### WHAT YOU NEED TO KNOW

- HealthNet SmartCare will no longer be available in 2024. If you're currently enrolled in HealthNet SmartCare, you'll need to elect a new plan for 2024. If you don't choose a new plan during Annual Enrollment, you'll automatically be enrolled in the Blue Shield Access+ plan at your current coverage.
- Employees and their spouse or registered domestic partner can enroll in a CalPERS medical plan separately if they both work, or worked, for agencies in the CalPERS health program. If you choose to enroll separately, **one parent must carry all dependents on one health plan. Dependents cannot be split between parents.** For example, if an employee with children marries another CalPERS member with children and each member has their own enrollment in CalPERS medical, then all children must be enrolled under one parent. If split enrollments are discovered, they will be retroactively corrected.
- During Annual Enrollment, you'll be able to increase employee and/or spouse/domestic partner additional life insurance by one or two increments without having to provide Evidence of Insurability (EOI). See page 5 for more information.

Alternative formats available upon request.  
Contact the Benefits Information Line at  
**(951) 955-4981, option 1 as soon as possible.**

## WHAT YOU NEED TO DO DURING ANNUAL ENROLLMENT

Annual Enrollment is your opportunity to:

- Change your medical, dental and/or vision elections;
- Add/remove dependents;
- Enroll or re-enroll in a Flexible Spending Account (FSA) for the 2024 plan year;
- Access The Standard's online portal at <https://standard.benselect.com/COR> to review, confirm that beneficiaries are up to date and increase coverage.
- Participate in the County's Medical Waiver Program, which allows you to decline County-sponsored medical coverage and receive a taxable cash contribution in lieu of flexible benefit credits. To be eligible for the Medical Waiver Program, you must be covered by a Memorandum of Understanding or Resolution that makes you eligible for the waiver.

Employees in the RSA Public Safety and Law Enforcement Management (LEMU) Units are no longer eligible for the Medical Waiver option. Employees covered by the Deputy District Attorney's Association (DDAA) who were hired on or after November 4, 2010 are not eligible for the Medical Waiver 2 option. Please review page 6 for additional information.

After Annual Enrollment ends, you can only make changes to your elections if they are due to and consistent with a qualified change of status, as defined by the IRS.

### IMPORTANT NOTE

CalPERS recently installed functionality that lets employees complete self-service health transactions and upload supporting documentation through their myCalPERS account. However, the County of Riverside does not utilize the self-service enrollment feature available on the MyCalPERS website. Therefore, any enrollment completed on the MyCalPERS site will not be integrated into our processing system. You'll need to complete your annual enrollment elections through the County's Employee Self Service portal at <https://rc-hr.com/OE24>.

### IMPORTANT REMINDERS AND ACTIONS REQUIRED

Reminder	Action
<b>HealthNet SmartCare will not be offered in 2024.</b>	If you're currently enrolled in HealthNet SmartCare, you'll need to elect a new plan for 2024. If you don't choose a new plan during Annual Enrollment, you'll automatically be enrolled in the Blue Shield Access+ plan at your current coverage level.
<b>Flexible Spending Accounts (FSAs) require enrollment to participate.</b>	If you want to contribute to a Health Care FSA and/or Dependent Care FSA, <b>you must enroll and designate your annual election during Annual Enrollment</b> . This is true even if you're currently enrolled in an FSA and want to continue contributing in 2024. FSA enrollment elections do not carry over from year to year.
<b>Medical Waiver Program/Waiving Coverage: Action required!</b>	To participate in the County's Medical Waiver option and receive a taxable cash contribution in lieu of flexible benefit credits you <b>must</b> go online and complete your election during Annual Enrollment. You are required to elect "Medical Waiver" (MEDWAV/MEDWAV2) <b>every</b> plan year when you enroll online. This election does not carry over from year to year.
<b>Life Insurance</b>	Access The Standard's online portal at <a href="https://standard.benselect.com/COR">https://standard.benselect.com/COR</a> to review, confirm that beneficiaries are up to date and increase coverage.

## HOW TO ENROLL

**Online enrollment.** To enroll or make changes during Annual Enrollment:

- **Access** the online enrollment system from a County computer or any computer with Web/Internet access at [\*\*https://rc-hr.com/OE24\*\*](https://rc-hr.com/OE24) and click “Employee Self Service.”
- **Log in** using your six-digit employee ID and password. This is the same ID and password you use to access your payroll information online.
- **Complete** the enrollment process to make plan changes, add/remove dependents and waive coverage (including providing proof of other group insurance coverage). **Be sure to click “submit” until you receive a confirmation notice that your elections have been sent to HR. Unless you’re enrolled in HealthNet SmartCare (see page 1), if you do not want to make changes to your health benefits, you do not need to do anything now; your current elections will continue for 2024. However, if you participate in the Health Care and/or Dependent Care FSA, you must enroll and elect FSA coverage each year.**
- **Provide** dependent documentation. If you are enrolling a spouse, domestic partner or other dependent for the first time, you will need to provide supporting documentation no later than October 13, 2023. You will also be required to provide a Social Security number for each eligible dependent you enroll in a County-sponsored health plan. Your online enrollment for the dependent will not be processed without the supporting documentation. Submit supporting documentation via email to [\*\*BeneAudit@rivco.org\*\*](mailto:BeneAudit@rivco.org).

