Welcome to TAP

WELCOME TO THE TEMPORARY ASSIGNMENT PROGRAM

About the Program

The Temporary Assignment Program (TAP) is an innovative and award-winning program run by the County's Human Resources Department (HR) and functions similar to a temporary employment agency in the private sector. TAP is operated by HR staff, to hire and manage temporary personnel who can be placed on temporary assignments throughout the County, to meet staffing needs.

This handbook is designed to help TAP employees understand their employment experience with the Temporary Assignment Program. This packet provides a summary of information concerning TAP personnel policies and practices, and explains employee responsibilities, benefits and other terms of employment.

Please read this document and keep it accessible for reference while you are employed by TAP.

The Temporary Assignment Program strives to meet the staffing needs of the County departments it services, while providing a quality employment experience for the temporary staff it employs.

Temporary staff employed by TAP work on an at-will basis.

THE HIRING PROCESS

Hiring

TAP hires personnel for departments requesting temporary staff, and for anticipated requests for temporary staff. When hiring for department requests, TAP works quickly to get candidates hired due to an open request awaiting the arrival of a temporary placement. TAP also hires into a pool of ready and available temporary workers for positions in which frequent requests are received, such as Office Assistants and Accounting Assistants. For these positions, candidates may be hired by TAP without a known assignment. Pool candidates can be employed by TAP without an assignment for up to 90 days. Temporary Assistants employed by TAP receive no wages or pay while waiting for assignments.

Prior to Assignment

After selection of a candidate for hire into TAP, and before placement on assignment, it is mandatory that TAP employees pass a physical examination which can include a drug and alcohol screening; and pass a background check, which does include fingerprinting and may include a credit check. Employment with TAP is contingent on a candidate's ability to pass the physical examination and background screening for assignments.

Temporary Assistants who are sent on assignments with law enforcement departments (Sheriff, Probation, District Attorney, etc.) may be subject to an extensive background check by the department, including a polygraph examination. This is in addition to the TAP-required background check.

Tested Positions

The County of Riverside conducts pre-employment testing to assess candidate qualifications for certain positions and TAP assignments. For positions and assignments that have an associated pre-employment test, valid test scores are required of all candidates.

Some tests are available to take from the candidate's home computer in an un-proctored environment, while other tests are administered in an appointment-only, proctored environment. Candidates who take un-proctored tests may be

required to take a score- confirming test in a proctored environment. Candidates should read job announcements carefully to understand testing requirements, if any, for positions of interest. More information can be found on the Human Resources Department website at www.rc-hr.com.

Equal Opportunity Employer

The County of Riverside is an equal opportunity employer. It is the policy of the County of Riverside to provide an equal employment opportunity for all qualified persons. All applicants will be considered without regard to race, color, religion, sex, national origin, age, disability, sexual orientation, gender, gender identity, gender expressions, marital status, ancestry medical condition (cancer and genetic characteristics), genetic information, or denial of medical and family care leave, or any other non-job-related factors.

EMPLOYMENT WITH TAP

Most TAP employees are classified as Temporary Assistants in the County of Riverside payroll system. Classification titles are used primarily to establish pay rates.

As a TAP employee, any general employment questions or concerns regarding your assignment should be directed to the TAP office. Make sure that you have the TAP phone number, as well as that of your assignment supervisor. Specific questions relevant to your assignment duties should be directed to the assignment supervisor to whom you report to on a daily basis.

Hiring with TAP

TAP employees are employed by the Human Resources Department and are sent on assignments to more than 40 departments and agencies throughout Riverside County. TAP hires employees to deploy on **requisitions** that it receives, but also hires employees for Job Orders that may be received in the future. TAP recruiters communicate the details of Job Orders to candidates and can provide specifics on the work required of each assignment.

TAP employees can remain on the Human Resources Department's payroll for up to 90 days without an assignment before they are terminated.

Employment At-Will

TAP employees are temporary, at-will employees and their assignments can be terminated at any time, with or without cause.

TAP Assignments

TAP assignments vary in length and can last up to one year. Employees are expected to complete the duration of the assignment. Workdays and hours will vary by assignment, and that information will be provided by the recruiter. Upon successful completion of an assignment, TAP employees may be eligible for reassignment but there is no guarantee of continued work.

