ARTICLE V
WORKWEEK, OVERTIME AND PREMIUM PAY

Section 1. Workweek

- A. Work-Period. The FLSA work period shall be 14 days.
- B. Work Schedules

Employees in this bargaining unit may be assigned to work a 5/40, 9/80, 4/10, or 3/12 work schedule at the discretion of management. An employee will be notified of the change to their work schedule at least one (1) pay period prior to the effective date of implementation. If the employee agrees, their schedule may be changed prior to the effective date. The parties agree that the County shall retain exclusive control to determine employee work schedules and hereby waives any right to grieve schedule change assignments during the term of this agreement. All work schedule changes must be effective at the beginning of a pay period. The following describes the work schedules.

- 1. The 5/40 schedule (five eight-hour days per work week).
- 2. The 9/80 schedule (four nine-hour days per work week and one alternating eight-hour day/regular day off). Employees who have an FLSA workweek (as opposed to those on a 14-day FLSA Work Period) have a work week designated as beginning four hours after the start time on their alternating eight-hour workday.
- 3. The 4/10 schedule (four ten-hour days per work week).
- 4. The 3/12 schedule (three twelve-hour days per work week and one alternating eight-hour day every other week). Employees who have an FLSA workweek (as opposed to those on a 14-day FLSA Work Period) have a work week designated as beginning four hours after the start time on their alternating eight-hour workday.
 - a. Employees may also be assigned to work seven (7) twelve (12) hour shifts (referred to as the 3/12-4/12 work schedule) during the 14-day FLSA work period.

Note: It is not the intent of the Department to change an individual employee's work schedule in the institutions that is inconsistent with the balance of the unit.

C. Turn Around Time

Department will schedule employees with a minimum of 8 hours between non-consecutive shifts, excluding scheduled overtime shifts (doubles). This term shall sunset at the end of this MOU contract period. Department will ensure that employees working a graveyard shift will be moved off of that graveyard shift to attend mandatory trainings unless the employee agrees otherwise.

Section 2. Overtime

During these informal discussions, RSA brought to the Department's attention a concern regarding the use of flex time and the compensation of overtime. The Department is committed to reviewing the issue and addressing it as soon as practicable and agrees to meet and discuss any resolution or changes prior to implementation.

- A. Overtime Work Defined. Overtime work is authorized work in excess of eighty (80) hours in the 14-day FLSA work period. As soon as administratively possible, sick leave shall no longer be regarded as time worked for the purposes of determining eligibility for overtime compensation.
- B. Authorization for Overtime Work. Performance of overtime work may be authorized by the Board of Supervisors or by the department head or a designated subordinate. It shall not exceed sixteen (16) hours in any work period for any employee without prior approval of the County Executive Officer, except in case of public emergency or calamity or immediate hazard to life or property.

There shall be no favoritism in the assignment of overtime work.

- C. Departmental Records. Each department head shall keep complete and detailed records as to the attendance and pay status of each employee. This shall include actual hours of overtime work for each employee in each work week, with justification in each case, and shall also include compensatory time off. The daily record for an employee in a normal paid working status may be kept on a negative basis, that is, with no entry except for overtime, compensatory time off, sick leave, vacation, leave of absence and like items.

The initial record, any secondary records, such as a summary of the work week or of the pay period, or other compilation from the initial record, and the departmental copy of the attendance report for each pay period together with any subsequent correcting reports, shall be preserved and retained in a condition to be audited for the three most recent full fiscal years, and thereafter until any official inquiry concerning the same has been finally concluded.

- D. Reporting and Calculation. Actual hours of overtime work shall be reported on each attendance report. The Auditor shall maintain the record of overtime credit at one and one-half times such actual hours. Actual hours of compensatory time off shall be reported on each attendance report. If payment is to be made, the number of hours of overtime credit to be paid for shall be specified.

- E. Compensation for Overtime Work. Accumulated overtime credit in excess of one hundred twenty (120) hours at the end of any pay period shall automatically be paid for. Accumulated overtime credit after forty (40) hours may at the election of the employee, be accumulated as overtime credit as provided herein, or the employee may elect to be paid such overtime. Accumulated overtime credit of one hundred twenty (120) hours or less may be taken in compensatory time off, subject to management approval, and this method of reducing accumulated overtime credit is encouraged. With approval of the County Executive Officer, accumulated overtime credit of one hundred (120) hours or less may be paid for. Paid overtime credit shall be at the hourly rate currently applicable to the employee. Upon termination, accumulated overtime credit shall be paid for. Overtime caused by duly authorized continuing and regular work periods longer than eighty (80) hours, or by seasonal overtime work, if authorized by the County Executive Officer in advance, shall be currently paid for.
- F. Fringe Benefits not Affected by Overtime. Overtime work shall not be a basis for increasing vacation or sick leave benefits, nor shall it be a basis of advancing completion of the required period for probation or salary step advance. Where overtime results from necessary irregular work schedules, it may be included in computing the minimum time for salary step advance which would otherwise be delayed beyond the normal period.
- G. Overtime Provisions of the Fair Labor Standards Act. Employees in classifications which are not exempt from the Fair Labor Standards Act shall be compensated for overtime consistent with the Act. Such employees shall receive compensation for overtime worked under the foregoing County provisions when the hours worked are not considered overtime under the Act.

The Human Resources Director and County Counsel shall determine which classes of positions are exempt from the Fair Labor Standards Act.

