COUNTY OF RIVERSIDE – HUMAN RESOURCES COMMUTER SERVICES DIVISION

PROGRAM INFORMATION

Did you know that County employees who carpool, take public transportation, walk, bike, or telecommute to work five (5) times in the same calendar month may be eligible to register in the RideShare Program? The County of Riverside Human Resources Commuter Services Division offers *incentives for eligible, active, and registered RideShare participants. The *incentive program and its services are provided at no cost, with the exception of the County Vehicle (CV) Program, which is an employee-subsidized program.

\$5/DAY INCENTIVE: For a limited time, qualifying active and registered participants have an opportunity to earn up to \$125 in gift cards. Active and registered participants must RideShare to work five days per month for three consecutive months and log commuter trips through the IE Commuter website. Other restrictions may apply. *Trip log entries are audited for accuracy against County employee approved timecard data. Telecommuters are ineligible for this incentive.*

GUARANTEED RIDE HOME (GRH) PROGRAM: This program is offered to active and registered participants for qualifying guaranteed ride home from work occurrence(s). Active and registered participants may use the GRH Program up to six (6) times per program year, typically not to exceed one use within a 30-day period. *Telecommuters are ineligible for this program.*

BIKE OR WALK TO WORK PROGRAM: Biking and walking to work are greatly encouraged by the County of Riverside. At some worksite's, cyclists and walkers can take advantage of bike racks, personal lockers, and showers! By simply walking or riding your bike to and from work one day a week saves gas, helps the environment, and gives you some exercise.

TRANSPORTATION EXPENSE (TE) PROGRAM: Public transportation (e.g., RTA, Metrolink, OmniTrans or Sunline) users may utilize the Transportation Expense Program to save time and money on their monthly transit pass. Enrolled participants can have the cost of their monthly transit pass deducted biweekly through payroll deduction on a pre-tax basis up to the IRS allowed amount.

COUNTY VEHICLE (CV) PROGRAM: The CV Program allows four (4) or more employees that RideShare to a County facility to utilize a County Vehicle (CV) for their commute to and from work in a County-owned vehicle. Program participants pay a biweekly fee based on daily round-trip mileage per person per vehicle via payroll deductions. Fees per person include a guaranteed seat, routine service repair and maintenance, fuel, and a loaner/rental vehicle while the County Vehicle (CV) is being serviced.

TELECOMMUTING PROGRAM: Working from home has its advantages. One of those perks is the Telework Spotlight offered by IE Commuter. Qualifying active and registered participants who live or work in Riverside or San Bernardino Counties may be randomly selected to win a monthly prize worth up to \$100! Every telework day that a participant logs into their IE Commuters account counts as an entry and gives the participant a chance to win! *The Telework Spotlight random drawings are conducted internally by IE COMMUTER staff. Active and registered participants currently participating in the \$5/Day Incentive are ineligible to win.*

RESERVED CARPOOL PARKING SPACES: At most County worksites there are reserved carpool parking spaces for employees who are active and registered participants. Not only are there designated parking spaces, but parking structure passes may be provided to active and registered participants who work at or near the County Administrative Center (CAC) in downtown Riverside, depending on availability. *Active and registered participants must be carpooling with another active and registered County participant at or near the same Downtown Riverside location.*

RIDEMATCH LIST: Employees may complete and submit a RideMatch Form and request a generated RideMatch list of interested RideShare participants that live and work in their surrounding area. The generated RideMatch list will also assist in locating an established County Vehicle (CV) group commuting to their work location! It is the employee's responsibility to contact employees they are matched with if desire to participate in a RideShare arrangement. *Participation is voluntary.*

MONTHLY OPPORTUNITY DRAWINGS: Qualifying active and registered participants have an opportunity to win in a monthly drawing. Each month, eight active and registered participants are selected to receive a gift catalog from HALO Recognition to select a prize. Prizes include such items as jewelry, camping gear, and home goods. *Telecommuters are ineligible for this incentive.*

COUNTY OF RIVERSIDE – HUMAN RESOURCES COMMUTER SERVICES DIVISION

RIDESHARE REGISTRATION EXCUSES

“NO ONE HAS MY SCHEDULE” or “MY SCHEDULE IS UNPREDICTABLE”

Request a RideShare Match List from the Human Resources Commuter Services Division to be matched with other commuters who have similar schedules and routes. It's not necessary to RideShare every day to qualify; you only need to do so five (5) calendar days per month.

“I AM NEW AND I DON'T KNOW ANYONE HERE” or “NO ONE LIVES NEAR ME”

You would be surprised who lives around you! Request a RideShare Match List from the Human Resources Commuter Services Division to be matched with other commuters traveling the same route. Also, during your breaks, startup a conversation with your coworkers about RideSharing. It's not necessary to RideShare every day, you only need five (5) calendar days per month to qualify.