### IMPORTANT REMINDER

The Dependent Care FSA is for child care expenses while you work. It is NOT for health care expenses for your dependents. Use the Health Care FSA for all your family's health care expenses.

### IMPORTANT INFORMATION ABOUT PRIMARY CARE PROVIDERS:

If you enroll in the DeltaCare USA dental plan, you'll be asked to designate a primary care dentist. If you don't designate a primary care dentist when you enroll, one will be auto-assigned to you. If you wish to change your provider, you'll need to contact the carrier directly and receive a new ID card.

If you're considering a CalPERS health plan, please call the prospective health carrier directly to confirm your primary care physician (PCP) is part of the CalPERS plan network. You'll find CalPERS carrier contact information on page 11 of this guide. You'll receive a letter from CalPERS in late November 2023 confirming your medical enrollment for 2024. That's when you'll need to call your health carrier to have a PCP assigned for 2024.

## FLEXIBLE SPENDING ACCOUNTS (FSAs)

Flexible Spending Accounts (FSAs) help you save money by setting aside pretax dollars to pay for certain health care and dependent care expenses. The County offers a Health Care FSA and a Dependent Care (Day Care) FSA. Each year, you have the option of enrolling in one or both of these accounts. To participate, you must be a regular County employee scheduled to work at least 20 hours per week.

Your contributions are deducted in 24 equal amounts from your pay warrants. You may contribute from \$240 to \$3,050 per year for the Health Care FSA. You may contribute from \$240 to \$5,000 per year for the Dependent Care (Day Care) FSA if your tax filing status is “married filing jointly” or “head of household.” If you are married and file separate tax returns, you may contribute up to \$2,500.

Dependent Care (Day Care) FSAs are subject to non-discrimination testing each year to ensure the plan does not provide an unfair advantage to highly compensated employees. The testing compares the dependent care contributions of highly compensated employees with the dependent care contributions of all other employees. Depending on the results of this testing, contributions for certain employees may be limited, reduced or returned. You will be notified if this affects you.

### IMPORTANT REMINDER

**Remember, if you're currently enrolled in an FSA and you want to continue participating in 2024, you must re-enroll and designate your annual election during Annual Enrollment. Your participation in the FSA will not carry over.**

## CONSIDER YOUR ADDITIONAL LIFE INSURANCE OPTIONS

While the County provides basic life insurance coverage at no cost, you may purchase group additional life insurance through The Standard insurance company for yourself, your spouse/domestic partner and your eligible dependents. Deductions for additional life insurance coverage are taken on an after-tax basis.

During the additional life insurance open enrollment period, you can increase your current employee and/or spouse/domestic partner supplemental coverage by one or two increments (up to the guaranteed amount) without providing Evidence of Insurability (EOI), as governed by the open enrollment rules. See below for the permitted increases. If you're not currently enrolled, you can still elect coverage, but you'll need to provide evidence of good health and receive approval from the plan before coverage can begin.

## THE STANDARD'S LIFE INSURANCE PORTAL

The County of Riverside has partnered with The Standard to provide a secure, web-based system, known as **Ready Enroll** (<https://standard.benselect.com/COR>), for enrolling in life insurance coverage and managing beneficiaries.

This online system offers a secure gateway and paperless process for enrolling and managing life insurance provided by The Standard, including:

- Access to benefit plan details and other tools to help you make informed decisions on life insurance coverage
- Enroll, cancel or increase coverage
- Print a benefits confirmation or summary
- Update beneficiary information
- View your premium rate

This site is available 24/7 to assist you with your life insurance needs.

### IMPORTANT!

#### Confirm Your Beneficiary Information

**Annual Enrollment is a great time to visit The Standard's online portal to review and confirm that your beneficiary information is correct and up to date.**

## WHEN IS EVIDENCE OF INSURABILITY REQUIRED?

The chart below shows the coverage amounts you may elect without providing proof of good health or EOI.

ENROLLING DURING ANNUAL ENROLLMENT (you do not currently have coverage and you are beyond the initial eligibility period)		
Employee Additional Life	Spouse/Domestic Partner Additional Life	Dependent Child Additional Life
EOI required	EOI required	No EOI required, once Employee Additional Life is approved

INCREASING COVERAGE DURING ANNUAL ENROLLMENT (you currently have coverage and you are requesting additional coverage)		
Employee Additional Life	Spouse/Domestic Partner Additional Life	Dependent Child Additional Life
You may increase your coverage by one increment (\$10,000) or two increments (\$20,000) without EOI if currently enrolled for less than \$600,000	You may increase your spouse's/domestic partner's coverage by one increment (\$5,000) or two increments (\$10,000) without EOI if currently enrolled for less than \$100,000	No EOI required
<i>(Note for LIUNA and SEIU employees: The maximum coverage is seven times annual salary.)</i>		

## THE STANDARD'S ONLINE PORTAL

To add or change your additional life insurance coverage or update your beneficiary information, use **Ready Enroll** at <https://standard.benselect.com/COR>. The Group Number for Evidence of Insurability (EOI) is 641685.