- H. Declared Natural Disaster. In the event and during the period of an officially declared natural disaster affecting any portion of the County of Riverside, and notwithstanding any other provision of this Memorandum, the following provisions shall apply:
1. Any Officer, in order to perform the work of the department or a civil defense function, may employ emergency employees without reference to the salary or classification plans at rates which appear to be prevailing for the type of work to be performed at the time of their employment.
 2. For the same purpose, any Officer may employ, on a paid overtime basis, current employees at hourly rates equivalent to their current compensation basis.
 3. Any employee who reports to a regular or other designated place of employment or to a civil defense assignment shall be deemed to be employed in their usual position in a regular payroll status. Any employee who, without adequate reason for absence under the terms of this

Memorandum who fails to so report shall be deemed absent without authority and shall not be paid during such absence.

4. The Board of Supervisors may authorize payment on paid overtime basis at the rate of one and one-half times the hourly rate equivalent to the employee's then current compensation basis for those employees who are required to perform emergency services during a County-declared emergency. "Emergency Services" shall be such services as the Board of Supervisors finds to constitute such, at the time it authorized the payment thereof.

Section 3. Premium Pay

A. Standby Duty. Unless otherwise specifically provided, when placed by the department head specifically on standby or professional call duty, an employee otherwise off duty shall be paid one (1) hour pay at the base rate of pay for eight (8) hours of such duty beyond the regular work period in addition to the regular salary. Said compensation shall be in addition to said employee's regular salary entitlement. The compensation shall cease when said employee physically reports to work and shall resume at the completion of the call-out work. Worksite, for the purposes of this Section, shall mean the location an employee is required to physically report to in order to complete the work assigned. The standby duty shall not cease if an employee is able to complete the required work remotely without having to physically report to a worksite. All standby duty premium shall cease at the end of the standby duty shift.

1. Employees assigned to standby are subject to the following requirements:
 - a. Be ready to respond immediately to calls for service;
 - b. Remain in the general vicinity of their home or worksite during the standby period;
 - c. Refrain from intoxicants or other activities which might impair the ability to perform assigned duties;
 - d. Arrange their personal affairs to ensure their immediate response to a call out; employees are expected to respond to or be in route to the worksite within thirty (30) minutes of notification; and
 - e. Notify his/her supervisor immediately if he/she is unable to be on standby due to an unforeseen emergency.

B. Call-Back Work. Call-back work is work required of an employee who, following completion of the employee's regular work schedule and departure from the employee's worksite, is directed to report back to duty to perform necessary work. To qualify for this call-back provision, an employee must have departed from the worksite. It is understood by the parties that a change in work schedule in which the employee had at least twenty-four (24) hours advance notice shall not constitute call-back work.

1. Physical Call-Back – Reporting to a Worksite. Except as hereinafter otherwise provided, an employee who is physically called back to work, whether or not he/she is in a standby duty status, shall receive minimum credit for one (1) hours' work at time and one-half (1½) the base rate of pay starting when they answer the phone call. Actual work performed in excess of one (1) hour, and not part of a regular work shift, shall be compensated at time and one-half (1½) the base rate of pay. If an employee should complete the work required, and subsequently be recalled, either physically or remotely, during the minimum credit period, the employee shall not be entitled to additional premium until the minimum credit period has expired.

At the completion of their call-out assignment, the employee will continue to be compensated until he/she returns to their assigned worksite. An employee will not be compensated for time spent commuting from their assigned worksite to his/her residence. If permitted by their supervisor, employees may return directly home from the call-out location, instead of returning to their assigned worksite. Those choosing this option will be compensated for the lesser travel time between their home or back to their assigned worksite.

An exception to the above is in situations where employees have been called out for an assignment greater than fifty (50) miles from their assigned worksite and must travel a substantial distance to return home. In such instances, employees will be compensated for the amount of time actually required to return directly home once released from the location of their call-out.

2. Remote Call-Back. Notwithstanding any other provision of the MOU, an employee who is called to perform work but is able to complete the work required without the employee having to physically report to a worksite, whether or not he/she is on standby duty status, shall be paid in one-tenth (1/10) hour increments at the rate of one and one-half (1½) the base rate of pay for all time worked while remotely responding to the call-back assignment.

To be eligible for remote call-back premium, employees must be authorized and directed by the department to perform such services. There shall be no minimum credit for remote call-back.

- C. After Hours Call-Outs. However, any employee whose employment is terminated while they are on sick leave shall continue to be compensated for the duration of their illness to the extent of their accrued sick leave, but after such termination shall derive no other benefits under this Memorandum which result from being in a paid status. Unless the employee shall have retired, payment for sick leave continuing after termination shall be conditioned upon prior receipt of a physician's certificate or other adequate written proof of illness, and in the event of any doubt as to future duration of the illness may be paid on biweekly increments as used. If an employee receives a layoff notice, payment for sick leave shall continue conditioned upon receipt of a physician's certificate or other adequate written proof of illness given to the County prior to payment, and payment shall not continue beyond the exhaustion of accrued sick leave.

B. Proof of Illness

1. When in the judgment of the department head or designee good reason exists for believing an employee may be abusing sick leave the employee shall be placed on notice in writing. The employee shall also be placed on a medical certification program and be allowed paid sick leave by producing a certificate of a physician, dentist, or other legally authorized person to provide health care services on the same level as a physician or proof satisfactory to the department head. Such certificate shall include a written statement signed by a physician, dentist, or other legally authorized person to provide health care services on the same level as a physician, stating the day(s) of the illness/injury and that the illness/injury prevents the employee from being able to work.
 - a. Employees on a medical certification program shall have their sick leave usage reviewed at least annually. If the review shows substantial improvement they shall be removed from the category of having to provide the certificate for each absence.
 - b. Every regular employee shall be able to use accrued vacation, compensatory time, or holiday time when sick leave has been exhausted due to extended illness or injury unless they are on a medical certification program in accordance with B.1 of this section.
 - c. An employee off work or contemplating to be off work due to illness or injury for an extended period of two (2) weeks or more shall provide a comprehensive health statement as to length of absence from the employee's health care provider stating any duties an employee cannot perform and any restrictions or light duty requirements.

