ARTICLE V  
WORKWEEK, OVERTIME AND PREMIUM PAY

Section 1. Workweek

A. Work-Period. Employees in this unit are subject to the partial overtime exemption under section 207(k) of the FLSA because they engage in law enforcement activities; employees shall have an FLSA work period of fourteen (14) days.

B. Work Schedules

Employees in this bargaining unit may be assigned to work a 5/40, 9/80, 4/10, or 3/12 work schedule at the discretion of management. An employee will be notified of the change to their work schedule at least one (1) pay period prior to the effective date of implementation. If the employee agrees, their schedule may be changed prior to the effective date. The parties agree that the County shall retain exclusive control to determine employee work schedules and hereby waives any right to grieve schedule change assignments during the term of this MOU. All work schedule changes must be effective at the beginning of a pay period. The following describes the work schedules.

1. The 5/40 schedule (five eight-hour days per work week).
2. The 9/80 schedule (four nine-hour days per work week and one alternating eight-hour day/regular day off). Employees who have an FLSA workweek (as

opposed to those on a 14-day FLSA Work Period) have a work week designated as beginning four hours after the start time on their alternating eight-hour workday.

3. The 4/10 schedule (four ten-hour days per work week).
4. The 3/12 schedule (three twelve-hour days per work week and one alternating eight-hour day every other week). Employees who have an FLSA workweek (as opposed to those on a fourteen (14)-day FLSA Work Period) have a work week designated as beginning four (4) hours after the start time on their alternating eight (8) -hour workday.
  - a. Employees may also be assigned to work seven (7) twelve (12) hour shifts (referred to as the 3/12-4/12 work schedule) during the 14-day FLSA work period.

Note: It is not the intent of the Department to change an individual employee's work schedule (i.e., type of work schedule as described above) in the institutions unless it is for operational reasons. The operational reasons will be communicated to the employee. The Department shall notify the employee at least 14 calendar days prior to a work schedule change.

#### C. Turn Around Time

Department will schedule employees with a minimum of 8 hours between non-consecutive shifts, excluding scheduled overtime shifts (doubles). Department will ensure that employees working a graveyard shift will be moved off of that graveyard shift to attend mandatory trainings unless the employee agrees otherwise.

### Section 2. Overtime

An employee who works outside their normal shift within the 14-day FLSA work period cannot be mandated to flex their time.

- A. Overtime Work Defined. Overtime shall be paid at time and one half (1.5) and calculated as follows:
  1. At each employee's regular rate of pay as defined by the FLSA for actual hours worked in excess of eighty-six (86) hours in the 14-day FLSA work period; and
  2. At each employee's base hourly rate of pay for all hours worked in excess of eighty (80) hours in the 14-day FLSA work period. In paying and calculating such overtime, all forms of leave, with the exception of sick leave, shall be regarded as time worked for the purposes of determining eligibility for overtime compensation.
- B. Authorization for Overtime Work. Performance of overtime work may be authorized by the Department Head or a designated subordinate.

There shall be no favoritism in the assignment of overtime work.

- C. Departmental Records. Each department head or designee shall keep complete and detailed records as to the attendance and pay status of each employee. This shall include actual hours of overtime work for each employee in each work week, with justification in each case, and shall also include compensatory time off. Employees are required to complete their time records accurately.

The initial record, any secondary records, such as a summary of the work week or of the pay period, or other compilation from the initial record, and the departmental copy of the attendance report for each pay period together with any subsequent correcting reports, shall be preserved and retained in a condition to be audited for the three most recent full fiscal years, and thereafter until any official inquiry concerning the same has been finally concluded.

- D. Reporting and Calculation. Actual hours of overtime work shall be reported on each attendance report. The Auditor shall maintain the record of overtime credit at one and one-half times such actual hours. Actual hours of compensatory time off shall be reported on each attendance report. If payment is to be made, the number of hours of overtime credit to be paid for shall be specified.

- E. Compensation for Overtime Work. Employees who work overtime may accrue compensatory time off or be paid overtime pay at the option of the employee. Once an employee has accrued 120 hours of compensatory time off any overtime worked must be paid until the employee's compensatory time off bank is reduced below 120 hours. Upon separation of employment, accrued compensatory time off shall be paid to the employee at the rate required by law.

1. Employees may use their accrued compensatory time off by providing reasonable notice. A request to use compensatory time off which was requested with reasonable notice will not be denied unless the request would be unduly disruptive to the department.

- F. Fringe Benefits not Affected by Overtime. Overtime work shall not count as hours worked for the purpose of increasing vacation or sick leave benefits, nor shall it be a basis of advancing completion of the required period for probation or merit increase.

- G. The Human Resources Director and County Counsel shall determine which classes of positions are exempt from the overtime provisions of the Fair Labor Standards Act.

- H. Declared Natural Disaster. In the event and during the period of an officially declared natural disaster affecting any portion of the County of Riverside, and notwithstanding any other provision of this MOU, the following provisions shall apply:

1. Any Officer, in order to perform the work of the department or a civil defense function, may employ emergency employees without reference to the salary or classification plans at rates which appear to be prevailing for the type of work to be performed at the time of their employment.

2. For the same purpose, any Officer may employ, on a paid overtime basis, current employees at hourly rates equivalent to their current compensation basis.
3. Any employee who reports to a regular or other designated place of employment or to a civil defense assignment shall be deemed to be employed in their usual position in a regular payroll status. Any employee who, without adequate reason for absence under the terms of this MOU who fails to so report shall be deemed absent without authority and shall not be paid during such absence.
4. The Board of Supervisors may authorize payment on paid overtime basis at the rate of one and one-half times the hourly rate equivalent to the employee's then current compensation basis for those employees who are required to perform emergency services during a County-declared emergency. "Emergency Services" shall be such services as the Board of Supervisors finds to constitute such, at the time it authorized the payment thereof.