Be sure to communicate with the TAP office if you experience the following situations:

- If your assignment responsibilities change.
- If your assignment supervisor changes.
- If you are injured while on an assignment.
- If your contact information changes, such as home address/telephone number.

Authorization to Drive

TAP employees may be required to drive for County business and must meet all vehicle and safety requirements before authorization is given to operate a County or personal vehicle during County hours. TAP employees must submit a completed General Form 30, "Authorization to Drive a Riverside County Vehicle or Private Care for County Business" and have a valid California driver's license and proof of insurance.

Mileage Pay

If a county vehicle is not available, you may be required to drive your own personal vehicle as part of your assignment. You must have prior authorization from your supervisor. For reimbursement of mileage used, submit your mileage report along with your timesheet. Mileage reimbursement is paid at the current IRS reimbursement rates.

PeopleSoft Employee Self Service

The County of Riverside utilizes PeopleSoft software for its human resources management system. PeopleSoft allows county employees to access important employment-related information through their Employee Self Service account.

In Employee Self Service, employees can:

- Access to pay advice for current and previous pay periods.
- Change direct deposit information.
- Change/update W-4 withholding rates.
- Elect to receive their W-2 electronically.
- Update Address and contact information.

Access PeopleSoft Self Service

Upon hire, TAP employees may access their Employee Self Service account by utilizing their employee identification number and the default E and password. To access Employee Self Service, employees should visit www.rc-hr.com and use the link for the Employee Self Service. New employees can access with the following credentials:

- Employee Self Service Account ID: E + your employee number (for example EI **23456**)
- Password: E + Your six-digit County Employee Number+\$+ the last 4 digits of your Social Security Number (example: EI 23456\$9999).

Employees should change their password during their first log-in to their Employee Self Service account.

For problems accessing your Employee Self Service or questions on your account, please contact the RCIT Help Desk at (951) 955-9900 (micro-59900).

Attendance and Punctuality

Regular attendance and punctuality are a requirement of every job in the County of Riverside. Absences and tardiness should be reported to your assignment supervisor. Upon assignment, employees should communicate with their assignment supervisor regarding the absence/tardiness reporting requirements of that department where they are assigned.

Failure to adhere to work schedules may subject TAP employees to be removed from their assignment and could affect their eligibility for future re-assignments with TAP.

County Equipment

Some TAP assignments may require the use and issuance of equipment such as cell phones, tools, uniforms, keys, or badges. These items are the property of the County of Riverside and should only be used for work-related activities and must be returned at the end of your assignment or employment with the County.

Inspections of County Property

All premises, facilities, equipment, furnishings, and other property provided by the County for employee use are considered "County Property," including, without limitation, filing cabinets, desks, lockers, storage devices, computers, computer hardware and software, Internet and intranet access, email systems, telephones, and voicemail systems. The County reserves the right to access, inspect and monitor all County Property, and all property and information contained therein, at any time, without advance notice to, or consent from, TAP employees.

TAP employees may not use the County's computers or any other county property for any improper purpose, which includes working on behalf of an employer other than the County, before, during or after work hours. You should have no expectation that any data entered on County computers - including personal information unrelated to the County's business - is, or will remain, private.

Email, Voicemail, and Internet

The County may provide you with access to its electronic mail ("email") system, voicemail system and /or Internet system (collectively, "County Systems") for the purpose of conducting County-related business. Your use of County Systems is subject to the following rules.