- C. Reporting Requirements. In the absence of a more stringent department policy, an employee reporting off work for sick leave usage shall call the employee's supervisor or designee within one (1) hour before or after the employee's scheduled starting time.

- D. Reason for Usage. Use of accrued sick leave shall be allowed for the purpose of preventative medical, dental care, and care of the employee. Sick leave may also be used for the diagnosis, care or treatment of, or preventative care for an employee's family member, as defined under applicable law.
- E. Payout for Sick Leave. Upon retirement, disability retirement or death of an employee or officer, and subject to the provisions of any applicable agreement between the employing agency and the Public Employee's Retirement System, half of unused accumulated sick leave shall be paid for at the rate of one hundred (100%) percent of the current salary value thereof for each such person who has had five full years of service in a payroll status, provided however that the total payment shall not exceed a sum equal to nine hundred sixty (960) hours of full pay. Payment resulting from death shall be made to the persons entitled to otherwise, in accordance with the Probate Code.

Section 2. Return to Work Following Injury

Employees experiencing an injury resulting in time lost from work shall be returned to duty upon receipt of a medical certification indicating they are able to return to work in an unrestricted capacity.

If the employee provides a restricted return to work certificate from the appropriate medical provider, then the employee may be assigned to a modified position identified by the Department. Such assignment can only be made when a modified position is available in the Department and the indicated restrictions do not prevent the employee from fulfilling all the duties of the modified position.

Nothing herein shall be considered a waiver by the Association of any rights employees have under federal or state law.

Section 3. Bereavement Leave

The County agrees to allow up to five days of leave, three of which will be paid and the additional two days to be deducted from the employees' sick leave. Eligible employees must be in an active payroll status and be compelled to be absent from duty by reason of the death, or critical illness where death appears imminent, of the employee's father, father-in-law, mother, mother-in-law, brother, sister, spouse, child, grandparent, grandchild, or step-relationships of the same categories. The County has the right to require proper documentation in support of the requested leave.

Section 4. Fitness for Duty

When in the judgement of the Department Head or designee good cause exists to believe an employee cannot safely or effectively perform the essential functions of the position, the department head, with approval of the Human Resources Director, can order an employee off work. The employee may either:

1. Request, at County expense, to be referred to a County designated health care provider or to obtain a certificate stating the employee is able to return to work without impairing the health of the public, the

employee's health, or the health of the other employees in the department.

2. Be evaluated by a physician or other person legally authorized to provide health care services of the employee's choosing at the employee's expense, in the specialty designated by the County Employee Health Medical Director, to obtain a certificate stating the employee is able to return to work without impairing the health of the public, the employee's health, or the health of the other employees in the department. Subject to the County Employee Health Medical Director's approval, the selected physician or other person legally authorized to provide health care services must be certified.

If the employee is ordered off work due to an asserted illness there shall be an entitlement to utilize sick leave benefits and to receive full pay. In the event an employee has no accrued sick leave balance, the employee may utilize vacation, compensatory time, or holiday benefits with full pay or receive a leave of absence without pay, in accordance with the provisions of this Agreement and Department policy.

Should the health care provider determine that the employee was able to work during the shift from which they were ordered off work, the employee shall not be charged with such absence and shall receive full pay for that shift.

Section 5. Agency/Department-Leave of Absence/Official Leave of Absence

An agency/department leave of absence or an official leave of absence without pay may be granted for the following reasons:

Application must be made on a form supplied by the Human Resources Department in advance of the effective date of the leave, unless circumstances make such advance request impossible. If the Human Resources Director disapproves the request, it shall be so endorsed and returned to the agency/department head, who may present it to the Board of Supervisors. The Board's action shall be final. Any official leave of absence granted shall be for a specified period and appropriate conditions may be imposed such as the employee providing sufficient medical documentation or other evidence documenting the leave as required by the Human Resources Director or a designee.

Such leave may be extended upon further written request containing justification therefore, such request for extension is to be processed in the same manner as the original request. In the case of a request for an extension due to illness or disability, updated information of the same kind submitted for the original request will be required.

Nothing herein shall prevent the earlier return to duty by the employee, except the agency/department head may require two weeks advance notice of the employee's intention to return.

An employee on leave of absence for illness or disability reasons will be required to present a return-to-work statement from the attending physician releasing the employee to full duty, prior to being allowed to return to work. The parties shall have the right to offer evidence by witnesses at the hearing subject to the discretion of the impartial party. The conciliator may consult with witnesses informally and otherwise investigate the controversy.
 4. The conciliator may modify the disciplinary action, but in no event shall have the authority to increase the disciplinary action imposed to be greater than in Section 7(A) herein.
 5. The judgment of the conciliator shall be rendered within five (5) working days of submission of the controversy to him/her. Provided, however, the parties may mutually agree to extend the time in which the judgement may be rendered.
 6. The conciliator's authority shall be limited to deciding the issues submitted by the parties. The conciliator shall have no jurisdiction or authority to add to, delete from, or modify any written provisions of any Memorandum of Understanding.
 7. All costs for the service of the conciliator, if any, including but not limited to, per diem expenses, travel and subsistence expenses, a transcript, and the cost of the hearing room will be borne equally by the County and the employee.

