DEFINITIONS

The Board of Supervisors of the County of Riverside, State of California, also acting ex officio as the governing board of the Riverside County Flood Control and Water Conservation District, Waste Resources Management District, the Riverside County Redevelopment Agency, and the Riverside County Regional Parks and Open Space District, do ordain that this Resolution shall be known as "The Riverside County Management, Confidential, and Other Unrepresented Employees Salary Resolution". For the purpose of this Resolution, words and phrases are defined as follows:

- a. Anniversary date means the date upon which an increase in salary becomes effective under the provisions of this Resolution or the job classification is established by the Board of Supervisors to serve at the pleasure of the appointing officer.
- b. Appointive officers means the persons appointed or employed by the Board of Supervisors or otherwise as the principal employee of an agency/department in the County government, or of the Riverside County Flood Control and Water Conservation District, the Riverside County Redevelopment Agency, the Waste Resources Management District, and the Riverside County Regional Parks and Open Space District, which districts and agencies for the purposes of this Resolution shall be deemed the equivalent of departments of the County government, except that references in this Resolution to the County shall mean such district when the context so requires.
- c. At-Will means an employee whose status is set forth in Article 601E of this Resolution.
- d. Continuous service, continuous employment, and similar terms, mean the continuing service of a permanent employee in a continuing payroll status, without interruption except for authorized leave of absence.
- e. Demotion means a change of employment without intervening loss of working days from a position allocated to a given salary grade to a position in a different classification allocated to a lower salary grade, whether in the same or a different agency/department. A "demotion" may be either voluntary or involuntary.
- f. Emergency employee means employees whose employment is occasioned by a condition of emergency only.
- g. Employee means only "regular" or "seasonal" employee(s) employed by the County in those classifications included in the Groups identified in Sec. 101 herein.

- h. Full time employee means employees whose positions require the number of hours usual or prescribed for normal permanent County employment. All positions shall be full time unless otherwise designated or unless the compensation is fixed upon the basis of part time work.
- i. Holiday or paid holiday means any day, other than Saturday or Sunday, on which County offices are not open for business, in accordance with County ordinance for which employees covered under the provisions of this Resolution are eligible for compensation.
- j. Management Employee as used in this Resolution, unless otherwise stated, means employees in Groups 1 and 3, as defined in Sec. 101.
- k. Officer means all “County officers” and “appointive officers” as herein defined, except where the natural construction of this Resolution otherwise indicates. “Officer” is the equivalent of an agency/department head.
- l. Paid status means the payment of compensation to an employee for regular hours worked or from accrued leave banks such as vacation, sick, holiday and/or compensatory time. Payments received for disability such as short-term or long-term disability or workers’ compensation shall not be considered being in a paid status and shall not entitle an employee to earn leave accruals, including accrued holiday or receive flex benefit contributions.
- m. Part time employee means an employee in a position that is designated part time or for which compensation is fixed upon a basis of part time work.
- n. Pay period means 14 calendar days, and refers to the period for computing compensation due for all normal working shifts ending during that period.
- o. Permanent employee means a regular employee who has completed the initial probationary period in a position, not including any incumbent of an at-will position as specified in this Resolution.
- p. Position means any office or employment to which a group of duties and responsibilities is assigned or delegated by competent authority, the performance of which requires the full time or part time employment of one person unless permission is granted for job sharing.
- q. Probationary employee means a regular employee who has not completed the initial probationary period, including any extensions thereto, as designated in this Resolution, in a paid status in a position

following initial employment. The appointment of an employee to a position allocated to a higher salary grade because of professional registration achieved by the incumbent shall not be deemed a promotion but a change in salary allocation.
- s. Reclassification means the reallocation of a position to a different classification by a change of title and position specification, but does not necessarily involve a change of salary grade.
- t. Regular employee means a holder of a regular position.
- u. Regular position means a position established by County Salary Ordinance No. 440 on an ongoing basis, as distinct from a seasonal or temporary position.

The provisions of this Resolution will be applied equally to all employees without unlawful discrimination based upon sex (including pregnancy and medical conditions related to pregnancy), age, race, color, religion, national origin, ancestry, disability (mental and physical), medical condition, marital status, military and veteran status, denial of family and medical care leave, gender (including gender identity and gender expression), or sexual orientation, or any other classes protected by law.

ARTICLE 2
HOURS OF WORK, OVERTIME

Sec. 201 Normal 80 Hour Biweekly Work Period: Except as may be otherwise provided, the official biweekly work period of the County shall be ten (10) working days of eight (8) hours each coinciding with the two-week pay period. This provision is intended to define the normal work period and does not guarantee a minimum number of hours of work.

Sec. 202 Different 80 Hour Biweekly Work Period: An agency/department head, with prior approval of the County Executive Officer and the Human Resources Director, may establish or eliminate a different biweekly work period of eighty (80) hours.

Sec. 203 Overtime Policy: It is the policy of the Board of Supervisors that overtime work is discouraged and that it be limited to emergencies or the performance of urgent necessary functions.

- Sec. 204 FLSA Exempt Employees: Any employee whose position is determined to be exempt from the Fair Labor Standards Act (“FLSA”) shall not be entitled to compensation for overtime of any type unless specifically provided herein. The Human Resources Director and County Counsel shall determine which employees are exempt from the FLSA.
- Sec. 205 Definitions: For purposes of determining eligibility for overtime only:
- A. A designated FLSA work period shall consist of 168 consecutive hours (7 days).
 - B. Overtime is defined as time actually worked by an FLSA non-exempt employee in excess of forty (40) hours in a designated FLSA work period. Management reserves the right to designate the FLSA work period for each employee.
 - C. Time worked shall not include any form of paid leave.
- Sec. 206 Authorization for Overtime Work: Performance of overtime work may be authorized by the agency/department head or his/her designated subordinate.
- A. Agency/department Record: For employees who are entitled to overtime, actual hours of overtime work shall be reported on each attendance report. The Auditor shall maintain the record of overtime credit at one and one-half times such actual hours. Actual hours of compensatory time off shall be reported on each attendance report. If payment is to be made, the number of hours of overtime credit to be paid shall be specified.
- Sec. 207 Compensation for Overtime Work: Employees who are not considered exempt under the provisions of the FLSA shall be paid at a rate of one and one-half times their FLSA hourly rate of pay for all time worked in excess of forty (40) hours during their designated FLSA work period. Upon termination, accumulated overtime credit shall be paid for.
- A. Compensatory Time-off: An employee eligible for paid overtime under the provisions of this Section may request, subject to management approval, the accumulation of up to 120 hours of compensatory time off (“CTO”) in lieu of paid overtime. Such overtime is accumulated at the rate of one and one-half (1½) hours of compensatory time off for each hour worked in excess of forty (40) hours during the designated FLSA work period. Accumulated overtime credit may be taken as paid time off, at a time or times agreeable to the agency/department head. This method of reducing accumulated overtime credit is encouraged. With approval of the

County Executive Officer, accumulated overtime credit of 120 hours or less may be paid.

- B. Payoff for Unused Compensatory Time-off Upon Separation from County Service: Upon separation from County service, an employee shall be compensated at his/her rate in effect at that time for each hour, or a portion thereof, of accumulated CTO.

Sec. 208 Fringe Benefits not Affected by Overtime: Overtime work shall not be a basis for increasing vacation or sick leave benefits, nor shall it be a basis of advancing completion of the required period for probation or salary increases. However, where overtime results from necessary, irregular work schedules, it may be included in computing the minimum time for salary increases which would otherwise be delayed beyond the normal period.

Sec. 209 New Payroll System: On or about April 20, 2001, the County implemented People-Soft, a new payroll, accounting, and budgeting system. Changes related to People-Soft implementation included:

- A. Dates for increases in leave accruals, probationary periods, anniversary dates, merit increases, and similar events are based upon service rather than hours, e.g. 1040 hours became six (6) months and 2080 hours became one (1) year.
- B. Leave accruals (e.g. sick leave, vacation pay) continue to require that the employee be in a paid status for each day during the pay period to receive the full accrual for that pay period.
- C. Some other benefits are granted even though the employee is in a paid status for only one day during the pay period (e.g. flexible credit allowance).
- D. The pay date changed from the second Friday following the end of the pay period to the second Wednesday following the end of the pay period.

Sec. 210 Special Assignments: An FLSA exempt employee covered hereunder may, with the approval of the Human Resources Director, be permitted to perform work outside the employee's regular classification by way of special assignment to another classification. Subject to approval by the Human Resources Director, the specially assigned employee shall be compensated at a flat rate determined by the agency/department, not to exceed two times the hourly rate assigned to the classification in which the employee is specially assigned. The time worked in the special assignment will not be included in computing Annual Leave, retirement, or similar benefits. The time worked in the special assignment cannot be detrimental to

the employee's health or performance in the employee's regular position. The special assignments can be terminated at any time and the employee shall not be entitled to any review or hearing procedure upon termination of the special assignment.

Sec. 211 Compensatory Time Off: Persons employed in a FLSA exempt classification listed in Appendix I of the County Salary Ordinance No. 440 shall be entitled to equal compensatory time off for each authorized hour actually worked in excess of the number of required hours in a biweekly work period, subject to the following conditions.

1. The employee must have actually worked:
 - a. the normal eighty (80) hour bi-weekly work period, or
 - b. the number of hours established by the agency/department; whichever is greater (the "required hours").
2. The hours actually worked in excess of the required hours must be worked in the employee's own classification.

With approval of the County Executive Officer, or designee, persons entitled to compensatory time off under this provision may be paid in lieu of receiving compensatory time off. If payment is to be made then the number of hours to be paid shall be specified by the agency/department head or designee. Upon termination, persons employed in the classifications listed in Appendix I shall be paid for any accumulated compensatory time off which has not been taken, not to exceed sixty (60) hours.

