

TEMPORARY AND PER DIEM EMPLOYEES MEDICAL COVERAGE

WHO IS ELIGIBLE?

Temporary employees working more than 30 hours per week for at least 60 days who are not in an excluded class found below.

New Temporary employees who meet and **maintain** the following criteria are eligible for medical coverage:

- You must complete a 60-day waiting period and remain on active assignment; and
- You must be reasonably expected to work more than 30 hours per week (130 hours per month).

Ongoing Temporary employees whom the County of Riverside has determined to have worked 30 or more hours per week (130 or more hours per month) on average over the course of a 12-month Standard Measurement Period.

You may choose coverage for yourself and your eligible dependents. Eligible dependents include your spouse/registered domestic partner and your natural children or stepchildren who are under age 26; children for whom you have legal custody or guardianship under age 26; and eligible dependents who are over age 26 and who are incapable of self-care.

EXCLUDED CLASSES

Retired Annuitants are permanently excluded from eligibility based on CalPERS rules for working annuitants. Interns, Seasonal employees and Title 5 employees are also excluded from coverage.

Election workers, Per Diem employees, Commission Advisory group employees and Hazmat employees are variable hour employees and excluded from enrollment upon hire. Employees from these classes may be considered

eligible after working 30 or more hours per week during the course of a 12-month Initial Measurement Period.

PLAN ELIGIBILITY

All medical plan options are provided through the CalPERS health program. CalPERS offers two PPO plans and a variety of HMO medical plan options. Your health plan eligibility and cost are based on where you live or work. Use the [***CalPERS Health Plan Search by ZIP Code***](#) search tool to find CalPERS health plans available in your area.

If you want to see a specific doctor or use a specific medical group or hospital, be sure to select a plan that includes that specific provider. Contact the health plan(s) and/or provider directly to explore the availability of any specific provider before enrolling.

When you enroll in a health plan, services are provided through the health plan's delivery system, and the continued participation of any doctor, hospital or other provider cannot be guaranteed. The provider network may change during the plan year. If the network changes during the plan year, you will be allowed to select a new provider, but you will not be permitted to change plans.

HOW THE HEALTH PLAN WORKS

The County of Riverside contracts with the CalPERS health program to provide employees with access to two PPO plans and a variety of HMO medical plan options. CalPERS has a standardized copay structure for all HMO plans. If you have detailed or specific questions about what the plans cover, please review the Evidence of Coverage (EOC) booklet available at www.calpers.ca.gov or contact the individual health plan carrier.

PAYING FOR COVERAGE

The County of Riverside will pay the employer contribution as prescribed by the Public Employees' Medical and Hospital Care Act (PEMHCA) when you enroll. The remaining part of the premium is deducted from your pay warrant on a pretax basis. The semimonthly premium in the chart at right reflects the amount you will pay for coverage each pay period, after the employer contribution. No deduction is taken on the third pay period in a month that has three pay periods, unless you owe uncollected premiums (arrear).

IMPORTANT NOTE

The County of Riverside collects premiums one month ahead of the coverage effective date. Missed premiums (arrear) and the current required premium will be deducted in full from your first available pay warrant(s). This could result in a significant deduction from your paycheck. Please be sure to prepare for this added expense.

PAYING FOR COVERAGE WHEN YOU'RE NOT ON ASSIGNMENT

When you're not on assignment (not in a paid status), you are responsible for paying the premium payments required to continue coverage. **Uncollected premiums while you are in an unpaid status will be immediately collected, in addition to your current premium, when you return to a paid status.**

If you expect to be off assignment or on leave of absence for one full pay period or longer, you must notify the Human Resources Benefits Division to cancel your elections or continue benefits by electing Direct Pay. Under the Direct Pay program, you will complete a CalPERS HBD-21 form and pay your premiums directly to the health plan while in a nonpay status.

If you do not elect Direct Pay, after two consecutive unpaid pay periods, your coverage will end for nonpayment. The County will send a letter to the mailing address on file providing you with a 30-day notice to pay the missed premiums before your coverage is cancelled for nonpayment. For example, if you are not in paid status for both paychecks in April, you will receive a letter letting you know of your medical plan termination effective June 1.

