

DEPUTY CHIEF INFORMATION SECURITY OFFICER

Do you have a passion for cyber security and a desire to help oversee an advanced cyber security operations center? Are you ready to join a high-performing team on the leading edge of information security technology?

Riverside County Information Technology (RCIT) has an immediate opportunity for a dynamic, innovative person to join our team. We're looking for a self-starter, who enjoys a challenge and thrives on problem solving to move forward with us in the fast-paced, ever-evolving world of information security. Our team environment inspires creativity, collaboration, innovation, and celebrates individual & group successes.

THE POSITION:

Salary Range: \$112,354 to \$198,452 **

Required Experience: 10 years of management experience in information technology (with 5 years concentrated in information security) and an active CISSP certification from ISC²)

WHAT YOU WILL DO:

- ✓ *Help direct* the enterprise information security, IT governance, vulnerability management, and risk management programs.
- ✓ *Help manage* the county's cyber security operations center and incident response plan.