### Section 3. Premium Pay

A. Standby Duty. Unless otherwise specifically provided, when placed by the department head or designee specifically on standby, an employee otherwise off duty shall be paid one (1) hour pay at the base rate of pay for eight (8) hours of standby duty. Said compensation shall be in addition to said employee's regular salary entitlement. The compensation shall cease when said employee physically reports to work and shall resume at the completion of the call-out work. Worksite, for the purposes of this Section, shall mean the location an employee is required to physically report to in order to complete the work assigned. The standby duty shall not cease if an employee is able to complete the required work remotely without having to physically report to a worksite. All standby duty premium shall cease at the end of the standby duty shift.

1. Employees assigned to standby are subject to the following requirements:
  - a. Be ready to respond immediately to calls for service;
  - b. Remain in the general vicinity of their home or worksite during the standby period;
  - c. Refrain from intoxicants or other activities, which might impair the ability to perform assigned duties;
  - d. Arrange their personal affairs to ensure their immediate response to a call out; employees are expected to respond to or be in route to the worksite within thirty (30) minutes of notification; and
  - e. Notify their supervisor immediately if they are unable to be on standby due to an unforeseen emergency.

B. Call-Back Work. Call-back work is work required of an employee who, following completion of the employee's regular work schedule and departure from the employee's worksite, is directed to report back to work. An employee must have departed from the worksite. It is understood by the parties that a change in work schedule in which the employee had at least twenty-four (24) hours advance notice shall not constitute call-back work.

1. Physical Call-Back – Reporting to a Worksite. Except as hereinafter otherwise provided, an employee who is physically called back to work, whether or not they are in a standby duty status, shall receive minimum credit for one (1) hours' work at time and one-half (1½) the base rate of pay starting when they answer the phone call. Actual work performed in excess of one (1) hour, and not part of a regular work shift, shall be compensated at time and one-half (1½) the base rate of pay. If an employee should complete the work required, and subsequently be recalled, either physically or remotely, during the minimum credit period, the employee shall not be entitled to additional premium until the minimum credit period has expired.

At the completion of their call-out assignment, the employee will continue to be compensated until they return to their assigned worksite. An employee will not be compensated for time spent commuting from their assigned worksite to their residence. If permitted by their supervisor, employees may return directly home from the call-out location, instead of returning to their assigned worksite. Those choosing this option will be compensated for the lesser travel time between their home or back to their assigned worksite.

An exception to the above is in situations where employees have been called out for an assignment greater than fifty (50) miles from their assigned worksite and must travel a substantial distance to return home. In such instances, employees will be compensated for the amount of time actually required to return directly home once released from the location of their call-out.

2. Remote Call-Back. An employee who is called to perform work but is able to complete the work required without the employee having to physically report to a worksite, whether or not they are on standby duty status, shall be paid in one-tenth (1/10) hour increments at the rate of one and one-half (1½) the base rate of pay for all time worked while remotely responding to the call-back assignment.

To be eligible for remote call-back pay, employees must be authorized and directed by the department to perform such services. There shall be no minimum credit for remote call-back.

C. After Hours Call-Outs. Any employee, who is called in for duty outside of their normal duty hours, whether or not they are on-call, shall receive compensation beginning at the time they receive the phone call, regardless of whether they must don uniform or personal safety equipment at their home. At the completion of their call-out assignment, employees will continue to be compensated until they return to

their duty station in order to unload their vehicles and doff their uniforms and personal safety equipment. Employees will not be compensated for their time spent commuting from their duty station to their residence.

D. Shift Differential

1. Applicability of Shift Differentials. Shift differentials do not apply to vacation, sick leave, holiday pay, professional call or standby duty. The hourly rate for each shift differential is payable in tenths of an hour.
2. Evening Shift. Employees shall be paid an evening shift differential of one dollar and thirty cents (\$1.30) per hour for the time actually worked between 6:00 p.m. and 11:00 p.m.
3. Night Shift. Employees shall be paid a night differential of one dollar and ninety cents (\$1.90) per hour for the time actually worked between 11:00 p.m. and 6:00 a.m.

E. Bilingual Pay

1. Bilingual Pay Scope

Employees assigned to routinely and consistently perform communication skills in languages other than English and have passed the test, are eligible for bilingual pay.

2. Eligibility Factors:

- a. Incumbents assigned to provide bilingual services; and
- b. Incumbents must successfully pass a bilingual proficiency examination administered by the County Human Resources Department.

3. Testing

- a. Testing shall be done while employees are in paid status but shall be at a time determined to be acceptable to the County.
- b. To ensure that employees are maintaining their bilingual skills, employees eligible for bilingual pay may be required to retest every two (2) years to continue to receive the pay. Testing is done during work time.

4. Skill levels

- a. Definitions of Skill Levels:
- b. Employees must possess an appropriate proficiency certification from the County Human Resources Department for the skill level

demonstrated.

1. Level 1: Basic Oral Communication/Reading Examination. Employees at this level demonstrate proficiency in reading and speaking in both English and a second language.
2. Level 2: Written Examination  
Employees at this level demonstrate proficiency in reading, speaking, and writing in both English and a second language.
3. Level 3: Complex Level Written Examination  
Employees at this level demonstrate proficiency in reading, speaking and writing in both English and a second language using medical or legal terminology in a specific medical or legal environment (e.g., hospital, courtroom, etc.).

5. Compensation

1. Employees who have qualified for bilingual premium will receive additional compensation as follows:
  - a. Level 1: Forty Dollars (\$40.00) per pay period
  - b. Level 2: Sixty Dollars (\$60.00) per pay period
  - c. Level 3: Eighty Dollars (\$80.00) per pay period

This pay will not be paid in any pay period if the employee is in unpaid status for the entire pay period.

6. Continued Eligibility for Bilingual Pay.

The department head or designee is responsible for bilingual assignments. The department head or designee is also responsible for removing an employee from a bilingual assignment when the position no longer requires the use of bilingual skills; furthermore, the department head or designee is responsible for modifying the bilingual skill level of the assigned employee as operationally required. Prior to assigning an employee for bilingual premium, the department shall forward requests for bilingual assignment to the County Human Resources Department for bilingual proficiency assessment and certification.

Employees certified by the County Human Resources Department shall receive bilingual pay as long as the department head or designee designates that position for bilingual assignment. The decision of the department head or designee to assign and/or remove bilingual assignment is not subject to either the grievance or disciplinary appeal procedure in the MOU and cannot be made or interpreted as disciplinary action.