Section 8. Hearing Procedure - Major Discipline

- A. Appeals filed in cases of termination, suspension exceeding eighty (80) working hours, or pay reductions exceeding eighty (80) hours of gross salary shall be heard by an arbitrator.
- B. The parties shall maintain a jointly negotiated list of no fewer than seven nor more than eleven arbitrators who shall be selected by the striking method. The only remaining name after the striking process shall serve as the arbitrator. If unable to agree on who should strike first, the first name shall be struck by the party winning the toss of a coin. If the arbitrator chosen is unable to serve within a time frame acceptable to both parties, the last name struck will serve as the arbitrator. As soon as possible, a representative from RSA and the County shall meet to establish the list of up to eleven Arbitrators.
- C. The hearing shall be set by the Employee Relations Manager, or designee, and employee representative, or employee, within a reasonable period based on the arbitrator's availability and other scheduling factors.
- D. The employee and the department head may be represented by counsel or other representative, provided, however, if the employee is in a representation unit wherein an Employee Organization has been awarded exclusive recognition pursuant to the Employee Relations Resolution, unless represented by counsel, the employee may be represented only by the exclusive employee organization.
- E. It shall be the duty of any County Officer or employee to attend a hearing and testify upon the written request of either the employee, the department head, or the arbitrator, provided reasonable notice is given the department employing the officer or employee. The Employee Relations Manager shall arrange for the production of any relevant County record. The arbitrator is authorized to issue subpoenas.
- F. All appeal hearings involving the dismissal of an employee shall be reported by a stenographic reporter. All other appeals need not be reported but either the employee or the department head may, at their own expense, provide a reporter for the hearing.
- G. The expenses of the arbitrator and transcripts, if required, shall be shared equally by the parties. Each party shall make arrangements for and pay expenses of witnesses that are called by such party, except that any County employee called as a witness shall be released from work without loss of compensation or other benefits to attend the disciplinary hearing.
- H. Any arbitration expense incurred as the result of a postponement or cancellation of a hearing shall be borne by the postponing or canceling party.
- I. Within 21 days following the submission of the appeal, the arbitrator shall submit written findings of fact, conclusions of law, and the decision to the parties together with a copy of the appeal and a summary of the evidence taken at the hearing. The

decision of the arbitrator shall be final subject to the right of either party to seek judicial review under Section 1094.5 of the California Code of Civil Procedure.

1. The arbitrator shall confine the decision to issues raised by the statement of charges and responses. The arbitrator shall act in judicial, not legislative manners. The arbitrator shall not amend, modify, nullify, ignore, add to or subtract from the provisions of the Memorandum but, rather, shall interpret and apply its terms.
2. If the arbitrator finds that the disciplinary action was appropriate, the action shall be sustained.
3. In the case of suspension/reduction in compensation or demotion, if the action is modified or rescinded, the appellant shall be entitled restoration of pay and/or fringe benefits in a manner consistent with the arbitrator's decision.
4. In the case of discharges, if the arbitrator finds the order of discharge should be modified, the appellant shall be reinstated to a position in the classification held immediately prior to discharge subject to forfeiture of pay and fringe benefits for any period of suspension imposed by the arbitrator.
5. If the arbitrator finds the order of discharge should be rescinded, the appellant shall be reinstated to a position in the classification held immediately prior to discharge and shall receive pay and fringe benefits for all of the period of time between the discharge and reinstatement.
6. The County shall not be liable for restoring pay and fringe benefits for any period(s) of time the appellant was reduced or removed from duty which results solely from the appellant's request for written briefs in the arbitration proceedings.
7. Restoration of pay benefits shall be subject to deduction of all unemployment insurance and outside earnings which the appellant received since the date of discharge which would not have been earned had the appellant not been disciplined. The appellant shall supply such outside employment earning records during the period of time in question when requested.

Section 9. Evidence And Procedures Applicable to All Hearings

- A. Hearings need not be conducted according to technical rules of evidence. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs.
- B. Hearsay evidence shall be admitted and may be used for the purposes of supplementing or explaining any direct evidence, but shall not be sufficient in itself to support disciplinary action as defined in Section 1.a. herein, unless it is the type of hearsay admissible over objection in a civil action. The rules of privilege shall apply to the same extent to which they are recognized in civil actions.

- C. Irrelevant and unduly repetitious evidence shall be excluded.
- D. The rules of privilege shall be effective to the same extent that they are now or hereafter may be recognized in civil actions. In addition, communications between Human Resources Department employees, non-attorney advocates, Management or employees of County departments involved in an arbitration, and communications between the union representative and the employee who is the subject of a personnel action shall be confidential and not subject to disclosure in a personnel hearing.

- G. The employee and the Department Head shall have these rights:

 - 5. To rebut any derogatory evidence.
- H. The hearing shall be a private proceeding among the County, the employee and the employee organization.

ARTICLE XIV
GRIEVANCE PROCEDURE

A. GENERAL PROVISIONS

Section 1. Intention

It is the intent of this procedure that grievances be settled at the lowest possible administrative level.

Section 2. Grievance Definition

Except as outlined below, a “grievance” is a dispute – the solution of which is wholly or partially within the province of the County to rectify – that involves the interpretation or application of the MOU; or existing (a) Ordinances, (b) rules, (c) regulations, or (d) policies concerning wages, hours, and other terms and conditions of employment. Where a grievance affects more than one employee, RSA may file a grievance by identifying the

affected employees, either by name or some other method that makes their identity clear. A grievance does NOT include:

- A. Matters reviewable under some other County administrative procedure;
- B. Matters for which the solution of which would require the exercise of legislative power, such as the adoption or amendment of an Ordinance, rule, regulation, or policy established by the Board of Supervisors;
- C. Matters involving the termination of a probationary, seasonal or temporary employee;
- D. Matters involving the appeal of a dismissal, demotion, reduction in compensation, suspension or any other action taken for disciplinary reasons against a permanent employee, pursuant to the provisions of Article XII; and,
- E. Matters involving a departmental performance evaluation (1) with respect to permanent employees, including those in a promotional probationary status, if the evaluation rating overall is satisfactory (or competent) or better or (2) with respect to employees in their initial probationary period.