Sec. 212 Extra Shift Assignment: Any unrepresented physician classification series, who are authorized to work an extra shift assignment outside of their regularly scheduled shift, shall receive their base hourly rate for each hour actually worked during the extra shift.

Sec. 213 Electronic Fund Deposit of Payroll: Employees shall be required to receive payroll funds by electronic deposit. Employees shall receive a Statement of Earnings (pay stub) through an electronic pay advice system. The electronic pay advice system will permit employees to view/print current and previous bi-weekly pay advice/stubs.

ARTICLE 3 PREMIUM PAY

Sec. 301 Standby Duty: When placed by the agency/department head specifically on standby duty, an FLSA non-exempt employee otherwise off duty shall be paid one (1) hour pay for eight (8) hours of such duty beyond the regular work period. Said compensation shall be in addition to the employee's regular salary entitlement.

Notwithstanding any prior work practice to the contrary, said compensation shall cease when said employee reports to work.

Standby compensation shall cease when the employee reports to work.

Sec. 302 Minimum Overtime on Call-Back Pay: Except as indicated below, an FLSA non-exempt employee called back to a worksite to meet an emergency on an overtime basis, whether or not in standby duty status, shall receive minimum credit for one (1) hour of work.

If an employee should complete the work required, and subsequently be recalled during the minimum credit period, no additional compensation shall be paid for until the minimum credit period has been exhausted. Call-back pay does not include time commuting to and from the worksite.

Remote Call-Back: If an employee should perform call-back work remotely, without the employee having to physically report to a worksite, then the employee will be paid in one-tenth hour increments for all time worked while remotely responding to the call. For example, if the employee remotely completes the performance of work in twenty-five (25) minutes, the employee will be paid thirty (30) minutes for the remote call-back.

Notwithstanding any other provision, time actually worked on call-back shall be counted toward the calculation of overtime requirement.

Sec. 303 Declared Emergency: In the event and during the period of an emergency affecting any portion of the County of Riverside, and notwithstanding any other provision of this Resolution, the following provisions shall apply:

- A. Any officer, in order to perform the work of his/her agency/department or a civil defense function, may employ emergency employees without reference to the salary or classification plans at rates which appear to be prevailing for the type of work to be performed at the time of such employment.
- B. For the same purpose, any officer may employ on a paid overtime basis his/her current employees at hourly rates equivalent to their current compensation basis.
- C. Any employee who reports to his/her regular or a designated place of employment or to a civil defense assignment shall be deemed to be employed in his/her usual position in a regular payroll status. Any employee who, without adequate reason for absence under the

terms of this Resolution, fails to so report shall be deemed absent without leave and shall not be paid during such absence.

- D. The Board of Supervisors may authorize payment on a paid overtime basis, at the rate of one and one-half times the employee's current regular rate, for those employees who are not otherwise entitled to time-and-a-half overtime and who are required to perform services during an emergency. "Emergency services," as used in this subsection, shall be such services the Board of Supervisors authorizes.

Sec. 304 Mileage Reimbursement:

- A. Employees who are required to use their personal vehicles for County business shall be reimbursed at the Internal Revenue Service (IRS) standard mileage rate. Elected Officials and County executives eligible for the Executive Vehicle Benefit described in Section 304 (C) and (D) are also eligible for this reimbursement. Adjustments to the County rate, if any, shall be made pursuant to and concurrent with the IRS rate changes. To receive the reimbursement, the employee must provide proof in the format required by the County that the miles were business related and provide an accounting of every business mile to be reimbursed, which shall include information for each business use (recorded at or near the time of the business use) of the date, the business purpose and place of each trip, in addition to the mileage.
- B. If an employee is required to use his/her personal vehicle while in the course and scope of his/her employment, the employee must, prior to using said vehicle, do the following:
 - 1. Complete County of Riverside "Authorization to Drive Riverside County Vehicle or Private Vehicle for County Business," Form, authorizing the employee to use his/her personal vehicle, which must be approved by the agency/department head.
 - 2. Ensure the vehicle in minimum limits required by the State of California. In addition, employees must have their policies of insurance endorsed to reflect business use. Such insurance must be maintained at all times while employed in a position where it is required or may be required to use a personal vehicle while in the course and scope of employment. In the event of an incident or accident, the County does not assume responsibility for any physical damage to an employee's personal vehicle.

3. Provide a copy of a valid driver's license, which is appropriate for the class of vehicle to be operated. If any restrictions apply, the employee must notify his/her supervisor of the restrictions and/or any and all changes in the license (i.e. suspended, etc.).

The use of motorcycles, mopeds, and similar types of vehicles for the conduct of County business is expressly prohibited, with the exception of the Sheriff's Department sworn personnel.

- C. Elected Officials designated as eligible for Tier 1 of the Executive Vehicle Benefit as delineated in Appendix III of Salary Ordinance 440, shall be eligible to receive an Automobile Allowance of \$550.00 per month, or be furnished with a County vehicle as provided under existing County policies and procedures.
- D. Other County executives designated as eligible for Tier 2 of the Executive Vehicle Benefit as delineated in Appendix III of Salary Ordinance 440, shall be eligible to receive an Automobile Allowance of \$550.00 per month.

Sec. 305 Maintenance Pay:

- A. Rates for maintenance, including living quarters, meals, or laundry service, furnished by the County to any officer or employee shall be fixed by a resolution of the Board of Supervisors from time to time. Payment therefore shall be made by a deduction from compensation or by performance of additional services, as may be determined by the Board of Supervisors.
- B. No charge for meals shall be made where the same are furnished for the convenience of the County, such as for employees at County institutions who are required by the nature of their duties to take their meals in connection with such employment. No person shall receive maintenance at any institution unless on duty at such institution.
- C. Nothing herein shall prohibit the furnishing of meals on a cost basis where necessary or convenient. It shall be the duty of each officer to make certain that the provisions of this section are complied with as to all employees, agency/departments, and institutions under his/her control and to keep the Auditor properly informed as to any payroll deductions required hereunder.
- D. Medical interns and resident physicians at the Riverside County Regional Medical Center shall be furnished without charge medical and hospital care for acute illnesses and injuries contracted or sustained by them during the period of their employment. Whether an illness or injury qualifies under this provision shall be determined

by the Assistant County Executive Officer – Health Systems with the advice of the Chief Medical Officer.

Sec. 306 Moving Expenses-Current Employees: Upon the written request of an agency/department head, the Human Resources Director and the County Executive Officer may authorize payment of all or part of the actual and necessary expenses hereafter incurred for moving the household and immediate family of an employee from one part of the County to another, when the headquarters of the employee is permanently changed for the convenience of the County. Such authority shall be obtained in advance of the change, shall be subject to such reasonable conditions as the County Executive Officer may require, shall specify the maximum amount authorized, and shall not be granted more than once in any one year period for any one employee, nor for any employee until he or she has been continuously employed by the County for at least one (1) year preceding the authorization. If the employee voluntarily terminates his or her employment with the County within one year of the payment of the expenses set forth herein, the employee shall, within thirty (30) days of the effective date of the voluntary termination of employment with the County, reimburse the County the full amount of any payment received by the employee for the expenses set forth herein.

Sec. 307 Shift Differentials:

When the Human Resources Director and the County Executive Officer authorize a position to be filled at such salary higher than the minimum salary of the salary grade, the Human Resources Director and the County Executive Officer may also advance all incumbents of positions in the same classification earning less than the salary so authorized to the same or one of said higher salary, based on qualifications and experience. The anniversary date shall be the first day of the pay period that is not less than one (1) year (26 pay periods) in a paid status thereafter, not including overtime. 1. The provisions of this section shall be subject to other specific provisions of this Resolution affecting a change of anniversary dates.

During the employment or re-employment, the retiree is to be paid at a rate not less than the minimum, nor more than that paid other employees performing comparable duties.

When a retiree under the *Public Employees' Retirement Law* is employed or re-employed, his/her retirement status must be specified in the documentation of appointment to a permanent or temporary position.

At the discretion of the Human Resources Director and the County Executive Officer the salary of an incumbent of a position reclassified to a classification on a lower salary grade may be frozen at the hourly rate of pay immediately prior to the date of the downward reclassification and may not be increased until the maximum of the salary grade assigned to the new classification exceeds the hourly rate of pay the incumbent was earning immediately prior to the establishment of the frozen rate. The anniversary date shall not change.

- C. Both the supervisor and subordinate have been appointed to full-time positions; and

This addition to base salary shall be effective only for the period necessary to maintain the base salary of the supervisor/manager at a rate of five and one-half percent (5.5%) above that received by the subordinate.

When the conditions authorizing this increase cease to exist then the base salary of the supervisor/manager shall be adjusted to the base salary he/she would have attained except for the provisions of this Section. The effective date of said adjustment shall be the first day of the pay period following the action creating the changed condition.

The provisions of this Section shall not, under any circumstances, be applied retroactively. Furthermore, it shall be the responsibility of the supervisor/manager to assure that payments made pursuant to this Section cease when the conditions which resulted in such payments no longer exist.

Only the time accrued in the calendar year following when the irrevocable election was made is eligible for pay in lieu of Annual Leave. In order to be eligible for pay in lieu of Annual Leave, an employee's Annual Leave balance must be below the maximum accumulation.

For employees experiencing a financial hardship, limited exceptions may be made to this provision pursuant to IRS code (26 USC Section 409 a).

For employees who elect to defer their pay in lieu of Annual Leave into a 457 Deferred Compensation account, it will be subject to the annual IRS limits.