“I HAVE OFFSITE MEETINGS AND EVENTS”

It's always important to communicate, and on days when you don't have events or meetings, you can RideShare. You are eligible just by simply RideSharing five (5) calendar days each month!

“I LIVE TOO CLOSE”

That's fantastic! People frequently hold the false belief that living too close can't impact anything. You are RideSharing and making a difference if you simply commute five (5) calendar days a month by walking, biking, taking public transportation, or carpooling.

“I HAVE TO DROP OFF/PICK UP MY DEPENDENTS FROM DAYCARE”

You can find a coworker who lives nearby and join a carpool together; you can pick them up after dropping off your dependents.

“I HAVE TO BE AVAILABLE TO LEAVE FOR AN EMERGENCY”

The Human Resources Commuter Services Division offers the Guaranteed Ride Home Program! The program is offered for qualifying guaranteed ride home from work occurrence(s) and may be used up to six (6) times per program year.

“I ALREADY CARPOOL WITH A NON-COUNTY EMPLOYEE.”

Excellent news, indeed! Did you know that you are eligible to register in the program if you carpool with a non-County working adult? Contact our office for a registration form!

“I LIKE DRIVING ALONE”

Carpooling is not necessary every day. Partner up with a coworker you get along with, that lives on your route to work, and consider being the driver.

“I AM ALWAYS LATE”

By establishing a new habit of being on time can be made easier if you carpool with someone who is always on time.

“I DON'T WANT TO DEPEND ON OTHER PEOPLE”

Be the carpool driver! Choose a carpool companion who is aligned with your professional principles.

“I HAVE SOCIAL ANXIETY”

Carpool with someone you know. You can read, listen to music, or engage in other activities to relieve anxiety if you are not operating the vehicle.

“I LIKE MY ROUTINE AND I DON'T WANT TO CHANGE IT”

Have you thought about picking up a coworker who lives near your workplace? On your way to work, do you drop off a County or non-County working adult? You would be eligible for the program if you were carpooling.

“I OFTEN HAVE ERRANDS TO RUN AFTER WORK”

Some errands can be done during lunch time, and keep in mind delivery services are available now. You may also consider RideSharing 2 – 3 days a week and run your errands after work when not carpooling or on the weekends?

“THERE’S NO BUS/TRAIN STOP NEAR ME”

Have you considered to bike and/or walk to the transit stop. Have you considered riding your bike to the nearest transit stop? While taking transit, you can store your bike.

“I DON’T FEEL COMFORTABLE ON PUBLIC TRANSIT”

It takes practice to overcome fear of the unknown, so give transit a try—even on the weekend or on a day when you don't have to work—to see if it's a good fit for you.

“IF I TAKE PUBLIC TRANSIT, IT WILL TAKE 3X LONGER”

There are additional RideSharing options besides public transportation. You can cut emissions by also walking, biking, and carpooling.

Allow the Human Resources Commuter Services Division to assist you in getting started with RideSharing and earning incentives. Remember if you carpool, vanpool, take public transportation, walk, or bike to a County worksite five (5) workdays per month, you qualify for the RideShare program! In addition, you may be eligible to earn up to \$125 in gift cards for logging your commute miles for the first three (3) consecutive months!

Please keep in mind that in order to receive the \$5/Day RideShare incentive and program benefits, employees must first register with the County of Riverside Human Resources Commuter Services Division.

Please contact us for more information or if you are interested in registering with the Human Resources Commuter Services Division RideShare Program!