Section 3. Freedom From Reprisal

No employee shall be subject to coercion or disciplinary action for discussing a request or complaint with their immediate Supervisor, or for the good faith filing of a grievance petition.

Section 4. Employee Representation

An employee is entitled to representation in the preparation and presentation of a grievance at any step in the grievance procedure. An employee who is a member of RSA may only be represented by RSA.

Reasonable access to work areas by representatives of RSA shall be in accordance with Section 20 of the Employee Relations Resolution. The grievant(s) and one representative are entitled to be released from work for a reasonable period of time in order to present the grievance. No person hearing a grievance petition need recognize more than one representative for grievant(s) unless, in the opinion of the person hearing the petition, the complexity of the grievance requires more than one representative in order to fully and adequately present the matter.

Section 5. Consolidation

Grievance petitions involving the same or similar issues, filed by employees in the same representation unit, may be consolidated for presentation at the discretion of the person hearing the petitions.

Section 6. Resolution

Any grievance petitions settled at any point during the grievance-arbitration procedure shall be final and binding on the parties to the settlement.

Section 7. Withdrawal

Any grievance petition may be withdrawn by filing party at any time, without prejudice.

Section 8. Time Limits

Grievance petitions shall be processed from one step to the next within the time limit prescribed in each of the steps. Any grievance petition for which a disposition is not made at any step within the time limit prescribed, or any extension which may be agreed to, may be referred to the next step in the grievance procedure, with the next time limit to run from the date when time for disposition expired. Any grievance petition not carried to the next step by RSA within the prescribed time limits, or such extension which may be agreed to, shall be deemed resolved upon the basis of the previous disposition.

Section 9. Resubmission

Upon consent of the person hearing the grievance petition and RSA, a petition may be resubmitted to a lower step in the grievance procedure for reconsideration.

Section 10. Extension of Time

The time limits within which action must be taken or a decision made as specified in this procedure may be extended by written consent of the parties.

Section 11. Steps in the Grievance Process

The following procedure shall be followed:

- A. Discussion with Supervisor. Prior to filing a written grievance petition, the employee(s), or the employee's representative, shall first take the matter up with the immediate Supervisor. The Supervisor shall give a prompt response where it is possible to do so. The employee and the Supervisor are each entitled to the presence of a silent observer to the employee - Supervisor discussion. An observer that interrupts or participates in the discussion may be excluded from the discussion by either the employee(s) or the Supervisor. Grievances filed by RSA on its own behalf may be filed in writing without any prior discussion with supervision.
- B. Submission of Written Grievance. All grievance petitions shall be filed within fifteen (15) working days after the occurrence of the circumstances giving rise to the grievance, or within fifteen (15) days of the discovery of the circumstances giving rise to the grievance, or when those circumstances reasonably should have been discovered, otherwise the right to file a grievance petition is waived and no grievance shall be deemed to exist. RSA shall submit the grievance petition to the Human Resources Department on the form prescribed by the Human Resources Director. No grievance petition shall be accepted for processing until the grievance petition is complete. The Human Resources Department shall forward a copy of the grievance petition to the appropriate Department Head(s).

- C. Grievance Meeting. Within fifteen (15) working days after submission of the grievance petition, the Department Head, or a designee, and the Employee Relations Division Manager, or a designee, shall meet with RSA to discuss the grievance. No later than fifteen (15) working days thereafter, the Employee Relations Division Manager, or a designee, shall render written decision.
- D. Demand for Arbitration. If a grievance is not resolved through the grievance meeting, a demand for arbitration may be presented in writing to the Employee Relations Division Manager or a designee within ten (10) working days after receipt of the decision of the Employee Relations Division Manager, or a designee.

Section 12. Arbitration

- A. After submission of a demand for arbitration, the parties shall attempt to agree on an arbitrator. The parties shall maintain an "Arbitrator Strike List." Arbitrators may be added or deleted from the "Arbitrator Strike List" only by mutual agreement of the parties. If the parties are unable to agree, then an arbitrator will be selected by the parties alternately striking names from the "Arbitrator Strike List" until one (1) name remains who shall serve as the arbitrator.
- B. If either party wishes to have a transcript of the arbitration proceedings, the requesting party will be solely responsible for all costs associated with the transcript. If both parties request a transcript the cost will be shared equally.
- C. The expenses of the arbitrator, if any, shall be shared equally by the parties. Each party shall make arrangements for and pay expenses of witnesses that are called by such party, except that any County employee called as a witness shall be released from work without loss of compensation or other benefits to attend the arbitration hearing. Such arrangements shall be made through the Employee Relations Manager, or a designee, with the employee's department head at least two (2) working days in advance of the hearing date.
- D. Prior to the arbitration hearing, the parties shall meet and attempt to prepare a joint statement of the issues which describes the existing controversy to be heard by the arbitrator. If the parties are unable to agree on a joint statement, each shall prepare a separate statement of issues. The arbitrator shall not decide any substantive issue(s) not within the statement of the issues submitted by the parties. This includes issues which have not been raised and considered at an earlier step of the grievance procedure. The location of the hearing will be determined by mutual agreement of the parties; or in the absence of such an agreement, at a neutral location set by the Hearing Officer.
- E. All grievances filed by RSA shall be heard and discussed in the grievance procedure up to and including the grievance meeting; no grievance shall be rejected from the grievance procedure. In the event that the County maintains that the issue is not subject to arbitration the issue of arbitrability shall be resolved by an Arbitrator on the Arbitrator Strike List who shall be selected by mutual agreement of the parties but who will not hear the underlying dispute. In the event that the arbitrator finds that the grievance is arbitrable, the parties shall select a different arbitrator to hear the underlying dispute.