A break in continuous service, as defined in this MOU, shall require the

employee to become recertified for the appropriate bilingual skill level upon re-hire should the department head or designee designate the position for bilingual assignment.

- F. Extradition Pay. Employees assigned to extradite (movement to or from one jurisdiction to another) in custody clients shall be paid:
1. For all hours spent with the client in their custody;
  2. For waiting time, if upon arriving at the other jurisdiction at the assigned time for pick-up of the client they are required to wait for the release of the client, provided that they first advise the Department of the delay and are instructed to wait, but in no event shall waiting time exceed their regular daily hours of work;
  3. With respect to travel without the client in their custody to or from the other jurisdiction to either pick up the prisoner or to return to Riverside County after having delivered the prisoner:
    - a. For all travel time spent driving, provided that they are instructed to drive to pick up or deliver the client, less normal commuting time and meal time;
    - b. For all hours spent traveling if the assignment doesn't involve an overnight stay, less normal commuting time and mealtime; or
    - c. During their regular working hours, even on a day when the employee is not scheduled to work, if the assignment involves an overnight stay and they travel as a passenger on an airplane, train, boat, bus, or automobile, less normal mealtime. The employee shall not perform any productive work for the Department while traveling as a passenger unless expressly authorized to do so by a Department supervisor.
  4. At overtime rates (as addressed in Article V, Section 2A) if applicable, in the event that the extradition assignment causes an employee to work in excess of their regularly scheduled hours.
  5. When an overnight stay is necessary, lodging shall be provided by single occupancy accommodations (one employee per room).

G. Armed Duty Assignment

Employees authorized to carry a firearm and assigned to armed assignments designated by the Chief or their designee, shall receive additional pay of two dollars and fifty cents (\$2.50) per hour for actual hours worked, including overtime in this assignment. The additional pay shall not apply to sick, vacation, or other leave hours utilized while in the designated armed assignment. Furthermore, overtime worked in an unarmed assignment shall not be eligible for this premium pay.

Employees have no property rights to premium pay assignments and such assignments are within the discretion of the Chief or their designee. It is expressly understood that armed assignments as designed by the Chief or their designee are subject to rotation and removal from such duties at the discretion of the Department.

Removal from designated armed assignments is not a grievable issue under the Grievance Procedure, unless it is alleged that the removal was disciplinary or punitive action in which case the matter maybe be heard in the disciplinary procedure.

Employees assigned to the Armed Duty Assignment will be provided with new ID cards indicating that per Penal Code Section 25450 they are exempt from Penal Code section 25400.

H. Education Incentive for Probation Corrections Officer, Senior Probation Corrections Officer, and Supervising Probation Corrections Officer

1. Associate Degree – Any Probation Corrections Officer, Senior Probation Corrections Officer or Supervising Probation Corrections Officer who possesses or earns an associate degree from an accredited university or college shall be paid a premium equivalent to two and a half percent (2.5%) of the employee's base hourly rate of pay for all hours actually worked, not exceeding eighty (80) hours per pay period, upon presentation of proof that the employee holds such degree.
2. ARTICLE VI  
PAY PRACTICES

Section 1. Advancement on the Range

- A. Each salary range shall contain a minimum and maximum salary amount where an employee's placement within the range will be identified by the employee's salary amount.

Every anniversary salary increase shall be in 4% increments except when there is less than four percent (4%) remaining on the salary range. If there is less than four percent (4%) remaining on the salary range, the merit increase shall be to the maximum of the salary range in their classification.

- B. The first anniversary date as a result of an original appointment shall be the first day of the pay period following the completion of twenty-six (26) pay periods in a paid status in the position not including overtime.

The first anniversary date as a result of promotion or reclassification which involved a salary increase shall be the first day of the pay period following the completion of thirteen (13) pay periods in a paid status in the position not including overtime.

Re-employment at a rate other than that of the minimum of a salary plan/grade shall be considered an original appointment for purpose of fixing the anniversary date.

The second anniversary date shall be the first day of the pay period following the completion of an additional twenty-six (26) pay periods in a paid status, not including overtime, and subsequent anniversary dates shall occur at like intervals.

- C. Two pay periods before the anniversary date of each employee holding a regular position, except as to an employee compensated at the maximum rate of the range, the Human Resources Director shall inform the department head in writing on an appropriate form that the employee will be eligible for salary increase.

Prior to the anniversary date the department head, after review with the employee involved, shall inform the Human Resources Director in writing on the appropriate form whether or not the department head allows the increase. If the increase is disallowed, the form shall contain the signature of the employee acknowledging notice of the disallowance and the reasons therefore. The department head may disallow a range increase only after the performance evaluation is reviewed and approved by the Human Resource Director or a designee. The Human Resources Director shall promptly act on each increase allowed and the employee shall be paid at the increased rate from the anniversary date. If, through error, the anniversary date of an employee is overlooked or a notice herein required is delayed or omitted, a resulting failure to increase the compensation may be cured by then taking the action hereinabove required, provided the same is completed within the next two pay periods after said action should have been taken, and the employee shall be paid at the increased rate from the anniversary date. If the department head disallows such increase, the department head shall review the matter at least quarterly, and may allow the increase effective on the first day of any pay period after that in which the increase could have been allowed. The responsibility for submitting a written allowance of increase, after disallowance, shall be with the department head. The anniversary date shall be postponed until an increase is allowed. Such salary increases shall be given only on the affirmative decision of the department head, which shall be made only on the basis of continued satisfactory performance in the position.

The Department Head with the prior approval of the Human Resources Director and the County Executive Officer may appoint a new employee in a specified class to any rate on the salary range if the employee has: (1) qualifications substantially greater than the minimum for the class; and (2) experience, which if it had been obtained in the position applied for, would have made the employee eligible for the advanced rate proposed. When the Human Resources Director and the County Executive Officer authorize a position to be filled at such rate higher than the minimum of the range, the Human Resources Director and the County Executive Officer may also advance all incumbents of positions in the same class earning less than the rate so authorized to the same or one of said higher rate, fixing the minimum initial salary on such advanced rate. The anniversary date shall be the first day of the pay period which is not less than twenty-six pay periods in a paid status thereafter, not including overtime. When such an incumbent employee is already on that rate, their anniversary date shall not change.

