

COVID UPDATE

MESSAGE FROM THE ASSISTANT CEO/HR DIRECTOR

Thank you for the great response to our childcare needs survey. While we were receiving your survey responses the County's First 5 Riverside Team has been working hard to meet our childcare needs.

As you know, a child begins learning before he or she is even born. Every experience in a child's first 5 years helps build the foundation for all later learning. Only you can decide if a childcare program is right for you and your child. It is important to visit the program and schedule an interview with the program's early childhood professionals before making your final decision as to which program will be the best fit for your family.

During the Coronavirus pandemic, the Health Officer of the County of Riverside has instructed Child Care and daycare services to observe all applicable state and federal guidelines for infection control and to operate under specified mandatory conditions outlined in his order dated March 17, 2020.

First 5 Riverside staff are available to answer questions and to assist you in finding child care during the COVID-19 pandemic visit www.rccfc.org, call 951-955-0200, or e-mail First5@rivco.org.

You may also contact:

- Riverside County Office of Education, Early Care and Education, Resource & Referral at (800) 442-4927.

For your convenience, we have included both of the links below and attachments to ensure that wherever you are you can access the childcare center information:

- [Licensed Child Care Centers with Available Slots for Essential Workers](#)
- [Licensed Family Child Care Homes with Available Slots for Essential Workers](#)

The County continues to explore childcare options for some of the more specialized needs of our employees.