In order to be eligible for pay in lieu of Annual Leave, an employee's Annual Leave balance must be below the maximum accumulation.

For employees experiencing a financial hardship, limited exceptions may be made to this provision pursuant to IRS code (26 USC Section

409 a).

For employees who elect to defer their pay in lieu of Annual Leave into a 457 Deferred Compensation account, it will be subject to the annual IRS limits.

Sec. 705 Annual Leave Usage:

- A. Annual Leave is to be scheduled at the discretion of the agency/department head, or designee. Each agency/department head shall be responsible for scheduling the Annual Leave periods of his/her employees in such a manner as to achieve the most efficient functioning of the agency/department and of the County service. The agency/department head shall determine when Annual Leave will be taken.

- B. While generally Annual Leave usage is required to be scheduled in advance, the County recognizes that from time to time employees may desire to use Annual Leave for an unforeseen absence due to illness/injury or other personal reason. Annual Leave may be used to restore pay otherwise lost due to such unscheduled absence from work provided that:
 - i. The employee notifies his/her agency/department head, or designee, on the first (1st) day of such absence and as often thereafter as directed by his/her agency/department head, or designee;

 - ii. If requested by the agency/department head or designee, the employee produces a certificate of a physician, dentist, or other legally authorized person to provide health care services on the same level as a physician, or such other proof satisfactory to the agency/department head; and

 - iii. Any medical certificate provided by the employee be personally signed by the medical provider described at (ii) above and include a written statement indicating the day(s) of the illness/injury and that the illness/injury prevented the employee from being able to work.

- C. Any employee absent for a period of five (5) consecutive workdays due to illness or accident may, at the discretion of his/her agency/department head or the Human Resources Director, be required to have a physical examination by a County approved physician before returning to active duty. Such physical examination

shall be performed by a physician designated by the Human Resources Director and shall be at County expense.

D. Sections 705(B) and 705(C) shall also apply to the use of existing sick leave accruals.

E. Annual Leave may be used for absence reasonably required by complications of pregnancy, continuing through delivery and reasonable period of recovery therefrom, to be determined in accordance with a written report or reports of the employee's personal physician, specifying the expected date of delivery and the date that the employee should cease work. In the event the agency/department head believes there are unusual circumstances, or that the full performance of the employee's work without undue hazard is such as to require a longer period of absence, and on the agency/department head's written request to the Human Resources Director, the determination of the period shall be subject to review and change by a physician employed or provided by the County, including a medical examination of the employee if required by such physician. The cost of this examination shall be paid by the County. In no event shall an employee return to work after pregnancy prior to a date to be fixed by her physician in a signed statement that she is physically able to perform the duties of her position.

F. Proof of Illness:

An employee off work or contemplating to be off work due to illness or injury for an extended period of two (2) weeks or more shall provide a comprehensive health statement as to length of absence from the employee's health care provider stating any duties an employee cannot perform and any restrictions or light duty requirements.

Sec. 706 Payoff Upon Retirement or Termination: Any regular employee who terminates or is terminated shall be credited with all accrued Annual Leave at the same rate as that received on the last day worked or last day of approved leave with pay. Terminal Annual Leave pay shall be paid into a Post-Employment Plan account designated by the employee. Qualifying leave balances of a separating employee who does not make an election will default to a Special Pay Account.

Sec. 707 Prior Sick Leave Accruals:

A. Effective July 2, 1998, current sick leave balances were frozen provided, however, that up to 50% (½) of the sick leave balance for employees covered under the terms and conditions of this Resolution was converted to Annual Leave. The remaining sick leave hours may be used until the sick leave is exhausted or, upon

retirement, disability retirement, or death of the employee, it may be credited to the employee as provided under the provisions of Section 708 below.

- B. Any regular employee who transfers or promotes into a classification covered under the provisions of this Resolution shall, at the time of such transfer/promotion, have his/her sick leave balance converted and/or frozen in the manner described in 707(A) above.

Sec. 708 Payout for Unused Sick Leave: Upon service retirement, disability retirement, or death of an employee or officer, and subject to the provisions of any applicable agreement between the employing agency and the Public Employee's Retirement system, unused accumulated sick leave for employees with at least five (5) but less than fifteen (15) years of service shall be credited at the rate of fifty percent (50%) of the current salary value thereof provided, however, that the total payment shall not exceed a sum equal to 960 hours of full pay. Unused accumulated sick leave for employees with more than fifteen (15) or more years of service shall be credited at the rate of the current salary value provided, however, that that the total payment shall not exceed a sum equal to 960 hours of full pay. Terminal sick leave pay shall be paid into a Post-Employment Plan account designated by the employee. Qualifying leave balances of a separating employee who does not make an election will default to a Special Pay Account.

Sick leave compensation resulting from death shall be made to the persons entitled to it otherwise, in accordance with the Probate Code. Eligibility for a payout under this section is made at the time of separation from County employment and not at a later date.

Sec. 709 Prohibition Against Employment While on Annual Leave: No employee shall be permitted to work for compensation for the County while on Annual Leave without prior approval of the County Executive Officer and his/her agency/department head.

Sec. 710 Annual Leave Accrual Rate - Elected to Appointed Status: Whenever an elective officer, who has more than three (3) years (780 days) of continuous service, succeeds or is appointed to an appointive position without interruption of service, the Human Resources Director shall ascertain the minimum amount of continuous service rendered by such person and shall report the same to the Board of Supervisors, who shall thereupon determine the number of days of such continuous service, and the Annual Leave accrual rate shall be fixed accordingly.

Sec. 711 Exception to Continuous Service: A previous period or periods of County employment which are interrupted in such a manner as to

disqualify such period or periods from being considered in computing continuous service under the provision of this Article may be included in such computation, in full or in part, upon the request of the agency/department head employing the person involved, and approval by the County Executive Officer.

Sec. 712 Elected Officials Exceptions: Elective County officers are not subject to the provisions of this Resolution relating to Annual Leave.

Sec. 713 Retention of Excess Accruals:

- A. Employees covered under the provisions of this Resolution who, as the result of administrative error, have incorrect Annual Leave accrual rates which are subsequently adjusted and whose maximum accrued hours are then in excess of those provided under this Resolution, shall be entitled to maintain such maximum accruals for a period of five (5) years during which time they must reduce their maximum balance to that provided under Section 703, or forfeit the excess accrued hours.
- B. Employees covered under the provisions of this Resolution who, as the result of a change in classification, are assigned to a bargaining unit represented by a recognized employee organization pursuant to the Employee Relations Resolution, and who have accrued Annual Leave hours, shall be permitted to maintain those accrued hours as Annual Leave. Such hours may continue to be used for vacation, sick leave or other approved leave.

An employee who is no longer eligible to accrue Annual Leave, as the result of a change in classification shall no longer be eligible for pay in lieu of Annual Leave pursuant to Sec. 704 of this Resolution. Any elections for pay in lieu of Annual Leave shall be void at the time annual leave buy down elections are processed and the employee has been deemed ineligible as the result of a change in classification to a classification no longer eligible to earn annual leave. If the employee's new classification is entitled to accrue vacation, he/she shall accrue hours at the rate specified under the applicable Memorandum of Understanding. The employee shall be permitted to retain any previously accrued and unused sick leave in his/her sick leave bank. The accrual and use of any sick leave accrued subsequent to the change in the employee's classification shall be subject to the provisions of the Memorandum of Understanding applicable to the employee's new classification.

ARTICLE 8
VACATION

Sec. 801 Accrual Rates:

1. Zero through 3 years (0 to < 36 months) in a payroll status, 80 hours (10 days);
 2. years 4 through 9 (36 to < 108 months) in a payroll status, 120 hours (15 days);
 3. years 10 or more (108 or more months) 160 hours (20 days).

Except as hereinafter provided, no earned vacation shall accrue in excess of the maximum accumulation. No vacation shall ever be taken for a period exceeding the maximum accumulated.

All employees covered under the terms of this Resolution may accumulate accrued vacation for not more than a maximum of 480 hours. - B. Any person whose employment is terminated shall be entitled to pay for all earned vacation as determined under the provisions of this Resolution. For the purpose of this paragraph, vacation shall be deemed earned to the date of termination. While such terminal vacation pay shall be chargeable to the salary appropriation of the agency/department, the position shall be deemed vacant and may be filled provided funds are available therefore. Terminal vacation pay shall be paid into a Post-Employment Plan account designated by the employee. Qualifying leave balances of a separating employee who does not make an election will default to a Special Pay Account.
- C. No employee shall be permitted to work for compensation for the County during vacation, except with prior approval of the County Executive Officer and the agency/department head.

- D. A regular part-time employee shall accrue vacation in the same proportion that working hours bear to the normal working hours of a full-time position. The same proportion shall apply in determining payment of earned vacation on termination.
- E. A previous period or periods of County employment which are interrupted in such a manner as to disqualify such period or periods from being considered in computing continuous service under the provision of this Resolution, may be included in such computation, in full or in part, upon the request of the agency/department head of the agency/department employing the person involved, and approval by the County Executive Officer.

When the agency/department head, or a designee, orders an employee off work, the agency/department head shall, as soon as possible, schedule an appointment for the employee with the County's Employee Health Medical Director or designee who shall examine the employee for the sole purpose of determining whether or not the employee is able to return to work.

The cost of the above-mentioned medical services shall be paid by the County and the employee shall be placed on paid Administrative Leave for that period of time between his/her placement on leave and the County's receipt of the Employee Health Medical Director's determination.