 - Up to 4 months (i.e., 17.33 weeks or 693.2 hours) under PDL for prenatal care, severe morning sickness, or disability due to pregnancy or childbirth.Depending on the situation, more than one type of leave may run concurrently.
- The amount of leave for spouses is limited to a combined total of 12 weeks if the time off is for bonding purposes after the birth or placement of a child for adoption or foster care. This limitation applies whether or not the spouses work in the same area or department.
- All FMLA, CFRA and PDL forms are available on the **HR Website/FMLA, CFRA, PDL and Other Leaves Page** at: <http://www.rc-hr.com/HR-Services/Employee-Services/FMLA-CFRA-PDL-and-Other-Leaves>. Employees should read the information on these forms carefully and ensure that the forms are completely and accurately filled out at the time of submission. Employees are encouraged to contact their Department Designees with any questions.
- Although the basic provisions for FMLA, CFRA, and PDL are for *unpaid* leave, the employer is allowed to require employees to use paid leave balances in certain situations. Refer to the *Use of Accruals for Paid Family and Medical Leave* chart for more information.
- Employees who are requesting FMLA/CFRA for **foreseeable** reasons are required to give 30 days notice. In cases where employees do not give 30 days notice, the employer may ask for an explanation. If the explanation is insufficient, the employer may delay the leave.
- Employees who are requesting FMLA/CFRA leave for **unforeseeable** reasons must give notice as soon as practicable, generally the same or next business day if the employee is off work when he/she learns the need for leave.
- Employees on FMLA, CFRA, and/or PDL leave are required to follow their department's usual notification and call-in procedures. Employees taking intermittent leave must notify their department when they call in that the leave is being taken under FMLA, CFRA, and/or PDL. Failure to do this could result in denial of their FMLA, CFRA and/or PDL entitlement for that day.
- By law, employers may designate an absence or leave as FMLA, CFRA, and/or PDL if there is reason to believe the absence qualifies, whether or not the employee requests it, and whether or not it is beneficial to the employee.
- An employee who requests a leave under FMLA or CFRA, but does not meet the **eligibility requirements** (e.g., hasn't worked 1250 hours in the past 12 months), must be sent a *Notice of Eligibility and Rights & Responsibilities*, which includes at least one reason for the employee's ineligibility.
- An employee who requests leave under FMLA, CFRA, and/or PDL, but does not meet **qualification requirements** (e.g., hasn't provided complete and sufficient medical certification), must be notified of the leave denial in writing; the *Designation Notice* is used for this purpose.

- By law, employers must reinstate employees returning from FMLA/CFRA leave to the same or an equivalent/comparable position (same position if returning from PDL), unless the employee would otherwise have been terminated, transferred, or laid off during the period of the leave.
- Under FMLA/CFRA regulations, all records pertaining to an employee's FMLA, CFRA, and/or PDL leave must be retained separate from his/her personnel file, for a period of at least three years.

LACTATION ACCOMMODATIONS FOR EMPLOYEES	C-4	1 of 2

PURPOSE

Pursuant to Sections 1030-1034 of the California Labor Code, the purpose of this policy is to affirm the County's commitment to comply with the law and protect the right of employees to request lactation accommodation when there is a need to express breast milk for their infant child during work hours.

SCOPE

This policy applies to all County of Riverside employees.

POLICY:

Employee requests for lactation accommodation can be made with their immediate supervisor, manager, department head or the Human Resources Department.

Break Time – Upon request, the County shall provide a reasonable amount of break time to accommodate an employee desiring to express milk for the employee's infant child each time the employee has need to express milk. The break time shall, if possible, run concurrently with any break time already provided to the employee.

Private Lactation Spaces – Upon request, the County shall provide an employee with the use of a room or other location for the employee to express milk in private. The room or location may include the place where the employee normally works, and must meet the following requirements:

1. A lactation room or location shall not be a bathroom and shall be in close proximity to the employee's work area, shielded from view, and free from intrusion while the employee is expressing milk.
2. The room or location must be safe, clean and free of hazardous materials.
3. The room or location must contain a surface to place a breast pump and personal items.
4. The room or location must contain a place to sit.
5. The room or location must have access to electricity or alternative devices, including, but not limited to, extension cords or charging stations needed to operate a battery-powered breast pump.
6. The County must provide access to a sink with running water and a refrigerator suitable for storing milk in close proximity to the employee's work area. If a refrigerator cannot be provided, the County may provide another cooling device suitable for storing milk, such as an employer-provided cooler.
7. Where a multipurpose room is being used for lactation (e.g., a conference room), the use of the room for lactation shall take precedence over the other uses, but only for the time it is in use for lactation purposes.
8. If the County shares tenancy in a building with another employer, it is permissible to provide a space that is shared among the multiple tenants if the County cannot provide a location within its own workspace.
9. The County may designate a lactation location that is temporary, due to operational, financial or space limitations. These temporary locations shall not be a bathroom and

shall be in close proximity to the employee's work area, shielded from view and free from intrusion while the employee is expressing milk.

Exceptions – Pursuant to Section 1032 of the California Labor Code, the County is not required to provide break time under this policy if to do so would seriously disrupt its operations.

Responses to Requests – If the County cannot provide break time or a location that complies with this policy, the County shall provide a written response to the employee.

Breastfeeding Discrimination – Under California's Fair Employment and Housing Act (FEHA), it is unlawful to engage in specified discriminatory practices in employment on the basis of sex. Under existing law, "sex," for the purposes of the act, includes gender, pregnancy, childbirth, and medical conditions related to pregnancy or childbirth. California Assembly Bill 2386 recently amended the statutory definition of "sex" under FEHA to now include breastfeeding or medical conditions related to breastfeeding.

Complaints – Complaints of violations of this policy can be made with the Human Resources Department and/or a complaint can be filed with the State of California Department of Industrial Relations, Labor Commissioner's Office.