- F. If the arbitrator sustains the grievance, a remedy shall be fashioned that does not conflict with the provisions contained herein. No arbitrator shall have any power to alter, amend, modify, or change any of the terms of this agreement or shall exceed the authority provided to him by this agreement.
- G. Arbitration proceedings shall be conducted pursuant to the Labor Arbitration Rules of the American Arbitration Association, unless the parties agree that the proceedings may be conducted pursuant to the Expedited Labor Arbitration Rules of the American Arbitration Association.
- H. The rules of privilege shall be effective to the same extent that they are now or hereafter may be recognized in civil actions. In addition, communications between Human Resources Department employees, non-attorney advocates, Management or employees of County departments involved in an arbitration concerning personnel matters and communications between the union representative and the employee who is the subject of a personnel action shall be confidential and not subject to disclosure in a hearing.
- I. Any arbitration expense incurred as the result of a postponement or cancellation of a hearing shall be borne by the postponing or canceling party.
- J. The decision of the arbitrator shall be final subject to the right of either party to seek judicial review by filing a writ per the appropriate section of the California Code of Civil Procedure.

ARTICLE XV
ANTI-STRIKE CLAUSE

It is hereby agreed that RSA shall not take part in, nor call, sanction, foster, nor support any strike, work stoppage, slow-down, sick-in, nor interference with the County's operation during the term of this Memorandum of Understanding.

Should a strike, sick-in, picketing, boycott or any other interruption of work occur, the County shall notify RSA of the existence of such activity and RSA will take all reasonable steps to terminate such activity and induce the employees to return to work.

ARTICLE XVI
ON-THE-JOB INJURY OR ILLNESS

An employee who suffers an injury or illness which entitled him/her to benefits under the Workers' Compensation Law, and for which they actually receive or obtain medical treatment, shall be entitled to full compensation for the first 21 calendar days during which he/she is necessarily absent from duty as the result of such injury or illness, without deduction on account of accrued sick leave or other accrued salary credits. If such absence continues thereafter, he/she shall be paid as salary the difference between the temporary disability payments due him/her under the Workers' Compensation Law and the regular compensation, to the extent of the value of accrued sick leave, including, for this

purpose, the values, successively, of the accrued compensatory time off for overtime and accrued vacation credit. During a period of temporary disability and in the proportion that the employee is paid for the difference between the temporary disability payments and the regular compensation, he/she shall continue to accrue sick leave and vacation benefits at the regular rate.

The right is reserved to make later adjustments as between salary and disability benefits to conform to the Workers' Compensation Law, or to conform to later development of facts, including the right to recover any overpayment directly or from future earnings.

In the event of substantial doubt whether temporary disability payments are payable under the Workers' Compensation Law for the disability, or doubt as to the extent thereof, payment on account of sick leave shall be withheld, except to the extent authorized by this section, until the issue is determined either by assumption of liability by the compensation insurance carrier or by adjudication of liability. In the event of substantial doubt whether the disability is compensable pursuant to Section 4850 of the Labor Code, payment of salary shall be withheld, except as to so much thereof as shall be equal to the value of accrued sick leave, vacation and compensatory time off for overtime, until the issue shall be adjudicated.

ARTICLE XVII LAYOFF AND REINSTATEMENT

Section 1. Seniority

- A. Definition of Seniority. Seniority shall be defined as the length of an employee's continuous service with the County, in a regular position, and is based on most recent date of hire.
- B. Definition of Department. For purposes of this procedure, department shall be defined as the smallest business unit of:
 - 1. the administrative staff of an agency; or
 - 2. a department; or
 - 3. a department within an agency; or
 - 4. a district of the County; or
 - 5. a County Service Area
- C. Whenever more than one employee in a department has the same most recent date of hire, seniority shall be determined in the following order: Hours of County service from the most recent date of hire, seniority in classification, and seniority in the department or agency.
- D. Except as otherwise provided in this Procedure, an employee shall lose seniority upon resignation, retirement, termination, or removal from all departmental reinstatement lists. Seniority shall continue to accrue while an employee is on the layoff list.

Section 2. Reduction in Force

- A. When it becomes necessary to reduce the work force in a department, the department head shall designate the job classification(s) to be affected, and the number of employees to be eliminated within the department. No regular employee shall be laid off in any job classification if there are temporary employees or seasonal employees in an active status in the same job classification within the department. It is not the intention of the County to use per diem employees for a replacement of regular laid off employees.
- B. Any reduction in the number of regular employees holding a job classification designated by a department head for layoff shall be made in the following order of employment status:
1. Temporary promotion employees (return to former class);
 2. Probationary new employees;
 3. Probationary transfer employees, probationary promotional employees, and regular employees.
- C. Layoffs of employees within each classification shall be based primarily on date of hire, with the least senior employees being laid off first. An employee may be laid off out of seniority when a less senior employee possesses essential skills necessary to the operation of the department, subject to the approval of the Human Resources Director. Employees laid off out of seniority shall be given written notice of this action.
- D. After consultation with the Human Resources Director or a designee, the department head shall give notice to each regular employee affected by a reduction in force and to the recognized employee organization that represents the affected employee's representation unit, at least 14 days prior to the effective date of the action. The list given to the employee organization shall include a seniority list of the affected classes showing previously held positions. A list containing the names of the employees to be laid off shall at the same time be given to the Human Resources Director. The recognized employee organization shall be in receipt of the layoff notice 24 hours prior to the time affected employees are notified. The official notice of layoff shall be given only by the employing department. The notice shall include:
1. The reason for layoff;
 2. The effective date of the action;
 3. If laid off out of seniority.
- E. If an employee who has received official notice of layoff has previously held regular status in another job classification within the department, and was not removed therefrom for disciplinary reasons, such employee shall, upon request, be given a transfer or demotion within the department to such other classification in lieu of

layoff unless such action cannot be accomplished without authorization of another position or displacement of an employee with greater seniority. The affected employee must request such transfer or demotion within seven days of written notification of layoff by personal delivery or mailing of a certified letter.