Sec. 904 Sick Leave (Applicable to Employees in Group 4 Only):

However, any employee whose employment is terminated while they are on sick leave shall continue to be compensated for the duration of their illness to the extent of their accrued sick leave, but after such termination shall derive no other benefits under this Resolution which result from being in a paid status. Unless the employee shall have retired, payment for sick leave continuing after termination shall be conditioned upon prior receipt of a physician's certificate or other adequate written proof of illness and in the event of any doubt as to future duration of the illness may be paid on biweekly increments as used. If an employee receives a layoff notice, payment for sick leave shall continue conditioned upon receipt of a physician's certificate or other adequate written proof of illness given to the County prior to payment, and payment shall not continue beyond the exhaustion of accrued sick leave.

4. Sick leave may be used for absence reasonably required by complications of pregnancy, continuing through delivery and reasonable period of recovery therefrom, to be determined in accordance with a written report or reports of the employee's personal physician, specifying the expected date of delivery and the date that the employee should cease work. In the event the agency/department head believes there are unusual circumstances, or that the full performance of the employee's work without undue hazard is such as to require a longer period of absence, and on the agency/department head's written request to the Human Resources Director, the determination of the period shall be subject to review and change by a physician employed or provided by the County, including a medical examination of the employee if required by such physician. The cost of this examination shall be paid by the County. In no event shall an employee return to work after pregnancy prior to a date to be fixed by her physician in a signed statement that she is physically able to perform the duties of her position.

B. Medical Certification Program:

1. When in the judgment of the agency/department head good reason exists for believing an employee may be abusing sick leave the employee shall be placed on notice in writing. The employee shall also be placed on a medical certification program and be allowed paid sick leave by producing a signed original certificate of a physician, dentist, or other legally authorized person to provide health care services on the same level as a physician or proof satisfactory to the agency/department head. Such certificate shall include a written statement signed by a physician, dentist, or other legally authorized person to provide health care services on the same level as a physician, stating the day(s) of the illness/injury and that the illness/injury prevents the employee from being able to work.

Employees on a medical certification program shall have their sick leave usage reviewed at least annually. If the review shows substantial improvement, they shall be removed from the category of having to provide the certificate for each absence.

Every regular employee shall use accrued vacation, then holiday time, and then may use compensatory time, when sick leave has been exhausted due to extended illness or injury unless he/she is on a medical certification program in accordance with B.1 of this section.

Proof of Illness:

2. An employee off work or contemplating to be off work due to illness or injury for an extended period of two (2) weeks or more shall provide a comprehensive health statement as to length of absence from the employee's health care provider stating any duties an employee cannot perform and any restrictions or light duty requirements.
- C. Reporting Requirements: In the absence of a more stringent agency/department policy, an employee reporting off work for sick leave usage shall call the employee's supervisor or designee within one (1) hour before or after the employee's scheduled starting time.
- D. Reason for Usage: Use of accrued sick leave shall be allowed for the purpose of preventative medical, dental care, and care of the family. Family is defined to mean a spouse, parent (including biological, adoptive, or foster parent, stepparent, or legal guardian of an employee or the employee's spouse or registered domestic partner, or a person who stood in loco parentis when the employee was a minor), child, foster child, registered domestic partner, child of registered domestic partner, parent, brother, or sister of the employee, grandparent, grandchild and the equivalent relationships through lawfully registered domestic partnership.
- E. Payout for Sick Leave: Upon service retirement, disability retirement or death of an employee or officer, and subject to the provisions of any applicable agreement between the employing agency and the Public Employee's Retirement System, unused accumulated sick leave shall be credited at the rate of fifty (50) percent of the current salary value thereof for each such person who has had five (5) full years of service in a payroll status provided, however, that the total payment shall not exceed a sum equal to 960 hours of full pay. Terminal sick leave pay shall be paid into a Post-Employment Plan account designated by the employee. Qualifying leave balances of a separating employee who does not make an election will default to a Special Pay Account.

A sick leave payout resulting from death of an employee shall be made to the persons entitled to it otherwise, in accordance with the Probate Code.

Eligibility for a payout under this section is determined at the time of separation from County employment and not at a later date.

ARTICLE 10
ON THE JOB INJURY

Sec. 1001 Workers' Compensation Benefits: An employee or officer who suffers an injury or illness which entitles him/her to benefits under the Workers' Compensation Law, and for which he/she actually receives or obtains medical treatment, shall be entitled to full compensation for the first ten (10) calendar days during which he/she is necessarily absent from duty as the result of such injury or illness, without deduction on account of accrued sick leave or other accrued salary credits. If such absence continues thereafter, he/she shall be paid as salary the difference between the temporary disability payments due him/her under the Workers' Compensation Law and his/her regular compensation, to the extent of the value of his/her accrued sick leave or Annual Leave, including, for this purpose, the values, successively, of his/her accrued compensatory time off for overtime and accrued vacation credit. During a period of temporary disability and in the proportion that the employee is paid for the difference between his/her temporary disability payments and his/her regular compensation, he/she shall continue to accrue Annual Leave benefits at the regular rate.

The right is reserved to make later adjustments between salary and disability benefits to conform to the Workers' Compensation Law, or to conform to later development of facts, including the right to recover any overpayments directly or from future earnings.

In the event of substantial doubt whether temporary disability payments are payable under the Workers' Compensation Law for the disability, or doubt as to the extent thereof, payment on account of sick leave or annual leave shall be withheld, except to the extent authorized by this section, until the issue is determined either by assumption of liability by the compensation insurance carrier or by adjudication of liability.

Sec. 1002 4850 Exclusion: The provisions of this Article shall not apply to any peace officer, firefighter, or similar employee as to whom the benefits of section 4850 of the *Labor Code* are applicable. Sick leave, Annual Leave, vacation, or compensatory time off shall not be applied to absence on account of disability under that statute. Annual Leave benefits shall continue to accrue during such disability, in accordance with the law.

In the event of substantial doubt whether the disability is compensable pursuant to Section 4850 of the *Labor Code*, payment of salary shall be withheld, except as to so much thereof as shall be equal to the value of accrued sick leave, Annual Leave, vacation and compensatory time off for overtime, until the issue shall be adjudicated.

ARTICLE 11

Sec. 1103 Agency/Department Leave of Absence: Agency/department leave of absence up to 480 hours in any one (1) calendar year period may be granted to any employee by the agency/department head. Such leave of absence for an agency/department head shall be granted only by the Board of Supervisors, for such period as the Board may determine. Such leave shall be reported as leave of absence via the agency/department's payroll. The agency/department head, or Board of Supervisors, may require the leave of absence to be for a specified period of time and appropriate conditions may be imposed, such as providing sufficient medical documentation or other evidence substantiating the leave as required by the agency/department head or Board of Supervisors.

An employee on leave of absence for illness or disability reasons will be required to present a return to work statement from the attending physician releasing the employee to full duty, prior to being allowed to return to work. Any release to less than full duty will be allowed only as accommodation as required under the *Americans with*

Disabilities Act, the California Fair Employment and Housing Act, a County designed temporary modified duty assignment, and/or the County return to work program.

Sec. 1104 Official Leave of Absence: A regular employee may request an official leave of absence exceeding 480 hours, but not exceeding one (1) year (2,080 hours). Official leave of absence may be granted upon written request by or on behalf of the employee, specifying the period and the reason, upon the written recommendation of the agency/department head and with the written approval of the Human Resources Director. Application must be made on a form supplied by the Human Resources Department in advance of the effective date of the leave, unless circumstances make such advance request impossible. If the Human Resources Director does not approve the request, it shall be so endorsed and returned to the agency/department head, who may present it to the Board of Supervisors. The Board of Supervisor's action shall be final. Any official leave of absence granted shall be for a specified period and appropriate conditions may be imposed such as the employee providing sufficient medical documentation or other evidence documenting the leave as required by the Human Resources Director or a designee.

Such leave may be extended upon further written request containing justification therefore, such request for extension is to be processed in the same manner as the original request. In the case of a request for an extension due to illness or disability, updated information of the same kind submitted for the original request will be required.

Nothing herein shall prevent the earlier return to duty by the employee, except the agency/department head may require two (2) weeks advance notice of the employee's intention to return.

The Human Resources Director shall be promptly notified of the return of any employee from an official leave of absence. The Board of Supervisors shall have the right to cancel or revoke a leave of absence previously granted.

Sec. 1105 Military Leave: Absences on account of military duty are governed by provisions of United States Code Title 38, Chapter 43 and the California *Military and Veterans Code*.

Sec. 1106 Abandonment/Automatic Resignation:

- A. Absence without leave of any employee, whether voluntary or involuntary, for five consecutive working days is an automatic resignation from County service, providing the employee upon written agency/department notification does not respond to the agency/department and/or does not provide a satisfactory explanation for the absence and his/her failure to obtain an approved leave. The notification to the employee must be in writing prior to the agency/department finalizing the resignation and must contain an opportunity within three (3) working days of service for the employee to respond. A second notice, after the time to respond has passed or after the employee has given an unsatisfactory explanation, must be sent to the employee stating the effective date of the abandonment/automatic resignation. Notices may be personally served or served by first class mail (return receipt requested) to the last known address of record of the employee and are complete upon mailing or hand delivery.

- B. An employee may, within ten (10) calendar days of service of the second letter from the agency/department, request in writing reinstatement from the Human Resources Director. If denied by the Human Resources Director, the employee may file a further appeal with the Human Resources Director, or designee, within ten (10) working days from service of the denial of reinstatement. Reinstatement may be granted only if the employee makes a satisfactory explanation for the absence and/or the failure to obtain an approved leave of absence, and the neutral finds the employee is ready, able, and willing to resume the discharge of the duties of the position.
 - 1. Appeals shall be heard by a mutually agreed upon third party neutral (herein referred to as a "neutral") from a list of five (5) neutrals approved by the Human Resources Director. The neutral's decision may be verbal or in writing. The decision of the neutral shall be binding on both parties, neither of which shall have the right of further appeal.