HOW TO ENROLL

During the onboarding process, you will complete a TAP Benefit Election Form. The elections you make during your onboarding process will go into effect on the first of the month following a 60-day waiting period. If you are including a dependent in your enrollment, be sure to provide the proper documentation when submitting your enrollment form (birth certificate, marriage certificate, domestic partner registration) to verify dependent eligibility.

In the event your election request changes **before** it is processed and a premium has been collected, please contact the Benefits Division of HR at **(951) 955-4981, option 1** or email benefits@rivco.org so that a new form can be completed.

WHEN DOES COVERAGE BEGIN?

Your coverage will begin on the first of the month following a 60-day waiting period.

The County of Riverside collects premiums one month ahead of the coverage effective date. Missed premiums (arrear) and the current required premium will be deducted in full from your first available pay warrant(s). This could result in a significant deduction from your paycheck. For example, employees hired on July 1 who meet and maintain the criteria shown on page 1 would have a medical election effective date of September 1. Once the election is entered, the employee will minimally owe the premium for the entire month of September and the current pay period's premium. Please be sure to prepare for this added expense.

WHEN DOES COVERAGE END?

Coverage for you and your enrolled dependents will end at the earliest of:

- The end of the month following the month your employment ends.
- The end of the month in which your dependent ceases to be eligible for coverage due to divorce, termination of domestic partnership or reaching the age of elimination.
- The first of the month following submission of a TAP Benefit Election Form requesting to cancel coverage due to a mid-year qualified change of status.
- At the end of the period for which premiums have been paid when coverage is ended due to nonpayment. When your portion of health care premiums are not deducted from your pay warrant and you miss premium deductions for two consecutive pay periods, your coverage will terminate.

MID-YEAR ELECTION CHANGES

The benefit elections you make as a new hire or during Annual Enrollment will stay in effect for the entire plan year if you remain eligible for benefits. After Annual Enrollment ends, you can make changes to your medical enrollment **ONLY** if your request is because of and consistent with a qualified change of status as defined by the Internal Revenue Service (IRS). If you believe you have experienced a qualified change of status, please contact the Benefits Division of HR at **(951) 955-4981, option 1.**

ANNUAL ENROLLMENT

Each year during the annual enrollment period held every fall, you have an opportunity to change your coverage elections for the following plan year. Please note that during the annual enrollment period, the County will review your employment to confirm you still meet the eligibility criteria for enrollment. If you have not worked full-time hours for the 12-month Standard Measurement Period as determined by the County during the annual review (see below), you will not be able to enroll for the following plan year, and you and any dependents will be offered COBRA continuation coverage.

ANNUAL REVIEW

Each year, the Benefits Division will conduct a review to confirm that Temporary and Per Diem employees who worked from October 2 of the previous year through October 1 of the current year have worked enough hours during the Standard Measurement Period (30 hours per week or 130 hours per month) to maintain eligibility for the following plan year.

TRANSITIONING FROM REGULAR EMPLOYMENT STATUS TO TEMPORARY OR PER DIEM STATUS

CHANGE IN EMPLOYMENT STATUS

When you are enrolled in coverage as an active Regular employee and transition to Temporary Assignment Program (TAP) or Per Diem status, your medical benefits will continue unless you choose to cancel. If you wish to cancel your coverage when transitioning, you must submit an *HBD-12 form* declining coverage within 60 days of your transition from Regular status. Your dental and vision benefits will end automatically at the end of the month following your transition, and you will receive notice of your rights under the Consolidated Omnibus Reconciliation Act (COBRA). If you are NOT enrolled in a CalPERS medical plan, you may enroll in a medical plan if you experience a mid-year qualified change of status.

Your cost share for coverage is different as a Temporary or Per Diem employee because you will no longer receive flexible benefits credits. You will be responsible for the premium cost listed previously on page 2. If you choose to end your medical enrollment during the transition, you may do so by completing an *HBD-12 form*. Failure to complete a form promptly may result in owed premiums.