1. **Ownership and Monitoring:** All records created by you through any County System are the property of the County. The County reserves the right to monitor the use and operation of County Systems, to access all records within them and to retain or dispose of such records as it deems necessary or desirable in its sole and exclusive discretion. This expressly includes the County's right to override any password, encryption or other process or device intended to prevent access to information. In connection with its monitoring of the Internet system, the County also expressly reserves the right to monitor the frequency and duration of your Internet usage and the sites you have visited.
2. **Message Content:** County Systems must not be used to send any message that does not comport with the County's ordinary standards of courtesy and professionalism.
3. **Confidentiality:** Never send or disclose messages containing confidential or proprietary information to anyone who does not have a right to, and need for, such information. Also, never access the files or communications of others unless you have a legitimate business purpose and authorization to do so.
4. **Compliance with County Policies:** Always comply with County policies when using County Systems. Voicemail, email or Internet use that violates any of the County's policies, including those prohibiting discrimination and harassment, will not be tolerated.
5. **No Solicitations:** Do not use County Systems for religious, political, charitable, or personal solicitations, or for advertising and personal enterprise.
6. **Inappropriate Material:** Do not access or forward material that is offensive or otherwise inappropriate for the workplace.
7. **Security:** When communicating confidential information, be aware of security issues. Conversations over cordless telephones and messages sent over the Internet from wireless "hot spot" are particularly susceptible to interception.
8. **Deleting Messages:** County Systems are backed up at regular intervals.

Never assume that an email message or a voicemail message you have deleted is deleted for all purposes. A message deleted from your "in-box" may be available elsewhere on the network. Voicemail messages and email messages sent outside of the County may remain on the recipients indefinitely.

9. **Logging Off:** Always log off the network when you are not using your computer. An unattended computer can be accessed by unauthorized persons.
10. **Password Security:** Never divulge your network login ID or password. If a request appears asking for your network login ID or password (or any other personal information), do not release the information. Notify your supervisor immediately of any such request.
11. **Installation of Software and Downloading:** Never install any software on a County System without first obtaining consent from your TAP recruiting supervisor.
12. **Copyright Infringement and Other Unlawful Activity:** Use of the County's Systems for any unlawful activity is strictly prohibited. Never use a County System to convey material or information that is defamatory or that violates copyright laws or any licensing agreement.
13. **Be Aware of County Representations:** Only authorized employees may communicate on the Internet on behalf of the County.

Confidentiality

While on your temporary assignment with the County of Riverside, you are required to uphold confidentiality at all times. Do not discuss personal information or records you may have read such as personnel files, patient charts, or other sensitive material. The County of Riverside is in strict compliance with the "Health Insurance Portability and Accountability Act of 1996 (HIPAA)." This is a privacy law that protects individuals' medical records and personal health information, gives patients greater control over their information, and sets boundaries on the use and release of records. This law also establishes safeguards that health-care providers and others must achieve to protect the privacy of health information. Violators of the HIPAA rule could be accountable for up to \$250,000 (cash) in Civil Penalties, and up to 10 years in Criminal Penalties (jail time).

End of Assignment(s)

If your assignment ends and you wish to continue working TAP assignments, you must apply for a new position on www.governmentjobs.com. To view all current job openings in the Temporary and Medical assignment program, please visit www.rc-hr.com/countyjobopenings.

Additionally, ensure that your resume is updated to reflect your most recent job duties and responsibilities when applying for a new position.

If a TAP employee is released from an assignment, all County issued items, such as cell phones, tools, uniforms, keys, or badges should be returned to the assignment supervisor or TAP office. Employees are held accountable and billed for the cost of any items not returned.

TAP employees who are released from an assignment and have questions regarding the release should contact the TAP office and refrain from contacting or visiting the department supervisor.

Termination of Temporary Employment

Temporary employees in good standing will remain active in the County payroll system, but do not receive pay for up to 90 days. They may be considered for reassignment, if TAP determines that reassignment is appropriate to the Temporary Assistants skills, abilities, and past performance on assignment. If you choose to terminate your employment with the County of Riverside for any reason prior to 90 days of not working, please submit a letter of resignation so that your termination is documented and can be recorded on your requested resignation date. If a letter of resignation is not received, your employment will be automatically terminated after 90 days of not working with TAP.

YOUR PAY, PAYCHECKS, AND PAY DAY

Rate of Pay

Temporary employees with TAP are paid the first step of the range for the comparable County classification in which they are placed. TAP may authorize

a higher rate of compensation as required by certain positions that are difficult to fill.

TAP employees pay rates do not automatically adjust with pay increases for regular classifications. Adjustments will occur under the following circumstances.

- When an assignment is extended
- When an employee is reassigned
- When an employee is hired by another department within the same classifications.

The only exception to this policy is an increase in the State or County minimum wage. In this case, the new pay rate will take effect as soon as the State announces the effective date of increase.

Meals and Breaks

The County of Riverside, as a local government entity, is exempt from the California Wage Orders that specify overtime and meal and break requirements for California employers. You should consult with your assignment supervisor for the meal and break allowances in the department where you are assigned.

Overtime

The County of Riverside adheres to the requirements of the Federal Fair Labor Standards Act (FLSA). FLSA specifies the conditions under which overtime must be paid to employees for work performed during certain hours of work.

TAP employees must have approval from their assignment supervisor prior to working overtime.

Temporary Assistants who perform assignments in work that is not exempt from overtime pay requirements in the FLSA will receive overtime pay after working more than 40 hours in the 168-hour "workweek" (7 days x 24 hours per day) period in which wages are earned. It is important for employees to understand the "workweek" that applies to their assignment, so that they understand when overtime is earned.

Please contact the TAP office if you should have questions regarding the FLSA workweek that applies to your work schedule and assignment. More information regarding FLSA can also be found on www.rc-hr.org.

Stand-by and On-Call Pay (limited to Riverside County Information Technology department)

TAP employees who perform IT related assignments may receive standby, or call-back pay under the following conditions:

Stand-By

When placed on standby by the agency or department head specifically, an employee otherwise off duty, shall be paid one (1) hour's pay for eight (8) hours of duty to the nearest tenth of an hour. Standby compensation shall cease when the employee reports to work.

Call Back

A non-exempt employee called back to a worksite to meet an emergency on an overtime basis, whether or not in a standby duty status, shall receive minimum credit for one (1) hours' work.

If an employee should complete the work required, and subsequently be recalled during the minimum credit period, no additional compensation shall be paid for until the minimum credit time has been exhausted. Call-back pay does not include time commuting to and from work.

Remote Call-Back

If an employee may perform call-back work remotely without the employee having to physically report to a worksite, then the employee will be paid in one tenth hour increments for all time worked while remotely responding to the call. For example, if the employee remotely completes the performance of work in twenty-five (25) minutes, the employee will be paid thirty (30) minutes for the remote call-back.

Holidays

TAP employees are not eligible for holiday pay but are paid straight time for hours actually worked during a holiday. The County of Riverside typically observes 12 holidays per year. A listing of the holidays for the current year can be found on the Payroll Calendar located on the Riverside County Auditor/Controller's website: www.auditorcontroller.org.

- January 1st New Year's Day
- Third Monday in January Martin Luther King Jr. Birthday
- February 13th Abraham Lincoln's Birthday
- Third Monday in February George Washington's Birthday
- Last Monday in May Memorial Day
- July 4th Independence Day
- First Monday in September Labor Day
- Second Monday in October Columbus Day
- November 11th Veteran's Day
- Forth Thursday in November Thanksgiving
- Fourth Friday in November Day After Thanksgiving
- December 25th Christmas

Sick Leave

TAP employees are eligible for Sick Leve Pay. Eligible employees are provided with a sick bank of 60 hours, per calendar year, upon completion of their 90th day of employment. **However, employees may only use five (5) days of paid sick leave per calendar year**, depending on their normal work day. For example:

Schedule Breakdown

- 5/40 = 40 paid sick hours
- 9/80 = 45 paid sick hours
- 4/10 = 50 paid sick hours
- 3/12 = 60 paid sick hours

Jury Duty

If you receive a summons for jury duty while you are employed by TAP, you should immediately notify your TAP supervisor of your status. TAP may not be able to hold your current assignment open depending on the length of service that is required, but will attempt to re-assign you once your jury service is complete. The TAP office will not request an excuse or deferment of your jury service on your behalf. TAP employees do not receive pay from the County for jury service.

Time Off to Vote

If you are scheduled to work during a statewide election and do not have sufficient time outside of working hours to vote, California law allows you to take up to two hours off to vote without losing pay. You may take additional time if needed, but only the first two hours will be paid.

Time off for voting must be taken at the beginning or end of your regular work shift to maximize your voting time and minimize disruption to your work schedule, unless you have made alternative arrangements with your employer.

If you believe you will need time off to vote, you must notify your employer at least two working days prior to the election, ideally three days before the election.

Interview Pay

TAP employees are paid for actual hours worked. Therefore, if you are scheduled for a County or external interview, you will not be compensated for the time spent away from your assignment while you attend the interview.

Bilingual Pay

Some temporary assignments require bilingual skills of candidates performing the work. Generally, the positions require that an employee perform bilingual translations as part of their job function and regular duties at least 50% of the time. TAP employees assigned to positions requiring bilingual skills are eligible to receive bilingual pay. Compensation for bilingual pay varies according to usage of the

second language requirements of the job.

Prior to an employee receiving bilingual pay, the employee must pass an assessment test that confirms their bilingual skills.

Employees who receive bilingual pay for an assignment designated as requiring bilingual skills and are later placed on a new assignment that is not designated as requiring bilingual skills, will not continue to receive bilingual pay.

Please be advised that you are not authorized to use your bilingual skills until you have received official confirmation that your bilingual pay is effective. It is crucial to understand that if you utilize your bilingual skills prior to receiving this notification, you may not receive payment until your official bilingual form has been processed.

Direct Deposit

TAP employees are encouraged to sign up for direct deposit. To sign up, attach a voided or canceled check (not a deposit slip) to the **Electronic Deposit Authorization** form. You will receive a paycheck by mail while your request is being processed, for approximately two pay periods. Once automatic deposit begins, you must obtain your statements (Pay Advice) of your earnings by accessing your Employee Self Service account.

Special Pay Card

The County of Riverside offers employees free prepaid debit cards which allow employees to elect up to 100% of their paychecks to be deposited to the card. Enrollment forms and additional information regarding the card are provided in TAP orientation or can be obtained at the Auditor Controller's website by navigating to the Payroll Division.

Your First Pay Day

TAP employees who are hired close to the end of a pay period may receive their first paycheck late. County of Riverside pay date cutoff times may cause first pay checks to require that some days of pay be paid in the next pay cycle.

For example, the first paycheck may include 15 days of work (one day carried

over from the prior pay period) for employees who started on the 14th day of the pay period when initially starting employment. TAP recruiters and department payroll representatives will be able to provide more information to employees regarding whether the first paycheck will be delayed to the next pay cycle.

Year End W-2's

Active employees can elect to receive an electronic W-2 via their Employee Self Service account. Prior year W-2's will also be available in Employee Self Service accounts.

Upon termination, Employee Self Service accounts are disabled. Please refer to the When Your Employment Ends section of this handbook for more information about your Employee Self Service Account after termination of your employment with TAP.

Federal and State Taxes

Employee's elections on the Form W-4 (Employee Withholding Allowance Certificate) determine both federal and state withholdings. Employees who prefer state withholding amounts other than those specified on Form W-4, must complete a DE-4 Form.

New employees submit an initial W-4 (and DE4 Form as applicable) during TAP Orientation. Employees who need to change W-4 withholding amounts after TAP Orientation, may make changes through their Employee Self Service Account.

Employees who need to change DE-4 Form withholding amounts after TAP Orientation, may obtain the form on the Auditor Controller's website at www.auditorcontroller.org by navigating to the Payroll Division. DE-4 Forms should be sent to the Auditor Controller Payroll Division.

UNDERSTANDING YOUR PAY & TIMEKEEPING PROCEDURES

Timekeeping and Timesheets

Temporary employees sent on assignment are required to keep a record of hours worked on assignment for timekeeping purposes. Employees will not be paid without supervisory approval of their time worked on an assignment each period.

Timesheets

The Temporary Assignment Program publishes a timesheet template on the HR Department's website. TAP employees may access this document at www.rc-hr.com. TAP employees must use this timesheet template for all hours worked on assignment.

Timesheets for TAP employees must be submitted to assignment supervisors for approval. Assignment supervisors then submit timesheets to their department payroll representatives for entry in the County's payroll system. TAP employees with questions on their paycheck related to timekeeping while assignment should contact the department payroll representative in the department where they were/are assigned. All other inquiries related to pay rates, eligibility for bilingual pay, dates of employment, etc., should be directed to the TAP office.