 - 2. Only the employee and one (1) non-attorney representative, the agency/department head or a designee, and the Human Resources Director or a non-attorney designee shall take part in the presentation of any appeal, unless the employee is an attorney who is self-represented. Nothing herein shall prevent an attorney testifying to facts of which the attorney has

personal knowledge and that which the attorney may be competent to testify.

3. The appeal hearing and disposition of the appeal shall be informal, the object being to settle the appeal promptly by the parties. The parties shall have the right to offer evidence by witnesses at the hearing subject to the discretion of the neutral. The neutral may consult with witnesses informally and otherwise investigate the controversy.
4. The judgment of the neutral shall be rendered within five (5) working days of submission of the controversy to him/her. Provided, however, the parties may mutually agree to extend the time in which the judgment may be rendered.
5. The neutral's authority shall be limited to deciding the issues submitted by the parties. The neutral shall have no jurisdiction or authority to add to, delete from, or modify any written provisions of this Resolution.
6. The cost for the service of the neutral and the hearing room, if any, shall be borne by the County. The cost of transcripts, if any, will be borne by the ordering party.
7. The neutral is authorized to dismiss the appeal if the employee fails to appear at the hearing after being notified in writing of the date and time.

ARTICLE 12 DISCIPLINARY PROCEDURE

 2. Employees who have not completed an initial probationary period with the County of Riverside, including any extensions thereto.
 3. Permanent employees serving a promotional probationary period when such disciplinary action does not affect any vested rights.

the employee on a leave of absence for a period of time not to exceed fifteen (15) working days with pay.

If the investigation is not completed within the fifteen (15) days referenced above, the leave of absence may be extended to a combined maximum of ninety (90) calendar days with approval by the Human Resources Director. In such cases, and except for good cause as determined by the Human Resources Director, the agency/department head will notify the employee in writing as to what specific allegations are being investigated. Additional leave may be granted subject to the approval of the Human Resources Director. In the event the Human Resources Director does not approve the request for additional leave, the employee shall be returned to duty pending the completion of the investigation and the imposition of any disciplinary action provided, however, the agency/department head may alter the employee's duties or assignment until the investigation is completed when he/she determines it is in the County's best interest.

Sec. 1204 Written Order for Demotion, Suspension, Reduction in Pay, Termination: The continuing employment of every permanent employee shall be contingent upon good behavior. Any such employee may be terminated, demoted, suspended, reduced in pay, demoted and suspended, or reprimanded in lieu of suspension (accrued leave(s) cannot be used to satisfy disciplinary action) for cause by the appointing authority in the following manner:

- A. The appointing authority shall serve upon the employee a Notice of Proposed Disciplinary Action stating the nature of the proposed action and its effective date. Such Notice shall also set forth in writing the reasons for the proposed disciplinary action, a statement of the charges upon which the action is to be based, a notice to the employee that he/she has the right to review the materials being used against him/her, and a statement advising the employee that he/she has the right to respond to the charges.
- B. Within seven (7) working days from receipt of the Notice of Proposed Disciplinary Action, unless additional time is otherwise specified by the appointing authority, the employee may respond to the County's proposed action. Such response may be presented orally or in writing.
- C. Notwithstanding the above, in cases where the disciplinary action involves a suspension of forty (40) hours or less the agency/department head, with approval of the Human Resources Director or designee, may suspend the employee immediately; in which case the Notice of Proposed Disciplinary Action, and the

opportunity to respond thereto, shall be provided to the employee within the period of suspension or a reasonable time thereafter.

- D. At the completion of the period described in (B) above, the appointing authority shall review the employee's response, if any, and make a determination whether to sustain, or amend the proposed disciplinary action. If the appointing authority decides to amend or sustain the proposed action, the employee will be served with a Notice of Disciplinary Action setting forth in writing the reasons for disciplinary action and offering a statement of the charges upon which the action is based. The Notice of Disciplinary Action shall also advise the employee that the action being taken is final, and advise him/her of the right to appeal that action to the Human Resources Director, or designee within ten (10) working days of the date the letter is served on the employee.

Sec. 1205 Amended Notice of Disciplinary Action:

- A. At any time before an employee's appeal is submitted to the neutral for decision, the appointing authority may, with the consent of the Human Resources Director, or designee, serve on the employee and file with the Human Resources Director or designee an amended or supplemental notice of disciplinary action.
- B. If the amended or supplemental notice presents new causes or allegations, the employee shall be afforded a reasonable opportunity to prepare a defense thereto. Any objections to the amended or supplemental causes or allegations may be made orally or in writing prior to the appeal hearing. The employee shall not be required to file a further appeal in the event that an appeal was filed on the original disciplinary action.

Sec. 1206 Limitations:

- A. Suspension of an employee shall not be for more than forty (40) working days. Suspension of an employee who is exempt from the *Fair Labor Standards Act* shall be imposed in accordance with the provisions of the Act.

Sec. 1207 Appeals: An employee may appeal any disciplinary action taken against the employee. The appeal shall be in writing and filed with the Human Resources Director or designee within ten (10) working days after the date of service of the Notice of Disciplinary Action against which the appeal is made. - a. Be accompanied by a copy of intent and final notice of disciplinary action served on the employee;
- b. A brief statement of the facts and reasons for the appeal; and,
- c. A brief statement of the relief requested.

Sec. 1208 Waiver: If an employee fails to appeal the disciplinary action within the time specified, or after appealing, withdraws the appeal, the right to review is waived. Further, after an appeal is filed if the employee, or his/her representative, fails to take the next step to advance the appeal at any point in the process for thirty (30) days the appeal is deemed to be withdrawn and the right to review is waived.

Sec. 1209 Hearing Procedure - Minor Discipline:

- A. When disciplinary action results in a suspension of eighty (80) working hours or less, a pay reduction equal to eighty (80) hours or less of gross salary, or a written reprimand in lieu of suspension of eighty (80) hours or less, the appeal shall be determined under the following provisions:
- B. Appeals shall be heard by a third party neutral (hereinafter referred to as a "neutral") agreed to by the parties from a list of five neutrals approved by the Human Resources Director. The neutral's decision may be verbal or in writing. The neutral's decision shall be binding on both parties.
- C. Only the employee and one (1) non-attorney representative and the agency/department head or a designee and the Human Resources Director or a non-attorney designee shall take part in the presentation of any appeal, unless the employee is an attorney who is self-represented. Nothing herein shall prevent an attorney testifying to facts of which the attorney has personal knowledge and that which the attorney may be competent to testify.
- D. The appeal hearing and disposition of the appeal shall be informal, the object being to settle the appeal promptly by the parties. The parties shall have the right to offer evidence by witnesses at the hearing subject to the discretion of the neutral. The neutral may consult with witnesses informally and otherwise investigate the controversy.

- E. The judgment of the neutral shall be binding on both parties neither of which shall have the right of further appeal.
- F. The neutral will not substitute his/her discretion and judgment for that of management for sustained charges unless the neutral finds that discrimination, capriciousness, or arbitrary action by the County is proven.
- G. The neutral may modify the disciplinary action, but in no event shall have the authority to increase the disciplinary action imposed to be greater than in Section 1209(A) herein.
- H. The judgment of the neutral shall be rendered within five (5) working days of submission of the controversy to him/her. Provided, however, the parties may mutually agree to extend the time in which the judgment may be rendered.
- I. The neutral's authority shall be limited to deciding the issues submitted by the parties. The neutral shall have no jurisdiction or authority to add to, delete from, or modify any written provisions of this Resolution.
- J. All costs for the service of the neutral and the hearing room, if any, shall be borne by the County. The cost of the transcripts, if any, shall be borne by the ordering party.
- K. Any hearing expense incurred as the result of a postponement or cancellation of a hearing shall be borne by the postponing or canceling party.
- L. The neutral is authorized to dismiss the appeal if the employee fails to appear at the hearing after being notified in writing of the date and time.

Sec. 1210 Hearing Procedure - Major Discipline:

- A. Appeals filed in cases of termination, demotion, suspension exceeding eighty (80) working hours, pay reduction exceeding eighty (80) hours of gross salary, or written reprimand in lieu of suspension exceeding eighty (80) hours, shall be heard by a third party neutral.
- B. The parties shall select a neutral from a list of five (5) neutrals approved by the Human Resources Director. The neutral shall be selected by the striking method. The only remaining name after the striking process shall serve as the neutral. If unable to agree on who should strike first, the first name shall be struck by the party winning the toss of a coin. If the neutral chosen is unable to serve within a

time frame acceptable to both parties, the last name struck will serve as the neutral.

- C. The date, time, and venue for the hearing shall be set by the Human Resources Director, or designee, within a reasonable period based on the neutral's availability and other scheduling factors.
- D. The employee and the agency/department head may be represented by counsel or other representative.
- E. It shall be the duty of any County officer or employee to attend a hearing and testify upon the written request of the employee, the agency/department head, or the neutral, provided reasonable notice is given the agency/department employing the officer or employee. The Human Resources Director, or designee, shall arrange for the production of any relevant County record. The neutral is authorized to issue subpoenas.
- F. All appeal hearings involving the termination of an employee shall be reported by a stenographic reporter. All other appeals need not be reported but either the employee or the agency/department head may, at its own expense, provide a reporter for the hearing.
- G. The expenses of the neutral shall be paid by the County. The cost of transcripts, if required, shall be paid by the ordering party. Each party shall make arrangements for and pay expenses of witnesses who are called by such party, except that any County employee called as a witness shall be released from work without loss of compensation or other benefits to attend the disciplinary hearing.
- H. Any hearing expense incurred as the result of a postponement or cancellation of a hearing shall be borne by the postponing or canceling party.
- I. The neutral is authorized to dismiss the appeal if the employee fails to appear at the hearing after being notified in writing of the date and time.
- J. Within 21 days following the submission of the appeal, the neutral shall submit written findings of fact, conclusions of law, and the decision to the parties together with a copy of the appeal and a summary of the evidence taken at the hearing. The decision of the neutral shall be final, subject to the right of either party to seek judicial review under Section 1280 et. seq. of the California *Code of Civil Procedure*.

General Rules

1. The neutral shall confine the decision to issues raised by the statement of charges, including all the supporting documentation, and responses. The neutral shall act in judicial, not legislative manners. The neutral shall not amend, modify, nullify, ignore, add to, or subtract from the provisions of this Resolution but, rather, shall interpret and apply its terms.
2. The neutral will not substitute his/her discretion and judgment for that of management for sustained charges unless the neutral finds that discrimination, capriciousness, or arbitrary action by the County is proven.
3. In the case of suspension/reduction in compensation or demotion, if the action is modified or rescinded, the appellant shall be entitled to restoration of pay and/or fringe benefits in a manner consistent with the neutral's decision.
4. In the case of termination, if the neutral finds the order of termination should be modified, the appellant shall be either demoted to an appropriate classification or reinstated to a position in the classification held immediately prior to termination subject to forfeiture of pay and fringe benefits for any period of suspension imposed by the neutral.
5. If the neutral finds the order of termination should be rescinded, the appellant shall be reinstated to a position in the classification held immediately prior to termination and shall receive pay and fringe benefits for all of the period of time between the termination and reinstatement.
6. The County shall not be liable for restoring pay and fringe benefits for any period(s) of time the appellant was reduced or removed from duty which results solely from the appellant's request for written briefs in the appeal proceedings.
7. Restoration of pay and/or benefits shall be subject to the employee's obligation to take reasonable steps to mitigate his/her loss. This will include but not be limited to deduction of all unemployment insurance and outside earnings which the appellant received since the date of termination which would not have been earned had the appellant not been disciplined. The appellant shall supply such outside employment earning records during the period of time in question when requested.

8. The neutral shall render findings sufficient both to enable the parties to determine whether and on what basis they should seek review and, in the event of review, to advise a reviewing court of the basis for the neutral's decision. If the neutral fails to do so either party may request in writing within thirty (30) days of the issuance of the decision that the neutral render such findings.

Sec. 1211 Evidence and Procedures Applicable to Major Disciplinary Hearings:

- A. Hearings need not be conducted according to the technical rules of evidence. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely on in the conduct of serious affairs.
- B. Hearsay evidence shall be admitted and may be used for the purposes of supplementing or explaining any direct evidence, but shall not be sufficient in itself to support disciplinary action as defined in Section 1201.a. herein, unless it is the type of hearsay admissible over objection in a civil action.
- C. Irrelevant and unduly repetitious evidence shall be excluded.
- D. The rules of privilege shall be effective to the same extent that they are now or hereafter may be recognized in civil actions. In addition, communications between Human Resources Department employees, non-attorney advocates, management or employees of County agency/departments involved in an appeal hearing, and communications between the representative and the employee who is the subject of a personnel action shall be confidential and not subject to disclosure in the appeal hearing.
- E. Oral evidence shall be taken only on oath or affirmation. Any written statements, declarations, or affidavits admitted as evidence shall be made or sworn under penalty of perjury.
- F. Employees not testifying in their own behalf may be called and cross-examined.
- G. The employee and the agency/department head shall have these rights:
 1. To call and examine witnesses;
 2. To introduce exhibits;
 3. To cross-examine opposing witnesses on any matter relevant to the issue, even though the matter was not covered in the direct examination;

4. To impeach any witness regardless of which party first called the witness to testify; and
 5. To rebut any derogatory evidence.
- H. The hearing shall be a private proceeding among the County and the employee.
- I. The intention of the parties is that appeals be adjudicated as efficiently and economically as possible. The use of legal counsel in the appeal process can result in excessive delays, longer hearings, and increased costs. The parties to a disciplinary appeal hearing hereby commit to instructing their legal counsel to conform to the intention of this Resolution and to take all necessary steps to expedite the appeal hearing and minimize the cost of the hearing.

In cases involving hearings in excess of three (3) days the parties must engage in a case management process with the neutral. The case management meeting must be held no later than thirty (30) days prior to the first scheduled date for the hearing and may be held telephonically. The neutral shall consider:

- a. the simplification of the issues,
- b. the possibility of obtaining admissions or stipulations which might facilitate the hearing,
- c. the quantum of damages, in the appropriate case,
- d. any preliminary application by either party,
- e. any other matters that may aid in the disposition of the action or the attainment of justice.

At the case management conference the neutral may, whether or not on the application of a party, order that:

- a. a party file and deliver, within a fixed time, to each other party as specified by the neutral, any relevant documents,
- b. any preliminary applications be brought within a fixed time or by a specified date,
- c. a statement of agreed facts be filed within a fixed time or by a specified date,
- d. a party deliver a written summary of the proposed evidence of a witness within a fixed time or by a specified date,
- e. experts who have been retained by the parties confer, on a without prejudice basis, to determine those matters on which they agree and to identify those matters on which they do not agree,
- f. the hearing be rescheduled,

and, on making an order the neutral may give other directions that he/she thinks just or necessary.

If the neutral, upon application by either party to the appeal hearing, determines that legal counsel for the other party has unnecessarily prolonged the hearing and/or increased the cost of the hearing beyond the reasonable expectations of the parties at the commencement of the hearing then the neutral is authorized to impose sanctions on the offending party including, but not limited to, ordering such offending party to pay all or part of the non-offending party's increased costs of the hearing, to pay all or part of the non-offending party's attorney fees, to pay all or part of the non-offending party's cost of the neutral, to pay all or part of the non-offending party's costs of the transcripts, or such other relief that the neutral deems appropriate in the circumstances.

Sec. 1212 Non-Discrimination: Disciplinary actions shall be taken without regard to any protected class under federal or state law.

B. Qualifying Factors

1. Only regular employees in a current paid status shall be eligible for paid holidays. "Current paid status" does not include payments received from outside sources (e.g. County disability benefit plans or Worker's Compensation benefits).
2. A new employee whose first working day is the day after a paid holiday shall not be paid for the holiday.
3. An employee who is in an unpaid status for either the regularly scheduled working day before the holiday, or the regularly scheduled working day after the holiday shall not be paid for the holiday.

C. Payment for the Holiday:

1. Working the Holiday. All full-time regular employees covered under the provisions of this Resolution who work on a paid holiday shall be paid at their base hourly rate for the time actually worked.

In addition, such full-time regular employee shall have a choice of:

- a. Banking holiday hours not to exceed eight (8) hours for such holiday or;
 - b. Payout for the equivalent holiday hours worked at the base hourly rate of pay not to exceed eight (8) hours for such holiday.
2. Not Working the Holiday. A full-time regular employee whose regularly scheduled day off falls on a paid holiday shall be entitled to bank holiday hours equal to the regularly scheduled workday not to exceed eight (8) hours for such a holiday.

When a holiday falls on a normal workday and the employee does not work, an FLSA Non-Exempt employee shall be paid for not more than eight (8) hours of holiday pay. An FLSA non-exempt employee on an alternative work schedule of more than eight (8) hours a day shall use accrued vacation, holiday time or compensatory time off to make-up the required hours in excess of eight (8).

When a holiday falls on a normal workday and the employee does not work, an FLSA Exempt employee shall be paid for the holiday based on the employee's regularly scheduled work hours on such holiday.

3. Part-Time Employees. A regular part-time employee who actually works on a paid holiday shall be paid at their base hourly rate for the time actually worked. In addition, a regular part-time employee shall have the choice to receive holiday pay or bank holiday hours for the holiday, or portion thereof, which coincides with their regularly

scheduled working hours not to exceed eight (8) hours pay (e.g., a part-time employee who regularly works four (4) hours each Monday shall receive four (4) hours holiday pay for any holiday falling on a Monday). If the part-time employee regularly works more than eight (8) hours a day, the part-time employee shall use accrued vacation, holiday time or compensatory time off to makeup the required hours worked in excess of eight (8) hours on the holiday.

If a regular part-time employee does not have a regular shift schedule, the employee shall receive holiday pay in an amount equal to the reduction of hours for that scheduled workweek not to exceed eight (8) hours pay (e.g., a part-time employee with an irregular schedule who normally works twenty (20) hours per week but who, as a result of the holiday, only works sixteen (16) hours that week shall receive four (4) hours holiday pay for that week). If the regular hours of work for such employee are not reduced during the holiday week, then no holiday pay is due.

4. Scheduling Holiday Banked Time Off. Holiday banked time off shall be scheduled in the same manner as regular time off (e.g., annual leave or vacation) and shall be granted within a reasonable time following the request.

ARTICLE 14 LAYOFF AND REINSTATEMENT

Sec. 1401 Seniority:

- A. Definition of Seniority: Seniority shall be defined as the length of an employee's continuous service with the County, in a regular position, and is based on most recent date of hire.
- B. Definition of Department: Department, for the purposes of this procedure, shall be defined as an agency, department, or district of the County.
- C. Whenever more than one (1) employee in a Department has the same most recent date of hire, seniority shall be determined in the following order: hours of County service from the most recent date of hire, seniority in classification, and seniority in the Department or agency.
- D. Except as otherwise provided in this procedure, an employee shall lose seniority upon resignation, retirement, termination, or removal from all Departmental Reinstatement Lists.

Sec. 1402 Reduction in Force:

- A. When it becomes necessary to reduce the work force in a Department, the agency/department head shall designate the job classification(s) to be affected, and the number of employees to be eliminated within the Department. No regular employee shall be laid off in any job classification if there are temporary employees or seasonal employees in an active status in the same job classification within the Department. It is not the intention of the County to use per diem employees for a replacement of regular laid off employees.

- B. Any reduction in the number of regular employees holding a job classification designated by an agency/department head for layoff shall be made in the following order of employment status:
 - 1. Temporary promotion employees (return to former classification);
 - 2. Probationary new employees;
 - 3. Probationary transfer employees, probationary promotional employees, and all other regular employees.

- C. Layoffs of employees within each classification shall be based primarily on merit and ability, as determined by the Department Head or designee, and reflected in the employee's most recent performance evaluation, with a rating of at least "meets standard" (or equivalent). In the event that two or more employees have at least a "meets standard" rating then the layoff shall be based on seniority, with the least senior employees being laid off first. Whenever an agency/department head believes the best interest of the County requires the retention of an employee with special qualifications, skills, abilities or fitness for his/her position, the agency/department head may prepare a written request to the Human Resources Director to grant an exception to the order of layoff. Subsequent to conducting a review of the request, the Human Resources Director shall forward the request, together with his/her recommendation, to the County Executive Officer for final action. An employee who is laid off out of seniority shall be given written notice of this action.

- D. After consultation with the Human Resources Director or a designee, the agency/department head shall give notice to each regular employee affected by a reduction in force at least fourteen (14) days prior to the effective date of the action. A list containing the names of the employee(s) to be laid off shall be given to the Human Resources Director. The notice shall include:
 - 1. The reason for layoff;
 - 2. The effective date of the action;
 - 3. If laid off out of seniority.

- E. If an employee who has received official notice of layoff has previously held regular status in another job classification in the County, was not removed therefrom for disciplinary reasons, and the Department Head, or designee, is satisfied that the employee has the merit and ability to perform such job, such employee shall, upon his/her request, be given a transfer or demotion within the Department to such other classification in lieu of layoff unless such action cannot be accomplished without authorization of another position or displacement of an employee with greater seniority, and only if it can be accommodated with the positions funded under the layoff plan. The affected employee must request such transfer or demotion within seven (7) days of written notification of layoff by personal delivery or mailing of a certified letter to the agency/department head.

Regular employees who elect to demote under this provision shall be placed at the salary nearest their present salary within the salary grade of the classification to which they are demoting provided such salary shall not exceed present salary.

Sec. 1403 Reassignment:

- A. An employee not expected to be laid off may in lieu of reassignment elect to be laid off and be placed on the Departmental Reinstatement List if both of the following conditions exist:
1. The employee is being reassigned to a position previously occupied by an employee who was laid off within twenty (20) working days of the effective date of the reassignment; and
 2. The new work location is more than forty (40) miles from the employee's current work location or the employee's home, whichever is closer;

An employee who chooses to be laid off and have his/her name placed on the Departmental Reinstatement List under this section shall notify the agency/department head in writing of the decision at least three (3) working days prior to the effective date of reassignment. Such layoff shall be on the same date as the reassignment would have been effective.

Sec. 1404 Employment Counseling and Referral: Prior to the effective date of layoff, every employee given notice of layoff for a period of time longer than one (1) pay period, may schedule an employment counseling session with the Human Resources Department for assistance in determining other employment opportunities within the County for which the employee may qualify.

- A. Only employees who have either been given layoff notices or are currently on a Departmental Reinstatement List shall be referred first to any agency/department requesting a recruitment for classifications from which the employees were laid off.
- B. Employees who meet the minimum qualifications and have either been laid off or have been given layoff notices shall be referred first to agency/departments requesting recruitments for all equal or lower classifications.
- C. Agency/departments are required to notify Human Resources in writing why these candidates are unacceptable before outside candidates will be referred.
- D. Employees who exercise their option under Section 1402(E) of this Resolution or who have accepted any regular County position following notice of layoff will not be eligible for subsections A or B of this Section however, the employee will remain on the Departmental Reinstatement List in accordance with the provisions of Section 1405 of this Resolution.

Sec. 1405 Departmental Reinstatement List:

- A. The name of every regular employee who is laid off, transfers, or demotes in the same Department to a formerly held classification for longer than one (1) pay period due to a reduction in force, or who is laid off in lieu of reassignment under subsection (C) above, shall be placed on the Departmental Reinstatement Lists for all classifications of a currently equal or lower salary grade in which the employee ever held regular status, provided the Department is allocated any positions of such classifications.
- B. Any vacancy to be filled within a Department shall be offered first to individuals named on the Departmental Reinstatement List based on merit and ability, as determined by the Department Head or designee. In the event that two or more employees have relatively equal merit and ability the position shall be offered in order of greatest seniority for the classification of the position to be filled.
- C. An employee's name shall be removed from Departmental Reinstatement Lists, for specific classifications, for any of the following reasons:
 - 1. The expiration of two (2) years from the date of placement on the list.
 - 2. Failure to report to work within seven (7) days of mailing of a certified letter containing a notice of reinstatement to a

position which is less than forty (40) miles from the last work location or the employee's home, whichever is closer.

3. Failure to respond within seven (7) days of mailing of a certified letter regarding availability for employment. It shall be the responsibility of the employee to notify their agency/department head, in writing, of the employee's current mailing address.
4. Request in writing to be removed from the list.

Sec. 1406 Status on Reinstatement: Reinstatement is defined as recall by the same Department, from a Departmental Reinstatement List, into a regular position. Upon reinstatement, the employee shall be entitled to:

- A. Restoration of all sick leave credited to the employee's account on the date of layoff that have not been paid into a post-employment account.
- B. Continuation of seniority.
- C. Credit for all service prior to layoff for the purpose of determining the rate of accrual of Annual Leave or vacation.
- D. Placement on the salary grade at the previously held salary prior to layoff or reduction, or the salary which is nearest the employee's current pay rate, whichever is higher. The anniversary date for salary advance may be expressly fixed, to allow credit for all or a portion of the applicable period of service prior to the layoff.

Sec. 1407 Reemployment:

- A. Status on Reemployment: Reemployment is defined as being employed by the same or other agency/department into a regular position, only while on a Departmental Reinstatement List, other than that from which the employee had reinstatement rights to. If reemployed while the employee's name is current on any Departmental Reinstatement List, the employee shall be entitled to:
 1. Restoration of all sick leave credited to the employee's account on the date of layoff that have not been paid into a post-employment account.
 2. Continuation of seniority shall be credited to the employee upon successful completion of the applicable probationary period.

3. Credit for all service prior to layoff for the purpose of determining the rate of Annual Leave accrual or vacation accrual.

ARTICLE 14A
MANDATORY FURLOUGH

- Sec. 1401A Scope and Implementation: The mandatory furlough will be effective when authorized by the County Executive Officer and may be terminated at any time by the County Executive Officer. When implemented in an agency/department, the mandatory furlough is applicable to all employees covered by this Resolution within that agency/department.
- Sec. 1402A Length of Furloughs: Employees shall furlough the number of hours or days established for the agency/department by the County Executive Officer or designee during each fiscal year.
- Sec. 1403A Scheduling: The agency/department head shall work with the County Executive Officer to determine how the mandatory furlough will be implemented in accordance with the budgetary and operational needs of the agency/department. Part-time employees shall furlough on a pro-rata basis.
- Sec. 1404A Additional Mandatory Furloughs: In the event the County Executive Officer determines that additional mandatory furloughs, beyond the number of hours or days originally established, are required for the agency/department then the affected employees shall be given two (2) pay periods notice of the additional furlough requirements and the reasons therefore, except when the additional furlough requirements are in response to a fiscal emergency that makes providing two pay periods notice impossible or impractical (e.g. external funding is cut off).
- Sec. 1405A Voluntary Furloughs: Employees will be permitted to take additional voluntary furlough time beyond the mandatory furlough required herein in accordance with Board of Supervisors Policy C-31. As indicated in Policy C-31, supervisors and managers are encouraged to approve these requests unless operational needs preclude them from doing so. However, voluntary furloughs will not be granted if they will result in the need for another employee to work overtime to perform the duties that would otherwise be completed by the furloughed employee or otherwise result in net loss of County revenue.
- Sec. 1406A Credit for Voluntary Furlough Hours: In the event a mandatory furlough is implemented, an employee who has taken a voluntary furlough pursuant to Board of Supervisors Policy C-31 adopted

12/23/08 shall be credited the hours taken under the voluntary furlough program towards the hours required by the mandatory furlough program.

Office Closure: If, as part of its mandatory furlough plan, an agency/department closes its office(s) on specified days, making it impossible for an employee who has already fulfilled his/her furlough obligation for the calendar year to report to work on those days, then the employee shall either make alternative work arrangements with the agency/department for the period of the closure or use accrued leave, other than sick leave, to cover the period of the closure.

Sec. 1407A Restrictions: Except as indicated below, no annual leave, vacation, extra vacation, sick leave, overtime, compensatory time off, or other banked leave may be used to offset mandatory furlough time.

Employees may not perform County work while on a mandatory furlough or work additional hours during the workweek in which the mandatory furlough falls to make up for the mandatory furlough time. The mandatory furlough time will not count as hours worked under the *Fair Labor Standards Act* (FLSA) or be counted towards qualification for overtime under the provisions of this Resolution.

Employees will not be permitted to be in their work areas or to perform their official duties during the period of mandatory furlough. Supervisors may not direct employees to work and employees are not to perform work for the County on their own during the period of mandatory furlough.