Outside of a mid-year qualified change of status, coverage cannot be changed or cancelled. Your transition from Regular status to Temporary or Per Diem status is a mid-year qualified change of status event allowing you to cancel your coverage; it is vital that you submit your desired election change within the 60 days following your transition date.

If you are NOT enrolled in a CalPERS medical plan, you may enroll in a medical plan if you experience a mid-year qualified change of status. Employees who transition from Regular employment status to Per Diem status have already been deemed eligible for medical enrollment for the current plan year and can elect to continue their current enrollment. Their continued eligibility will be reviewed yearly during the annual review process outlined on page 3.

HOW TO ENROLL

To enroll in a medical plan, you must complete a CalPERS HBD-12 enrollment form within 60 days of your mid-year qualified change of status. Forms should be returned to your Department HR or emailed to benefits@rivco.org.

WHEN DOES COVERAGE BEGIN?

Your coverage will begin on the first of the month following receipt of your completed forms.

The County of Riverside collects premiums one month ahead of the coverage effective date. Missed premiums (arrears) and the current required premium will be deducted in full from your first available pay warrant(s). This could result in a significant deduction from your paycheck. Please be sure to prepare for this added expense.

WHEN DOES COVERAGE END?

Your dental, vision, life and disability enrollment benefits will end automatically the first of the month following your transition date. Temporary or Per Diem status employees are ineligible for Life Insurance and Disability Insurance.

You have 60 days from the date of your transition from Regular to Temporary or Per Diem status to voluntarily end your medical plan.

If you submit an HBD-12 form to cancel your medical coverage, your cancellation will be effective the first of the month following receipt of your form unless otherwise indicated on your form. To avoid owing premiums, we recommend that you cancel your medical plan the first of the month following your transition and turn in your complete form the month you transition to Temporary or Per Diem status.

HBD-12 FORM COMPLETION INSTRUCTIONS

To enroll or decline enrollment in the County of Riverside’s medical plans or to change your health plan, you must submit a completed *HBD-12 form*, which is attached to the end of this guide. If you have more than five dependents, please complete a secondary *HBD-12 form*. Every section of the form must be completed in order for your election to be processed. Incomplete forms will cause a delay in your request being processed.

SECTION A: APPLICANT INFORMATION

Enter your basic information as requested. If you are using your work zip code for health eligibility, please include your work zip code in part 8.

Please note when using your work zip code for health eligibility, any changes in your work location during the plan year may affect your health plan enrollment. Should your work location change result in a change in region eligibility, you will automatically be enrolled in the same health plan for your region eligibility. If you are no longer eligible for the enrolled health plan, you will be required to select a new health plan.

SECTIONS B & C: TYPE OF ACTION AND TYPE OF PERMITTING EVENT

Elect the option that’s consistent with your request: “Enroll in a Health Plan,” “Cancel All Coverage” or “Decline Coverage.”

Your Permitting Event Date should be the month you are requesting to enroll, change or decline coverage. For example, if you are a new employee hired on April 15, 2024, your Permitting Event Date would be July 1, 2024.

If you are requesting to cancel your coverage, your Permitting Event Date should be the first of the month following the signature date. Please review pages 3-4 carefully when completing this section and contact the Benefits Division of Human Resources at **(951) 955-4981, option 1** if you need clarification on how these dates will impact your benefits and paychecks.

EXAMPLES

- A new employee hired on April 15, 2024 who meets and maintains the criteria listed on page 1 would make the following selections: “Enroll in a Health Plan” and “New Employee,” with a Permitting Event Date of July 1, 2024.
- A new Per Diem employee who transitioned from Regular to Per Diem status on August 8, 2024 and would like to cancel coverage would make the following selections: “Cancel All Coverage,” “Other” (then write in “Decline coverage”), with a Permitting Event Date of September 1, 2024. In the “Name of Health Plan” section, write in “Cancel all coverage.”

The parties to this agreement, by entering into it, are giving up their constitutional right to have any such dispute decided in a court of law before a jury and instead are accepting the use of arbitration.

If I do not request enrollment within 60 days, I must wait at least 90 days or until the next OE period before I can enroll. The effective date of coverage will be the first of the month following the 90 day waiting period or the OE effective date.
