provides the Services or refers you to another licensed provider with which ASH contracts to provide covered Services.

Chiropractic Supports and Appliances

We provide a **\$50 Allowance per 12-month period** toward the ASH Plans fee schedule price for chiropractic appliances listed in this paragraph when the item is prescribed and provided to you by an ASH Participating Provider as part of covered chiropractic care described under “Office Visits” in this “Covered Services” section. If the price of the items in the ASH Plans fee schedule exceed \$50 (the Allowance), you will pay the amount in excess of \$50 (and that payment does not apply toward the Plan Out-of-Pocket Maximum described in your Health Plan *EOC*). Covered chiropractic appliances are limited to: elbow supports, back supports (thoracic), cervical collars, cervical pillows, heel lifts, hot or cold packs, lumbar braces and supports, lumbar cushions, orthotics, wrist supports, rib belts, home traction units (cervical or lumbar), ankle braces, knee braces, rib supports, and wrist braces.

Second Opinions

You may request a second opinion in regard to covered Services by contacting another ASH Participating

Provider. Your visit to another ASH Participating Provider for a second opinion generally will count toward any visit limit, if applicable. An ASH Participating Provider may also request a second opinion in regard to covered Services by referring you to another ASH Participating Provider in the same or similar specialty. When you are referred by an ASH Participating Provider to another ASH Participating Provider for a second opinion, your visit to the other ASH Participating Provider will not count toward any visit limit, if applicable. An authorization or denial of your request for a second opinion will be provided in an expeditious manner, as appropriate for your condition. If your request for a second opinion is denied, you will be notified in writing of the reasons for the denial, and of your right to file a grievance as described under “Grievances” in this Amendment.