### Section 3. Re-employment

- A. Upon recommendation of the department head or designee and approval of the Human Resources Director, a former regular employee may be re-employed in the same class of position, which they previously occupied, at the same rate of the salary range as the rate applicable at the time of his termination, provided they were terminated in good standing.

The anniversary date for range adjustment may be expressly fixed, subject to other provisions of this MOU relating to delay and disallowance thereof, by allowing credit for all or a portion of the applicable period of service prior to said termination.
- D. Re-employment of Retired Persons. An employee who is retired under the California Public Employees' Retirement System and who is receiving retirement benefits shall not be employed or re-employed in any position for compensation without the prior written approval of the Human Resources Director. The Human Resources Director may allow the employment or re-employment for up to one hundred twenty (120) calendar days or nine hundred sixty (960) hours in any fiscal year, without loss of benefits, as specified by law. The law permits the temporary employment only during an emergency to prevent stoppage of public business, or because the restored employee has skills needed in performing specialized work of limited duration. During the employment or re-employment the retiree is to be paid at a rate not less than the minimum, nor more than that paid other employees performing comparable duties.

When a retiree under the California Public Employees' Retirement System is employed or re-employed, their retirement status must be specified in the documentation of appointment to a permanent or temporary position.

### Section 4. Promotion

On promotion, the new salary shall be at a rate on the new salary plan/grade, which is five and a half percent (5.5%) higher than that paid on the salary plan/grade of the former position where the new salary plan/grade is able to accommodate the increase. If the new salary plan/grade is unable to accommodate the increase the rate shall be to the maximum of the of the new salary plan/grade.

If the salary plan/grade of the demoted classification is unable to accommodate the reduction, the rate shall be to the maximum of the range of the demoted classification. The anniversary date shall not change. The effective date of all demotions shall coincide with the first day of a pay period.
- B. Permanent employees who, within twenty-six (26) pay periods following a promotion, voluntarily demote to their previously held classification may return to the rate of the previously held classification from which they promoted, (plus any base salary increase occurring after that promotion, i.e., Cost of Living Adjustment and excluding merits/anniversary increases). Demotion under this section shall be with the mutual agreement of the employee and involved Department Head(s) and an opening must exist. The anniversary date shall not change.

#### Section 7. Reclassification

- A. The salary of an incumbent of a position reclassified to a class on the same salary range shall not change. The anniversary date shall not change.
- B. The salary of an incumbent of a position reclassified to a class on a higher salary plan/grade shall be at the rate of five and a half percent (5.5%) higher than that paid on the salary plan/grade of the former position, where the new salary plan/grade is able to accommodate the increase. If the salary plan/grade of the reclassified classification is unable to accommodate the increase the rate shall be to the maximum of the range of the reclassified classification.
- C. The anniversary date shall be determined in accordance with this Article, except that the first anniversary date following a reclassification to a classification on a higher salary plan/grade shall be determined in accordance with this MOU section, except that the first anniversary date shall be the first day of the pay period following the completion of thirteen (13) pay periods in a paid status, not including overtime, in the new classification. Thereafter, anniversary dates shall be on the first day of the pay period following the completion of each additional twenty-six (26) pay periods in a paid status.

- E. The effective date of a reclassification shall coincide with the first day of a pay period.

#### Section 8. Temporary Promotion

A regular employee may be promoted on a temporary basis (for a maximum of 960 hours) to fill a vacant position as a result of a leave of absence of the incumbent of that position, or pending appointment or recruitment to a vacant position. Such promotion is designated "temporary promotion". The salary of an employee temporarily promoted shall be determined as if the temporary promotion were an original appointment to the position.

When the absence ceases or the vacancy is filled, the employee shall return to their regular position, and their salary and anniversary date shall be re-determined as if the temporary promotion had not occurred (i.e., the anniversary date will be modified to reflect as though the employee did not leave the lower classification). Any merit increase which would have been due in their regular position shall be allowed.

#### Section 9. Conformance to Plan

No regular employee shall be assigned to exercise the powers or perform the duties of any classification other than their own classification for an accumulated period of four hundred eighty (480) hours or more during any one calendar year. An employee unable to work on a regularly scheduled workday due to an air pollution emergency shall be granted a leave of absence without pay for the period of the emergency unless the employee chooses to use accrued compensatory time off, sick leave credit, vacation credit or holiday leave credit for the period of time off work due to the emergency.

#### Section 9. Abandonment/Automatic Resignation

- A. Absence without leave of any employee, whether voluntary or involuntary, for five (5) consecutive working days is an automatic resignation from County service, providing the employee upon written department notification does not respond to the department and/or does not provide a satisfactory explanation for the absence; and the failure to obtain an approved leave. The notification to the employee must be in writing prior to the department finalizing the resignation and must contain an opportunity within three business days of service for the employee to respond. A

second notice, after the time to respond has passed or after the employee has given an unsatisfactory explanation, must be sent to the employee stating the effective date of the abandonment/automatic resignation. Notices may be personally served or served by first class mail (return receipt requested) to the last known address of record of the employee and are complete upon mailing or hand delivery.