Regular employees who elect to demote under this provision shall be placed at the rate nearest their present salary within the range of the class to which they are demoting provided such rate shall not exceed present salary.

- F. The effected employee organization will be provided a copy of the final layoff list.

Section 3. Reassignment

- A. An employee not expected to be laid off may in lieu of reassignment elect to be laid off and be placed on the Departmental Reinstatement List if both of the following conditions exist:
 - 1. The employee is being reassigned to a position previously occupied by an employee who was laid off within twenty (20) working days of the effective date of the reassignment; and
 - 2. If the new work location is more than 40 miles from the employee's current work location or the employee's home, whichever is closer.
- B. An employee who chooses to be laid off and have their name placed on the Departmental Reinstatement List under this section shall notify the department in writing of the decision at least three (3) working days prior to the effective date of reassignment. Such layoff shall be on the same date as the reassignment would have been effective.

Section 4. Employment Counseling and Referral

Prior to the effective date of layoff, every employee given notice of layoff for a period of time longer than one (1) pay period may schedule an employment counseling session with the Human Resources Department for assistance in determining other employment opportunities within the County for which the employee may qualify.

- A. Only employees who have either been given layoff notices or are currently on a reinstatement list shall be referred first to any department requesting a recruitment for classifications from which the employees were laid off.
- B. Employees who meet the minimum qualifications and have either been laid off or have been given layoff notices shall be referred first to departments requesting recruitments for all other classifications within RSA Public Safety bargaining unit.
- C. Departments are required to notify the Human Resources Department in writing why these candidates are unacceptable before outside candidates will be referred.

Section 5. Departmental Reinstatement List

- A. The name of every regular employee who is laid off for longer than one (1) pay period due to a reduction in force, or who is laid off in lieu of reassignment under subsection (c) above, shall be placed on Departmental Reinstatement Lists for all classifications of a currently equal or lower salary range in which the employee ever held regular status, provided the department is allocated any positions of such classification.
- B. Any vacancy to be filled within a department shall be offered first, in order of greatest seniority, to individuals named on the Departmental Reinstatement List for the classification of the position to be filled.
- C. An employee's name shall be removed from Departmental Reinstatement Lists, for specific classifications, for any of the following reasons:
 - 1. The expiration of two (2) years from the date of placement on the list.
 - 2. Failure to report to work within seven (7) days of mailing of a certified letter containing a notice of reinstatement to a position which is less than forty (40) miles from the last work location or the employee's home, whichever is closer.
 - 3. Failure to respond within seven (7) days of mailing of a certified letter regarding availability for employment. It shall be the responsibility of the employee to notify his/her department head, in writing, of the employee's current mailing address.
 - 4. Request in writing to be removed from the list.
- D. Status on Reinstatement

Reinstatement is defined as recall by the same department, from a departmental reinstatement list, into a regular position. Upon reinstatement, the employee shall be entitled to:

- 1. Restoration of all sick leave credited to the employee's account on the date of layoff.
- 2. Continuation of seniority.
- 3. Credit for all service prior to layoff for the purpose of determining the rate of accrual of vacation leave.
- 4. Placement on the salary range at a rate which is nearest former or current pay rate, whichever is higher, with the employee's hours at a rate being the same number of hours which the employee had at the time of layoff.

Section 6. Re-employment

Status on Re-employment. Re-employment is defined as being employed by the same or other department into a regular position, only while on the reinstatement list, other than that from which the employee had reinstatement rights to. If re-employed while the employee's name is current on any reinstatement list, the employee shall be entitled to:

- A. Restoration of all sick leave credited to the employee's account on the date of layoff.
- B. Continuation of seniority shall be credited to the employee upon successful completion of the applicable probationary period.
- C. Credit for all service prior to layoff for the purpose of determining the rate of accrual of vacation leave.

Section 7. Temporary Recall

Departments may elect to recall laid off employees in order of seniority from the reinstatement list, for a temporary period of not less than thirty (30) days and not to exceed four hundred eighty (480) full-time hours within a six (6) month period. Acceptance of temporary recall is at the discretion of the employee and will not affect the employee's status on the reinstatement list. Should the temporary recall extend beyond four hundred eighty (480) full time hours, a permanent recall shall be effectuated, if sufficient work remains. The recalled employee shall be eligible for benefits under Section 5.D.(4) of this Article.

Section 8. The Human Resources Department will provide to RSA each quarter a list of employees by Department, classification, and date of hire.

ARTICLE XVIII DRESS CODES

Section 1. The Union shall have the right to bring up Dress Code issues to the Labor Management committee as issues arise. Effective the signing of this Agreement, an employee must be given written notice for the first incident of wearing improper attire. Thereafter, the employee can be sent home with loss of pay as a result of a violation of this Article.

Dress codes that were in effect as of June 23, 1993, shall continue in effect for the term of this Memorandum unless modified in accordance with the following.

During the term of this Memorandum, the parties agree to meet and confer in good faith pursuant to Government Code 3500 et. seq. on proposed dress codes for County departments where no such codes currently exist or for County departments seeking to modify existing codes.

“Appearance Standard Dress Code – Uniforms”

The parties agree to establish a labor/management committee to develop a uniform and corresponding policy for group counselor staff.