Logging in to **Ready Enroll** during the annual enrollment period?

For Annual Enrollment, your username and PIN have been reset to the default:

1. Username is your six-digit employee ID (with no "E" at the beginning)
2. PIN is the last four digits of your Social Security number and the last two digits of your birth year

### What you should do

1. Log in to The Standard's online portal and review your basic life insurance benefits and additional life coverage elections, if applicable. This is a great time to apply for additional coverage for yourself and your eligible dependents. Coverage you elect during this annual enrollment period will be effective January 1, 2024 or upon underwriting approval.

2. The Standard will maintain employee life insurance elections and all beneficiary designations. You are required to enter beneficiary designations if you have not already done so. You will have access to your information 24/7 to maintain your enrollment and beneficiary information. Beneficiary designations you make in The Standard's online portal are effective immediately.

## WAIVING COUNTY MEDICAL COVERAGE

If you are eligible for the County's Medical Waiver option, you can waive County-sponsored medical coverage and receive reduced flexible benefit credits. In order to qualify for the Medical Waiver option, you must meet and do ALL of the following:

1. Meet the criteria, based on your last hire date, described in the most recent Memorandum of Understanding or Ordinance that governs your current bargaining unit or employee group.
2. Elect the "Medical Waiver" (MEDWAV/MEDWAV2) option when completing your online enrollment. This is an important step. **DO NOT select the option labeled "Waive," or you will lose your flexible benefit credits.** The "Waive" option means you are declining coverage and participation in the Cafeteria Plan and waiving flexible benefit credits.
3. You **MUST RE-ENROLL** in the Medical Waiver Program or Waive (Decline Coverage) every year. In order for the County to meet the Affordable Care Act (ACA) guidelines, you will need to complete your online enrollment.
4. Provide proof that you are covered by other **group** medical coverage (for example, your spouse's medical plan).  
**Note: Coverage under the Covered California™ exchange is not group coverage and therefore does not meet the requirement for the Medical Waiver option.**
5. For auditing purposes, you may be asked to complete a "Decline Coverage Acknowledgment Form" acknowledging that the County has offered affordable coverage under ACA, but that you have declined coverage. Please do not submit this form until you receive a request from HR.

Rules and requirements for Medical Waiver eligibility are discussed in the full enrollment guide. **If you elect to Waive (decline) medical coverage, you will not receive flexible benefit credits.** You must write your employee ID number on each piece of documentation before submitting to ensure that we are able to match the document to your record.

## PAYING FOR COVERAGE

**Flexible Benefit Credits.** To help you with the cost of benefits, the County of Riverside provides flexible benefit credits. You may also qualify for a premium subsidy if you are in an eligible bargaining unit and elect to enroll one or more dependents. The flexible benefit credits you receive and your eligibility for a premium subsidy are determined by the applicable Memorandum of Understanding or Ordinance that governs your bargaining unit or employee group. See the tables on page 7 for the flexible benefit credits and premium subsidy you may receive, starting with pay period 25/2023 (paid to you on the December 13, 2023 pay warrant, for January 2024 premiums).

**Premium Subsidy.** To help you with the cost of benefits, the County of Riverside provides flexible benefit credits and a premium subsidy for electing to enroll one or more dependents on your medical plan. The flexible benefit credits you receive and your eligibility for a premium subsidy are determined by the applicable Memorandum of Understanding or Ordinance that governs your bargaining unit or employee group. To be eligible for flexible benefit credits and a premium subsidy, you **must enroll in a County-sponsored medical plan**. The total amount the County will contribute to an employee who elects medical coverage with one or more dependents is \$1,511 per month when the premium subsidy and flexible benefit credits are combined.

**Health Care Premiums for 2024.** Premiums are deducted semimonthly (twice a month), which means deductions are taken from your paycheck during 24 pay periods each calendar year. When you receive a third check in a month (the “free” pay period), it will not include a flexible benefit credit or a deduction for your health plans, unless you owe for uncollected premiums. To see your net out-of-pocket cost for health care coverage, remember to subtract your flex credit from the premiums shown in the tables that follow. These rates DO NOT reflect any premium subsidy you may be eligible for. Rates are subject to change.

Your health plan eligibility and cost are based on where you live. You can select a plan based on your work address. But you should be aware that if you choose a plan near your work address, you are also choosing to use providers for yourself and enrolled dependents near where you work. This may limit your access to providers who are near where you live.

You can also log in to your myCalPERS account and use the Search Health Plans tool to research the health plan coverage and benefits most important to you and your family. Some health plans are available only in certain counties and/or zip codes. Use the CalPERS Health Plan Search by ZIP Code to find CalPERS health plans available in your area.