- B. An employee may, within ten (10) calendar days of service of the second letter from the department, request in writing reinstatement from the County Human Resources Director. If denied by the Human Resources Director, reinstatement may be granted only if the employee makes a satisfactory explanation to a Mediator from the State of California Mediation and Conciliation Service for the absence and/or the failure to obtain an approved leave of absence, and the Mediator finds the employee is ready, able, and willing to resume the discharge of the duties of the position.
1. Appeals shall be heard by a person assigned by the State Conciliation Service. The conciliator's decision may be verbal or in writing. The decision of the State Conciliation Service shall be binding on both parties, neither of which shall have the right of further appeal.
  2. Only the employee and one (1) non-attorney representative and the department head or a designee and the Human Resources Director or a non-attorney designee shall take part in the presentation of any appeal, unless the employee is an attorney, who may also have a non-attorney representative. Nothing herein shall prevent an attorney testifying to facts of which the attorney has personal knowledge and that which the attorney may be competent to testify.
  3. The appeal hearing and disposition of the appeal shall be informal, the object being to settle the appeal promptly by the parties. The parties shall have the right to offer evidence by witnesses at the hearing subject to the discretion of the impartial party. The conciliator or mutually agreed upon impartial party may consult with witnesses informally and otherwise investigate the controversy.
  4. The judgment of the conciliator shall be rendered within five (5) business days of submission of the controversy to them. Provided, however, the parties may mutually agree to extend the time in which the judgement may be rendered.
  5. The conciliator's authority shall be limited to deciding the issues submitted by the parties. The conciliator shall have no jurisdiction or authority to add to, delete from, or modify any written provisions of this MOU.
  6. All costs for the service of the conciliator, if any, including but not limited to, per diem expenses, travel and subsistence expenses, a transcript, and the cost of the hearing room will be borne equally by the County and the employee.

More than three years through nine (9) years in a paid status, one hundred twenty (120) hours each year;

1. Appeals shall be heard by a person assigned by the State Mediation and Conciliation Service, or another third party neutral (hereinafter referred to as a conciliator) agreed to by the parties. The conciliator's decision may be verbal or in writing. The conciliator's decision shall be binding on both parties, neither of which shall have the right of further appeal.
  2. Only the employee and one (1) non-attorney representative and the department head or a designee and the Human Resources Director or a non-attorney designee shall take part in the presentation of any appeal, unless the employee is an attorney who is self-represented. Nothing herein shall prevent an attorney testifying to facts of which the attorney has personal knowledge and that which the attorney may be competent to testify.
  3. The appeal hearing and disposition of the appeal shall be informal, the object being to settle the appeal promptly by the parties. The parties shall have the right to offer evidence by witnesses at the hearing subject to the discretion of the impartial party. The conciliator may consult with witnesses informally and otherwise investigate the controversy.

- B. The parties shall maintain a jointly negotiated list of no fewer than seven nor more than eleven arbitrators who shall be selected by the striking method. The only remaining name after the striking process shall serve as the arbitrator. If unable to agree on who should strike first, the first name shall be struck by the party winning the toss of a coin. If the arbitrator chosen is unable to serve within a time frame acceptable to both parties, the last name struck will serve as the arbitrator. As soon as possible, a representative from RSA and the County shall meet to establish the list of up to eleven Arbitrators.
- C. The hearing shall be set by the Employee Relations Manager, or designee, and employee representative, or employee, within a reasonable period based on the arbitrator's availability and other scheduling factors.
- D. It shall be the duty of any County Officer or employee to attend a hearing and testify upon the written request of either the employee, the department head, or the arbitrator, provided reasonable notice is given the department employing the officer or employee. Each party shall make arrangements for and pay expenses of witnesses that are called by such party, except that any County employee called as a witness shall be released from work without loss of compensation or other benefits to attend the disciplinary hearing.
- H. Any arbitration expense incurred as the result of a postponement or cancellation of a hearing shall be borne by the postponing or canceling party.
- I. Within twenty one (21) days following the submission of the appeal, the arbitrator shall submit written findings of fact, conclusions of law, and the decision to the parties together with a copy of the appeal and a summary of the evidence taken at the hearing. The decision of the arbitrator shall be final subject to the right of either

party to seek judicial review under Section 1094.5 of the California Code of Civil Procedure.

1. The arbitrator shall confine the decision to issues raised by the statement of charges and responses. The arbitrator shall act in judicial, not legislative manners. The arbitrator shall not amend, modify, nullify, ignore, add to or subtract from the provisions of the Memorandum but, rather, shall interpret and apply its terms.
2. If the arbitrator finds that the disciplinary action was appropriate, the action shall be sustained.
3. In the case of suspension/reduction in compensation or demotion, if the action is modified or rescinded, the appellant shall be entitled restoration of pay and/or fringe benefits in a manner consistent with the arbitrator's decision.

5. If the arbitrator finds the order of discharge should be rescinded, the appellant shall be reinstated to a position in the classification held immediately prior to discharge and shall receive pay and fringe benefits for all of the period of time between the discharge and reinstatement.
6. The County shall not be liable for restoring pay and fringe benefits for any period(s) of time the appellant was reduced or removed from duty, which results solely from the appellant's request for written briefs in the arbitration proceedings.
7. Restoration of pay benefits shall be subject to deduction of all unemployment insurance and outside earnings which the appellant received since the date of discharge which would not have been earned had the appellant not been disciplined. The appellant shall supply such outside employment earning records during the period of time in question when requested.

#### Section 9. Evidence And Procedures Applicable to All Hearings

- A. Hearings need not be conducted according to technical rules of evidence. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs.
- B. Hearsay evidence shall be admitted and may be used for the purposes of supplementing or explaining any direct evidence, but shall not be sufficient in itself to support disciplinary action as defined in Section 1.a. herein, unless it is the type of hearsay admissible over objection in a civil action. The rules of privilege shall apply to the same extent to which they are recognized in civil actions.

- C. Irrelevant and unduly repetitious evidence shall be excluded.
- D. The rules of privilege shall be effective to the same extent that they are now or hereafter may be recognized in civil actions.   - 5. To rebut any derogatory evidence.
- H. The hearing shall be a private proceeding among the County, the employee and the employee organization.

ARTICLE XIV  
GRIEVANCE PROCEDURE

Section 1. Intention

It is the intent of this procedure that grievances be settled at the lowest possible administrative level.

Section 2. Grievance Definition

Except as outlined below, a “grievance” is a dispute – the solution of which is wholly or partially within the province of the County to rectify – that involves the interpretation or application of the MOU; or existing (a) Ordinances, (b) rules, (c) regulations, or (d) policies concerning wages, hours, and other terms and conditions of employment. Where a grievance affects more than one employee, RSA may file a grievance by identifying the affected employees, either by name or some other method that makes their identity clear. A grievance does NOT include:

- A. Matters reviewable under some other County administrative procedure;
- B. Matters for which the solution of which would require the exercise of legislative power, such as the adoption or amendment of an Ordinance, rule, regulation, or policy established by the Board of Supervisors;
- C. Matters involving the termination of a probationary employee;
- D. Matters involving the appeal of a dismissal, demotion, reduction in compensation, suspension or any other action taken for disciplinary reasons against a permanent employee, pursuant to the provisions of Article XII; and,
- E. Matters involving a departmental performance evaluation (1) with respect to permanent employees, including those in a promotional probationary status, if the evaluation rating overall is satisfactory (or competent) or better or (2) with respect to employees in their initial probationary period.

### Section 3. Freedom From Reprisal

No employee shall be subject to coercion or disciplinary action for discussing a request or complaint with their immediate Supervisor, or for the good faith filing of a grievance petition.

### Section 4. Employee Representation

An employee is entitled to representation in the preparation and presentation of a grievance at any step in the grievance procedure. An employee who is a member of RSA may only be represented by RSA.

Reasonable access to work areas by representatives of RSA shall be in accordance with Section 20 of the Employee Relations Resolution. The grievant(s) and one representative are entitled to be released from work for a reasonable period of time in order to present the grievance. No person hearing a grievance petition need recognize more than one representative for grievant(s) unless, in the opinion of the person hearing the petition, the complexity of the grievance requires more than one representative in order to fully and adequately present the matter.

### Section 5. Consolidation

Grievance petitions involving the same or similar issues, filed by employees in the same representation unit, may be consolidated for presentation at the discretion of the person hearing the petitions.

### Section 6. Resolution

Any grievance petitions settled at any point during the grievance-arbitration procedure shall be final and binding on the parties to the settlement.

## Section 7. Withdrawal

Any grievance petition may be withdrawn by filing party at any time, without prejudice.

## Section 8. Time Limits

Grievance petitions shall be processed from one step to the next within the time limit prescribed in each of the steps. Any grievance petition for which a disposition is not made at any step within the time limit prescribed, or any extension which may be agreed to, may be referred to the next step in the grievance procedure, with the next time limit to run from the date when time for disposition expired. Any grievance petition not carried to the next step by RSA within the prescribed time limits, or such extension, which may be agreed to, shall be deemed resolved upon the basis of the previous disposition.

## Section 9. Resubmission

Upon consent of the person hearing the grievance petition and RSA, a petition may be resubmitted to a lower step in the grievance procedure for reconsideration.

## Section 10. Extension of Time

The time limits within which action must be taken or a decision made as specified in this procedure may be extended by written consent of the parties.

## Section 11. Steps in the Grievance Process

The following procedure shall be followed:

- A. Discussion with Supervisor. Prior to filing a written grievance petition, the employee(s), or the employee's representative, shall first take the matter up with the immediate Supervisor. The Supervisor shall give a prompt response where it is possible to do so. The employee and the Supervisor are each entitled to the presence of a silent observer to the employee - Supervisor discussion. An observer that interrupts or participates in the discussion may be excluded from the discussion by either the employee(s) or the Supervisor. Grievances filed by RSA on its own behalf may be filed in writing without any prior discussion with supervision.
- B. Submission of Written Grievance. All grievance petitions shall be filed within fifteen (15) business days after the occurrence of the circumstances giving rise to the grievance, or within fifteen (15) days of the discovery of the circumstances giving rise to the grievance, or when those circumstances reasonably should have been discovered, otherwise the right to file a grievance petition is waived and no grievance shall be deemed to exist. RSA shall submit the grievance petition to the Human Resources Department on the form prescribed by the Human Resources Director. No grievance petition shall be accepted for processing until the grievance petition is complete. The Human Resources Department shall forward a copy of the grievance petition to the appropriate department head(s).

- C. Grievance Meeting. Within fifteen (15) business days after submission of the grievance petition, the department head, or a designee, and the Labor Relations Division Manager, or a designee, shall meet with RSA to discuss the grievance. No later than fifteen (15) business days thereafter, the Labor Relations Division Manager, or a designee, shall render written decision.
- D. Demand for Arbitration. If a grievance is not resolved through the grievance meeting, a demand for arbitration may be presented in writing to the Labor Relations Division Manager or a designee within ten (10) business days after receipt of the decision of the Labor Relations Division Manager, or a designee.

## Section 12. Arbitration

- A. After submission of a demand for arbitration, the parties shall attempt to agree on an arbitrator. The parties shall maintain an "Arbitrator Strike List." Arbitrators may be added or deleted from the "Arbitrator Strike List" only by mutual agreement of the parties. If the parties are unable to agree, then an arbitrator will be selected by the parties alternately striking names from the "Arbitrator Strike List" until one (1) name remains who shall serve as the arbitrator.
- B. If either party wishes to have a transcript of the arbitration proceedings, the requesting party will be solely responsible for all costs associated with the transcript. If both parties request a transcript the cost will be shared equally.
- C. The expenses of the arbitrator, if any, shall be shared equally by the parties. Each party shall make arrangements for and pay expenses of witnesses that are called by such party, except that any County employee called as a witness shall be released from work without loss of compensation or other benefits to attend the arbitration hearing. Such arrangements shall be made through the Labor Relations Manager, or a designee, with the employee's department head at least two (2) business days in advance of the hearing date.
- D. Prior to the arbitration hearing, the parties shall meet and attempt to prepare a joint statement of the issues, which describes the existing controversy to be heard by the arbitrator. If the parties are unable to agree on a joint statement, each shall prepare a separate statement of issues. The arbitrator shall not decide any substantive issue(s) not within the statement of the issues submitted by the parties. This includes issues which have not been raised and considered at an earlier step of the grievance procedure. The location of the hearing will be determined by mutual agreement of the parties; or in the absence of such an agreement, at a neutral location set by the Hearing Officer.
- E. All grievances filed by RSA shall be heard and discussed in the grievance procedure up to and including the grievance meeting; no grievance shall be rejected from the grievance procedure. ARTICLE XVI  
ON-THE-JOB INJURY OR ILLNESS

An employee who exhausts leave per Labor Code section 4850 is eligible to receive total temporary disability (TTD) benefits if still unable to return to work per the law. Such an employee is permitted to supplement TTD benefits by using available accrued leave to receive up to the maximum of their full pay.