Section 2. Uniforms

A. General Uniform Provisions

1. Issuance. The County agrees to provide uniforms or uniform allowances to employees in the department so long as the employee is required to wear uniforms in the performance of their duties.
2. Property of the County. Uniforms issued by the County shall remain property of the County.
3. Return. Employees shall return all issued uniforms/articles of the issued uniform to the County upon request.
4. Reporting of Uniforms to CalPERS. The parties agree that to the extent permitted by law, the value of uniforms (in an amount not to exceed one thousand dollars (\$1,000.00) annually) is special compensation as defined by CalPERS regulations and shall be reported as such to CalPERS pursuant to Title 2 CCR, Section 571(a)(5) Uniform Allowance. Notwithstanding the previous sentence, for "new members" as defined by the Public Employees' Pension Reform Act of 2013, the uniform allowance will not be reported as compensation earnable to CalPERS.

ARTICLE XIX VOLUNTARY TIME-BANK

Section 1. Any department considering establishing a Time-Bank for its eligible employees shall follow the guidelines below:

A. Definition of eligible employees.

Only employees in budgeted ("Regular") positions are eligible to participate in the Riverside County Voluntary Time-Bank Policy.

B. Definition of catastrophic illness or injury.

Catastrophic illness or injury is a severe illness or injury which is expected to incapacitate the employee for an extended period of time and which creates a financial hardship because the employee has exhausted all accumulated leave. Catastrophic illness or injury is further defined as a debilitating illness or injury of an immediate family member (i.e., the spouse, son, daughter, step-son, step-daughter, foster-son, foster-daughter, parents, grandparents, brother or sister of the employee or any other person living in the immediate household of the employee) that results in the employee being required to take time off from work for an extended period to care for the family member creating a financial hardship because the employee has exhausted all accumulated leave.

C. Conditions and procedures under which a Time-Bank for catastrophic illness/injury may be established.

1. Only the department head, upon concurrence from the Human Resources Director, may request establishment of a Time-Bank for an employee within the department who is suffering a financial hardship due to a catastrophic illness or injury.
2. When the department head has determined that an employee would benefit from the establishment of a Time-Bank, the department head will contact the employee to determine if the employee desires to participate in a Time-Bank program. If the employee desires to participate in the Time-Bank program, the department head will contact the Human Resources Department and recommend the establishment of the program.
3. The Time-Bank will be established on behalf of an individual employee. The bank will accept donations of leave from one or more donors.
4. The Time-Bank will be operated by the Human Resources Department. The department head will take actions to help ensure that individual employee decisions to donate or not donate to a Time-Bank are kept confidential and that employees are not pressured to participate.
5. On establishing a Time-Bank program, the Human Resources Department should ensure that only credits that are necessary are donated. All donations are not retrievable.

D. Conditions under which leave credits may be donated to a Time-Bank.

1. Any employee may donate vacation, holiday accrual, or administrative leave. Sick leave and compensatory time may be not donated.
2. Donations of vacation, holiday accrual, or administrative leave must be in increments of 8 hours or more and drawn from one bank only.
3. The donation of leave hours is irreversible. Should the person receiving the donation not use all donated leave for the catastrophic illness/injury, any balance will remain with that person or will be converted to cash upon that person's separation.
4. An employee may not donate leave hours which would reduce their accrued leave balances of vacation, holiday accrual, compensatory time, sick leave, or administrative leave to less than one hundred sixty eights (168) hours.
5. Donated leave shall be changed to its cash value and then credited to the recipient in equivalent hours at the recipient's base hourly rate of vacation or administrative leave.

6. Employees will use a provided form to submit donations directly to the Human Resources Department. Adjustment to donor's and recipient's paid leave balances will be made.

E. Conditions under which leave credits in a Time-Bank may be used.

1. Only the employee for which the Time-Bank has been established may receive leave credits from the Time-Bank. Such leave credits shall be added to the employee's vacation balance.
2. The affected employees will provide verification of their (or immediate family member's) illness or injury on an Attending Physician's Statement to Support Leave or Return from Leave while using time donated under this program.
3. The use of donated credits may be for a maximum of twelve (12) continuous months for any one catastrophic illness.

F. Steps to be taken by the department to establish a Time-Bank program.

A department head who decides that the department will participate in a Time-Bank program will arrange with the Human Resources Department for the establishment of the Time-Bank for the individual. The procedure to be followed must include:

1. Receipt of written approval from the employee to announce the need for a Time-Bank transfer.
2. Notify the Human Resources Department of the need for the program and coordinate the program's establishment.
3. Require that employee donations be made directly to the Human Resources Department to ensure that employee's decision to donate or not donate is kept confidential.
4. Immediately investigate any allegations of pressure or coercion in the solicitation of donations for the Time-Bank and take appropriate action.

G. The Human Resources Department will:

1. Control the Time-Bank program.
2. Receive from the employee benefiting from the Time-Bank proof of eligibility and a signed agreement allowing publication of the employee's situation.
3. The employee benefiting from the Time-Bank and the Human Resources Department will agree on the content of the publicity.
4. Publicize the establishment of the Time-Bank program. The notice will inform all employees of:
 - a. The establishment of the voluntary program.

- b. Their opportunity to donate.
- c. How donations are submitted.
- 5. Notify the department head immediately if the program cannot be established and the reason(s).
- 6. Immediately investigate any allegations of pressure or coercion in the solicitation of donations for the Time-Bank and take appropriate action.

Section 2. It is agreed that the use of the holiday bank for donation of time shall be applicable to this Memorandum subject to reopener should it be determined by the County that such use is abused or it is an administrative problem.

ARTICLE XX
APPEAL PROCEDURE
ACCIDENT REVIEW COMMITTEE

Section 1. Procedures

The following procedure shall be followed by the Accident Review Committee:
