Performance Improvement Plan (PIP) Process in RivCo Talent

- **Step One (Manager)** - This step kicks off 10 days after submitting the “Unsuccessful/Needs Development” evaluation. You will only be able to add in Tasks in the Development Plan that your employee will need to work on for the next 60 days.
- **Step Two (Employee)** - Review the PIP evaluation and work on identified tasks in Development Plan.
- **Step Three (Manager)** - Complete a 60-day PIP Evaluation, where you will be working on these areas:
 - **Competencies:** Competencies, based on job role, will auto-populate to the evaluation. Provide a year-end overall rating for each competency.
 - **Goals:** Goals assigned to the current review period will auto-populate to the evaluation. Review, and add any as applicable.
 - **Development Plan:** Utilize this section of the evaluation to identify any activities to complete that will assist in development for the employee’s current or future role.
 - **Year-end Summary/Overall Rating:** Provide any overall comments for the employee’s evaluation, as well as your year-end evaluation of the employee.
 - Signature and date
- **Step Four (Employee)** - Review and Acknowledge the 60-day PIP evaluation. If the employee is rated as “Successful” or higher on this step, then the process is complete. If they received an “Unsuccessful/Needs Development,” the process will continue to step five.
- **Step Five (Manager)** – Perform final PIP evaluation, covering all the same areas that were in the 60-day PIP evaluation. Please refer to step three If employee is rated as “Successful” or above, the process is complete. If the employee received an “Unsuccessful/Needs Development,” then the manager will reach back out to Employee Relations and the process will continue.
- **Step 6 (Employee)** - Review and Acknowledge final PIP. If the employee received a “Successful” or above rating, the process is closed out. If the employee received an “Unsuccessful/Needs Development,” the PIP process will continue.