In the event of substantial doubt whether the disability is compensable pursuant to Section 4850 of the Labor Code, payment of salary shall be withheld, except as to so much thereof

as shall be equal to the value of accrued sick leave, vacation and compensatory time off for overtime, until the issue shall be adjudicated.

ARTICLE XVII  
LAYOFF AND REINSTATEMENT

Section 1. Seniority

- A. Definition of Seniority. Seniority shall be defined as the length of an employee's continuous service with the County, in a regular position, and is based on most recent date of hire.
  
- B. Definition of Department. For purposes of this procedure, department shall be defined as the smallest business unit of:
  - 1. the administrative staff of an agency; or
  - 2. a department; or
  - 3. a department within an agency; or
  - 4. a district of the County; or
  - 5. a County Service Area
  
- C. Whenever more than one employee in a department has the same most recent date of hire, seniority shall be determined in the following order: Hours of County service from the most recent date of hire, seniority in classification, and seniority in the department or agency.
  
- D. Except as otherwise provided in this Procedure, an employee shall lose seniority upon resignation, retirement, termination, or removal from all departmental reinstatement lists. Seniority shall continue to accrue while an employee is on the layoff list.

Section 2. Reduction in Force

- A. When it becomes necessary to reduce the work force in a department, the department head shall designate the job classification(s) to be affected, and the number of employees to be eliminated within the department. No regular employee shall be laid off in any job classification if there are temporary employees in an active status in the same job classification within the department. It is not the intention of the County to use per diem employees for a replacement of regular laid off employees.
  
- B. Any reduction in the number of regular employees holding a job classification designated by a department head for layoff shall be made in the following order of employment status:
  - 1. Temporary promotion employees (return to former class);
  - 2. Probationary new employees;

3. Probationary transfer employees, probationary promotional employees, and regular employees.
- C. Layoffs of employees within each classification shall be based primarily on date of hire, with the least senior employees being laid off first. An employee may be laid off out of seniority when a less senior employee possesses essential skills necessary to the operation of the department, subject to the approval of the Human Resources Director. Employees laid off out of seniority shall be given written notice of this action.
  - D. After consultation with the Human Resources Director or a designee, the department head shall give notice to each regular employee affected by a reduction in force and to the recognized employee organization that represents the affected employee's representation unit, at least calendar 14 days prior to the effective date of the action. The list given to the employee organization shall include a seniority list of the affected classes showing previously held positions. A list containing the names of the employees to be laid off shall at the same time be given to the Human Resources Director. The recognized employee organization shall be in receipt of the layoff notice 24 hours prior to the time affected employees are notified. The official notice of layoff shall be given only by the employing department. The notice shall include:
    1. The reason for layoff;
    2. The effective date of the action;
    3. If laid off out of seniority.
  - E. If an employee who has received official notice of layoff has previously held regular status in another job classification within the department, and was not removed therefrom for disciplinary reasons, such employee shall, upon request, be given a transfer or demotion within the department to such other classification in lieu of layoff unless such action cannot be accomplished without authorization of another position or displacement of an employee with greater seniority. The affected employee must request such transfer or demotion in writing within seven (7) days of written notification of layoff.

Regular employees who elect to demote under this provision shall be placed at the rate nearest their present salary within the range of the class to which they are demoting provided such rate shall not exceed present salary.
  - F. The effected employee organization will be provided a copy of the final layoff list.

### Section 3. Reassignment

- A. An employee not expected to be laid off may in lieu of reassignment elect to be laid off and be placed on the Departmental Reinstatement List if both of the following conditions exist:

1. The employee is being reassigned to a position previously occupied by an employee who was laid off within twenty (20) business days of the effective date of the reassignment; and
  2. If the new work location is more than forty (40) miles from the employee's current work location or the employee's home, whichever is closer.
- B. An employee who chooses to be laid off and have their name placed on the Departmental Reinstatement List under this section shall notify the department in writing of the decision at least three (3) business days prior to the effective date of reassignment. Such layoff shall be on the same date as the reassignment would have been effective.

#### Section 4. Employment Counseling and Referral

Prior to the effective date of layoff, every employee given notice of layoff for a period of time longer than one (1) pay period may schedule an employment counseling session with the Human Resources Department for assistance in determining other employment opportunities within the County for which the employee may qualify.

- A. Only employees who have either been given layoff notices or are currently on a reinstatement list shall be referred first to any department requesting a recruitment for classifications from which the employees were laid off.
- B. Employees who meet the minimum qualifications and have either been laid off or have been given layoff notices shall be referred first to departments requesting recruitments for all other classifications within the RSA Public Safety bargaining unit.
- C. Departments are required to notify the Human Resources Department in writing why these candidates are unacceptable before outside candidates will be referred.

#### Section 5. Departmental Reinstatement List

- A. The name of every regular employee who is laid off for longer than one (1) pay period due to a reduction in force, or who is laid off in lieu of reassignment under subsection (c) above, shall be placed on Departmental Reinstatement Lists for all classifications of a currently equal or lower salary range in which the employee ever held regular status, provided the department is allocated any positions of such classification.
- B. Any vacancy to be filled within a department shall be offered first, in order of greatest seniority, to individuals named on the Departmental Reinstatement List for the classification of the position to be filled.
- C. An employee's name shall be removed from Departmental Reinstatement Lists, for specific classifications, for any of the following reasons:
  1. The expiration of two (2) years from the date of placement on the list.

2. Failure to report to work within seven (7) days of mailing of a certified letter containing a notice of reinstatement to a position, which is less than forty (40) miles from the last work location or the employee's home, whichever is closer.
3. Failure to respond within seven (7) days of mailing of a certified letter regarding availability for employment. It shall be the responsibility of the employee to notify their department head, in writing, of the employee's current mailing address.
4. Request in writing to be removed from the list.