At the end of an assignment, timesheets accounting for all work performed to the end of the assignment must be submitted to the supervisor of the temporary worker's assignment for signature.

Shift Differentials

TAP employees on assignment with departments that work beyond normal business hours are eligible for shift differential. TAP employees are eligible for the following differentials only:

- Shift differential Z01 for hours worked from 6:00pm until 11:00pm; or if starting work after 1:00pm, shift differential Z01 for hours worked from 3:00pm until 11:00pm.
- Shift differential Z02 for hours worked from 11:00pm to 7:00am.

The eligibility criteria and reporting procedures are described on the timesheet document.

Payroll Calendar

The County of Riverside has established pay periods of 14 days each, that begin on Thursday and end two weeks later, on Wednesday.

TAP employees are paid on a biweekly basis, every other Wednesday, for the pay period that ended 14-days prior. There is a 14-day delay between the close of the pay period and the payday for that pay period. The County of Riverside's payroll calendar can be found on the Auditor/Controller's website (payroll tab) at: www.auditorcontroller.org.

Timesheet Due Date

Timesheets are due immediately following the close of the pay period on the Wednesday in which the pay period closes. Earlier dates may be required during pay period where County-Observed holidays occur. It is important to submit timesheets on time each pay period. Missing or late timesheets will result in missed or delayed paychecks. TAP employees who are away from work on the date the pay period ends, must make arrangements with assignment supervisors to submit their reported time during absences. It is every employee's responsibility to ensure timesheets are submitted on time each pay period.

Timesheets will not be processed for payment without the signature of an authorized assignment supervisor.

Timesheet Errors

If a timesheet needs to be changed after it has been submitted, employees should submit a corrected timesheet clearly marked "REVISED TIMESHEET" for pay period where the correction is required. Employees should submit the corrected timesheet to their department payroll representative. Revised timesheets also require the signature of an authorized assignment supervisor in order to be processed for payment.

RETIREMENT: SOCIAL SECURITY, THE TEMPORARY/PART- TIME EMPLOYEES' RETIREMENT PLAN, AND CALPERS

Deductions/contributions for Social Security, the Temporary/Part-Time Employees' Retirement Plan, and the California Public Employee Retirement System (CalPERS) generally depend on the number of hours a Temporary Assistant works in the fiscal year. For the first 1,000 hours of work in a fiscal year, the employee is enrolled in and contributes to the County Temporary/Part-Time Employees' Retirement Plan, which is a 401 (a) defined benefit pension plan. The County also contributes to the 401 (a) on behalf of the employee. During this time neither the employee nor the County pays into Social Security, and the employee is not enrolled in CalPERS. After 1,000 hours of work in any fiscal year, the employee and County stop contributing to the 401 (a) and begin to pay into Social Security. The employee is also enrolled in CalPERS and begins to make contributions. The CalPERS percentage is subject to change based on the CalPERS actuarial valuation for the PEPPA employee contribution rate. For the percentage of pay contributed/deducted, see the table below:

Retirement Contributions/Deductions
(Percentage of Pay)

| | 1000 Hours or Less Worked | More Than 1000 Hours Worked |
|-----------------|----------------------------------|------------------------------------|
| 401 (a) | 3.75% | N/A |
| Cal PERS | N/ A | 7.75% |
| Social Security | N/ A | 6.2% |
| Medicare | 1.45% | 1.45% |
| Total | 5.2% | 15.65% |

*These deductions are in addition to State and Federal withholding (per your W-4and DE-4).

Employees who previously became members of CalPERS - whether through previous employment with TAP, the County, or another CalPERS agency - pay into CalPERS and Social Security from the first day of their employment. Employees filling an assignment that is planned to exceed 1,000 hours also pay into CalPERS and Social Security from the first day of employment. Employees who are retired with CalPERS and drawing a pension do not pay into Social Security, CalPERS, or the 401 (a), but these retirees cannot work more than 960 hours in a fiscal year.

Credit Union

TAP employees are eligible for membership in the Altura Credit Union. For more information and a listing of Altura Credit Union locations throughout Riverside County, please visit the Credit Union's website at www.alturacu.com or call (888) 883-7228.