Supervisors shall not permit an employee, and employees shall not seek or volunteer to work overtime in a week in which mandatory furlough time is taken. Permitting an employee to earn overtime during a week in which the employee takes mandatory furlough hours would reduce the savings achieved by the mandatory furlough.

Employees who are exempt from the overtime provisions of the FLSA will lose their exemption during any week in which they take a budget-required furlough and for which their pay is accordingly reduced (i.e. mandatory furlough but not voluntary furlough). These employees must report their actual hours of work during the week of furlough. Exempt employee shall refrain from working any additional hours during the remainder of the furlough week beyond their normal work day in order to avoid the payment of overtime for that week and/or the recapture of time that otherwise would be furloughed.

If required by the operational needs of the department, the employee's agency/department head or designee may revoke a previously scheduled mandatory furlough and the employee will be

rescheduled to take the mandatory furlough at some other time prior to June 30th of the same fiscal year.

Sec. 1408A Retirement: Employees who submit a letter of intent to retire from the County during any fiscal year in which mandatory furloughs have been authorized will still be required to furlough but may use any banked leave, except sick leave, to receive payment for their mandatory furlough hours. None of these leave hours paid for this purpose will be considered in determining eligibility for overtime.

Should any employee who submits such a notice not retire during the fiscal year identified in the letter of intent then an additional amount of paid leave equal to the amount of paid leave that was used to cover the mandatory furlough time during that fiscal year will be deducted from the employee's leave balances at the end of the fiscal year. In the event the employee has insufficient leave to cover this deduction then the amount will be deducted from the employee's leave accruals in the following fiscal year(s) or from the employee's final paycheck should the employee fail to restore the leave balances prior to his/her departure from the County.

Sec. 1409A Holidays: Mandatory furlough hours taken before or after a paid holiday will not affect payment for the holiday unless the employee specifically requests to voluntarily furlough the holiday as well. Additionally an employee, subject to department approval, may take mandatory furlough hours adjacent to other forms of paid leave.

Sec. 1410A Benefits: Employees subject to mandatory furlough will be allowed to maintain the same level of County contributions for flexible credit allowance, as well as continuation of their other employee benefit plans. They will retain their work status for benefit purposes. Mandatory furlough hours will have no effect on the following benefits:

- Flexible benefit allowance
- Medical/dental/vision/life insurance eligibility and coverage
- Rate of differential and premium pay that is included in the compensation base for pension calculation, except to the extent that they are based on the actual number of hours worked. This includes bilingual pay, shift differentials, etc.

Mandatory furlough hours will not cause a break in service or a reduction in employees' service credit for the purposes of seniority, probationary period, or anniversary date/merit salary adjustment.

Mandatory furlough participants who are required to take a block of time off in excess of a full pay period will need to arrange payment

of the normal required employee contributions for benefit plans during the relevant pay period(s).

Sec. 1411A FMLA/CFRA/PDL Leave: Employees on FMLA/CFRA/PDL qualifying leave on a day (or days) they have been scheduled for mandatory furlough will be required to substitute mandatory furlough hours (unpaid leave) for paid leave on that day (or days) during the FMLA/CFRA/PDL leave.

Sec. 1412A Military Leave: Employees on paid military leave will not be scheduled for mandatory furloughs during such leave but will participate in the mandatory furlough at all other times during the fiscal year.

Sec. 1413A Payroll Issues: A special time entry code will be established to capture all mandatory furlough hours taken off, and to facilitate continuation of seniority, health and retirement benefit accruals, contributions, and payments. Employer taxes and withholdings will be calculated based on the actual hours worked and benefits received.

Participation in the mandatory furlough will reduce the employee's immediate take home pay. In scheduling mandatory furlough times, the department head or designee should attempt to ensure that employees will continue to receive adequate wages to cover their normal payroll deductions (e.g., tax withholdings, deferred compensation contributions, RSA dues, life insurance, etc.).

Employees who are exempt from the overtime provisions of the FLSA will lose their exemption during any week in which they furlough. In these furlough weeks these employees shall accurately report the hours worked each day on their timesheet for that week.

Sec. 1414A Workload: The County acknowledges and recognizes that as a result of the mandatory furlough less work may be performed and that certain delays and/or reductions in service may result. Work expectations shall be commensurate with the reduced schedule.

- F. RUHS Incentive: Qualifying classifications may be eligible to receive up to \$50,000 annually as incentive pay for exceptional performance, provided the Riverside University Health System meets revenue or budget projections and has available funds for this incentive (as determined by the County Executive Officer). The parameters of the incentive shall include, but are not limited to: productivity, quality, and citizenship measures. These parameters will be developed by the Riverside University Health System and submitted to the Assistant CEO/Human Resources Director prior to each calendar year. Once the parameters are approved by the Assistant CEO/Human Resources Director, the parameters will be provided to eligible employees. Eligibility for the incentive may be granted on a quarterly basis (up to a maximum of \$12,500 per quarter) based on the approved formula. A list of eligible employees who the Riverside University Health System determined has exceeded performance will be submitted to the Assistant CEO/Human Resources Director for review and final approval of the incentive. The incentive payment shall be processed no later than the second full pay period following each quarter. Incentive pay is not guaranteed to employees, nor shall it be considered a part of base salary, and shall not be calculated into any other component of compensation.

The job classifications qualifying for this incentive will be determined at the recommendation of the Chief Medical Officer and with the approval of the Assistant County Executive Officer – Health Systems and the Assistant CEO/Human Resources Director.

ARTICLE 16 ALCOHOL AND DRUG ABUSE POLICY

The Board of Supervisors Policy C-10 was enacted to eliminate substance abuse and its effects in the workplace. - C. Conditions and procedures under which a Time-Bank for catastrophic illness/injury may be established.
 - 1. The Human Resources Department will establish and maintain all Time-Banks.
 - 2. Only the agency/department head, upon concurrence from the Human Resources Director, may request establishment of a Time-Bank for an employee within the agency/ department who is suffering a financial hardship due to a catastrophic illness or injury.
 - 3. When the agency/department head has determined that an employee would benefit from the establishment of a Time-Bank, the agency/department head will contact the employee to determine if the employee desires to participate in a Time-Bank program. If the employee desires to participate in the Time-Bank program, the agency/ department head will

contact the Human Resources Department and recommend the establishment of the program.

4. The Time-Bank will be established on behalf of an individual employee. The bank will accept donations of leave from one or more donors.
5. The Time-Bank will be operated by the Human Resources Department. The agency/department head will take actions to help ensure that individual employee decisions to donate or not donate to a Time-Bank are kept confidential and that employees are not pressured to participate.
6. On establishing a Time-Bank program, the Human Resources Department should ensure that only credits that are necessary are donated. Human Resources will apply donated credits to the recipient's Annual Leave or vacation balance on a pay period by pay period basis to mitigate the recipient being in an absent without pay (AWOP) status.

D. Conditions under which leave credits may be donated to a Time-Bank.

1. Any employee may donate Annual Leave, vacation, or holiday accrual. Sick leave and compensatory time may not be donated.
2. Donations of Annual Leave, vacation, or holiday accrual must be in increments of eight (8) hours and drawn from one bank only.
3. The donation of leave hours that have been added to the recipient's leave balance are irreversible. Should the person receiving the donation that has been applied not use all donated leave for the catastrophic illness/injury, any balance will remain with that person or will be credited to them upon separation.
4. An employee may not donate leave hours which would reduce his/her accrued leave balances of Annual Leave, vacation, holiday accrual, compensatory time, or sick leave to less than 168 hours.
5. Donated leave that has been added to the recipient's balance shall be changed to its cash value and then credited to the recipient in equivalent hours at the recipient's base hourly rate of Annual Leave or vacation leave. Donated leave will only be applied to the recipient's Annual leave or vacation leave

after the recipient has exhausted their available leave balances.

6. Employees will use a provided form to submit donations directly to the Human Resources Department. Adjustment to donors and recipient's paid leave balances will be made.
- E. Conditions under which leave credits in a Time-Bank may be used.
1. Only the employee for whom the Time-Bank has been established may receive leave credits from the Time-Bank. Such leave credits shall be added to the employee's Annual Leave or vacation balance.
 2. The affected employees will provide verification of their (or immediate family member's) illness or injury on an Attending Physician's Statement to Support Leave or Return from Leave while using time donated under this program.
 3. The use of donated credits may be for a maximum of twelve (12) continuous months for any one catastrophic illness request.
- F. Steps to be taken by the agency/department to establish a Time-Bank program.

An agency/department head who decides that the agency/department will participate in a Time-Bank program will arrange with the Human Resources Department for the establishment of the Time-Bank for the individual. The procedure to be followed must include:

1. Receipt of written approval from the employee to announce the need for a Time-Bank transfer.
2. Notify the Human Resources Department of the need for the program and coordinate the program's establishment.
3. Require that employee donations be made directly to the Human Resources Department to ensure that employee's decision to donate or not donate is kept confidential.

The Human Resources Department will:

1. Establish, operate, and maintain all approved Time-Banks to ensure compliance with these procedures.

2. Receive from the employee benefiting from the Time-Bank proof of eligibility and a signed agreement allowing publication of the employee's situation.
3. Determined qualification, under the standards above, for the establishment of a Time-Bank.
4. The employee benefiting from the Time-Bank and the Human Resources Department will agree on the content of the publicity.
5. Publicize the establishment of the Time-Bank program. The notice will inform all employees of:
 - a. The establishment of the voluntary program.
 - b. Their opportunity to donate.
 - c. How donations are submitted.
6. Notify the agency/department head immediately if the program cannot be established and the reason(s).