D. Status on Reinstatement

Reinstatement is defined as recall by the same department, from a departmental reinstatement list, into a regular position. Upon reinstatement, the employee shall be entitled to:

1. Restoration of all sick leave credited to the employee's account on the date of layoff.
2. Continuation of seniority.
3. Credit for all service prior to layoff for the purpose of determining the rate of accrual of vacation leave.
4. Placement on the salary range at a rate which is nearest their former or current pay rate, whichever is higher, with the employee's hours at a rate being the same number of hours which the employee had at the time of layoff.

Section 6. Re-employment

Status on Re-employment. Re-employment is defined as being employed by the same or other department into a regular position, only while on the reinstatement list, other than that from which the employee had reinstatement rights to. If re-employed while the employee's name is current on any reinstatement list, the employee shall be entitled to:

- A. Restoration of all sick leave credited to the employee's account on the date of layoff.
- B. Continuation of seniority shall be credited to the employee upon successful completion of the applicable probationary period.
- C. Credit for all service prior to layoff for the purpose of determining the rate of accrual of vacation leave.

Section 7. Temporary Recall

Departments may elect to recall laid off employees in order of seniority from the reinstatement list, for a temporary period of not less than thirty (30) days and not to exceed

four hundred eighty (480) full-time hours within a six (6) month period. Acceptance of temporary recall is at the discretion of the employee and will not affect the employee's status on the reinstatement list. Should the temporary recall extend beyond four hundred eighty (480) full time hours, a permanent recall shall be effectuated, if sufficient work remains. The recalled employee shall be eligible for benefits under Section 5.D.(4) of this Article.

Section 8. The Human Resources Department will provide to RSA each quarter a list of employees by Department, classification, and date of hire.

ARTICLE XVIII

Notwithstanding the previous sentence, for "new members" as defined by the Public Employees' Pension Reform Act of 2013, the uniform allowance will not be reported as compensation earnable to CalPERS.

A. Definition of eligible employees.

Only employees in budgeted ("Regular") positions within the Public Safety Unit are eligible to participate in the Riverside County Voluntary Time-Bank Policy.

B. Definition of catastrophic illness or injury.

Catastrophic illness or injury is a severe illness or injury which is expected to incapacitate the employee for an extended period of time and which creates a financial hardship because the employee has exhausted all accumulated leave. Catastrophic illness or injury is further defined as a debilitating illness or injury of an immediate family member (i.e., the spouse, son, daughter, step-son, step-daughter, foster-son, foster-daughter, parents, grandparents, brother or sister of the employee or any other person living in the immediate household of the employee) that results in the employee being required to take time off from work for an extended period to care for the family member creating a financial hardship because the employee has exhausted all accumulated leave.

C. Conditions and procedures under which a Time-Bank for catastrophic illness/injury may be established.

1. Only the department head, upon concurrence from the Human Resources Director, may request establishment of a Time-Bank for an employee within the department who is suffering a financial hardship due to a catastrophic illness or injury.
2. When the department head has determined that an employee would benefit from the establishment of a Time-Bank, the department head will contact the employee to determine if the employee desires to participate in a Time-Bank program. If the employee desires to participate in the Time-Bank program,

the department head will contact the Human Resources Department and recommend the establishment of the program.

3. The Time-Bank will be established on behalf of an individual employee. The bank will accept donations of leave from one or more donors.
4. The Time-Bank will be operated by the Human Resources Department. The department head will take actions to help ensure that individual employee decisions to donate or not donate to a Time-Bank are kept confidential and that employees are not pressured to participate.
5. On establishing a Time-Bank program, the Human Resources Department should ensure that only credits that are necessary are donated. All donations are not retrievable.

D. Conditions under which leave credits may be donated to a Time-Bank.

1. Any employee may donate vacation, or holiday accrual. Sick leave and compensatory time may be not donated.
2. Donations of vacation, or holiday accrual, must be in increments of 8 hours or more and drawn from one bank only.
3. The donation of leave hours is irreversible. Should the person receiving the donation not use all donated leave for the catastrophic illness/injury, any balance will remain with that person or will be converted to cash upon that person's separation.
4. An employee may not donate leave hours that would reduce their accrued leave balances of vacation, holiday accrual, compensatory time, sick leave, or administrative leave to less than one hundred sixty eights (168) hours.
5. Donated leave shall be changed to its cash value and then credited to the recipient in equivalent hours at the recipient's base hourly rate of vacation or holiday leave.
6. Employees will use a provided form to submit donations directly to the Human Resources Department. Adjustment to donor's and recipient's paid leave balances will be made.

E. Conditions under which leave credits in a Time-Bank may be used.

1. Only the employee for which the Time-Bank has been established may receive leave credits from the Time-Bank. Such leave credits shall be added to the employee's vacation balance.
2. The affected employees will provide verification of their (or immediate family member's) illness or injury on an Attending Physician's Statement to Support Leave or Return from Leave while using time donated under this program.

3. The use of donated credits may be for a maximum of twelve (12) continuous months for any one catastrophic illness.

F. Steps to be taken by the department to establish a Time-Bank program.

A department head who decides that the department will participate in a Time-Bank program will arrange with the Human Resources Department for the establishment of the Time-Bank for the individual. The procedure to be followed must include:

1. Receipt of written approval from the employee to announce the need for a Time-Bank transfer.
2. Notify the Human Resources Department of the need for the program and coordinate the program's establishment.
3. Require that employee donations be made directly to the Human Resources Department to ensure that employee's decision to donate or not donate is kept confidential.
4. Immediately investigate any allegations of pressure or coercion in the solicitation of donations for the Time-Bank and take appropriate action.

G. The Human Resources Department will:

1. Control the Time-Bank program.
2. Receive from the employee benefiting from the Time-Bank proof of eligibility and a signed agreement allowing publication of the employee's situation.
3. The employee benefiting from the Time-Bank and the Human Resources Department will agree on the content of the publicity.
4. Publicize the establishment of the Time-Bank program. The notice will inform all employees of:
  - a. The establishment of the voluntary program.
  - b. Their opportunity to donate.
  - c. How donations are submitted.
5. Notify the department head immediately if the program cannot be established and the reason(s).
